For A Genuine Merry Christmas

An Editorial

Doing the bulk of your Christmas shopping in your neighborhood stores this year will help you and your family keep it a very "Merry Christmas."

There's little merriment in joining the hustling, bustling crowds downtown. Those of you who have tried it year after year will be quick to admit that Christmas has become such a chore that its very spirit of "Peace on earth, Good will to men" has been lost in the rude jostling of other harried shoppers.

Some people, we know, still suffering from the onslaught of crowded aisles in years gone by and with the memory of aching feet and big store bedlam imprinted on their minds, have decided that "Christmas is too commercial and this year we're not going to exchange gifts." These folks are depriving themselves of some of the greatest joys of the Christmas season—watching the looks of appreciation in the eyes of a surprised recipient, hearing the squeals of delight from Santa-thrilled children and enjoying anticipation themselves as they open gifts.

You can regain that wonderful feeling of the old-fashioned Christmas spirit this year by changing your shopping from a chore to a joy. The secret is, of course, to shop locally.

In surrounding your own community stores, you will be warmed by the hearty and sincere "Happy Holiday" greetings of your own friends and neighbors. And you will be aiding the merchants who are the backbone of most of the creative civic endeavors in your own neighborhood.

From a more practical standpoint, you will find that it truly pays financially to "shop local." Besides avoiding "shoppers' nerves," you will find that dollars go a lot farther when expensive parking lots, carfare, or cab fees don't have to be figured into your shopping budget.

Prices, too, are comparable to those in the most jam-packed downtown stores you can dream of. The local merchant passes on to each and every customer the economy of operating "out of the high-rent district." In most cases you will be amazed to find his prices are even lower than mid-town prices on nationally advertised name brands.

The smaller merchant, backbone of the American system of free enterprise, offers you all the advantages of downtown shopping plus a sincere interest in your happiness and the welfare of your community.

If you follow our "shop local" formula, we think on Christmas Day you will find that this has been the most economical, the most enjoyable, and the least harried Yule holiday season of your life.

FINAL OR FIENDISH?

Plans Made For 'Appropriate' Would-Be Shriners' Reception

SHRINE GET-TOGETHER PLANNERS—Left to right are Vice-President William E. Soothe, President Loren Galloway, and Secretary-Treasurer Lou E. Saunders posed here after a session in which they "plotted" details of the annual fall get-together of Hilltop Shrine Club members with Shrine candidates on Dec. 2 at West Gate Masonic Temple. The candidates are promised a "foretaste" of what is in store for them at the initiation rites downtown on Dec. 3.

• • •

"Final" plans have been completed for the reception of new candidates into the Hilltop Shrine Club at the fall get-together meeting, scheduled for Thursday, Dec. 2, in the West Gate Masonic Temple, according to the group's president, Loren Galloway. (Actually, he told this reporter that "fiendish" plans had been completed. That couldn't be right, could it?)

Although announcement cards have been mailed to all local Shriners on his records, L. E. Saunders, secretar.-treasurer, said the meeting is open to all Shriners, regardless of whether or not they have received notification of the pre-ceremonial rites.

As in past semi-annual affairs of this nature, candidates will receive a sample of what is in store for them later at the initiatory rites set for a future date at the downtown Masonic Temple. Other than this slightly ominous announcement, President Galloway would divulge no further details of the Dec. 2 program.

Current committees of the Hilltop Shrine Club include:

Arrangements—George Williams, chairman; A. E. Buchanan, Erwin Williams, Jr., J. W. Kent, Jr., Merle Haller, Robert Cramer and O. D. Lehman.

Serving— George Levisay, chairman; Marvin Southworth, William Southworth, Kenneth Lewis, and Herman Eisele.

Table committee — K. M. Elder, chairman; Chas Randall, George Sinclair, Bert Haynes, Howard Lloyd, Fred Williams, Russell Friend and Warren Hilbert.

Kitchen — Ed Brinkman, chairman; John Meer, George Frizzell, Earl Simonson, Paul Hicks, Morley Sutton and Lou Maish.

Reception—Dr. T. S. Fox, chairman; Phil Stout, Jack Merriman, John Apel, Ed Planck and Joe Briggs.

Entertainment—Spang Spangler, Carl Smith, Leo Phillips, co-chairmen; Peter Gaianis, Sam Alford.

Tickets—C. G. Wilcox, chairman, Harold Elliott.

Sales tax stamps—W. E. Boothe, chairman.

BOOK WEEK celebration by local and nearby school children this past week included visits to the Hilltop Library, 2955 W. Broad-st, where staff members presented a special puppet show in keeping with the theme of the occasion. Here, members of the fourth grade class at Prairie Township School watch appreciatively the puppet show, "Three Wishes." Left to right are Teacher Florence Weber, Linda Brown, Donna Aisel, Gene Tinapple, Librarian Miss Mildred Phelps, and Miss Ruth Finley.

Henry C. Shetrone, Retired Curator, Dies At Age Of 78

Henry Clyde Shetrone, 78, retired curator of the Ohio State Museum, died Tuesday night at his home, 3088 Crescent-dr. He was director emeritus of the Ohio Historical Society.

Named an assistant curator of the Ohio State Museum in 1913, he became its curator in 1924. He was elected to the society's directorship Feb. 28, 1928, holding the post until his retirement in January, 1947.

Known as one of the foremost authorities on archaeology in the United States he had continued his work on historic and pre-historic Ohio after retiring.

A native of Millersport, he attended Denison University. Previous to his joining the museum staff he had been in newspaper work and had written several books on Ohio archaeology and history.

Mr. Shetrone also was a veteran of the Spanish-American War.

Surviving are a cousin, Mrs. Bertha R. Kerr of the Crescent-dr address and a brother-in-law, John Klinger, also of the residence; additional cousins and nieces.

Funeral services will be held at 2 p. m. Friday in Schoedinger's Hilltop Chapel, 2342 W. Broad-st, with burial in Sunset Cemetery.

Hilltop Man Loses Both Legs After Being Struck By Train Early Sunday

A 28-year-old Hilltop man, John W. Freeman, of 892 Josephine-av, was reported in poor condition at White Cross hospital Tuesday after undergoing amputation of both legs at the thighs because of injuries received when a train struck him early Sunday.

A grain inspector discovered Freeman at noon Sunday behind a warehouse near Terminal Way near the NYC Railroad tracks, south of Union Station. He had apparently crawled the distance of more than 100 feet from where he was struck several hours earlier.

In addition to having his legs severed just below the knees, Freeman suffered shock, severe head lacerations, and back and shoulder injuries. A hospital official expressed surprise that Freeman did not die from loss of blood.

The victim was unable to tell authorities details of the accident. His brother, Richard Freeman, with whom he lives, said the injured man is employed at the Columbus Coated Fabrics Corp.

TEMPERANCE MEET SET

An open Union Temperance meeting will be held at 7 p.m. Sunday, Nov. 28, in the Westgate Evangelical United Brethren Church, 33 S. Powell-av. The Hilltop Kiwanis Club support of churches committee and the Hilltop Ministerial Association, co-sponsoring agencies, have invited all members of the community to attend.

Clayton M. Wallace, executive director of the National Temperance League, will speak on the program against the inroads of alcohol on national and local community life.

Hilltop Yule Tree Planned

FIREMEN FIGHT MUSCULAR DYSTROPHY—Seven-year-old Billy Star, 693 Welch-av, is playing fireman to call your attention to the Fire Fighters' March for Muscular Dystrophy next Tuesday evening, Nov. 30. Hilltop Fire Fighter Lt. James Seagle, 78 S. Richardson-av, who is helping Billy in his game, is also helping in the nation-wide campaign. He is chairman of the committee of Columbus firemen, all of whom have offered to donate their off time to this cause. Funds collected during this Thanksgiving drive will finance many research projects to find a cure for the disease which now hopelessly condemns to death 200,000 victims each year. Contribution envelopes have been sent through the mail. Tuesday evening a fireman will call at your home for your donation. If you are going to be away, please put the postage-free envelope in the mail. Columbus fire fighters are answering the muscular dystrophy alarm. It's up to you to see that it isn't a false alarm.

Annual Tree Will Be Decorated By Community Council

Plans to hold the annual Hilltop tree-lighting ceremony on the grounds of Glenwood Recreation Center sometime on the week end of Dec. 11, were disclosed yesterday by Chuck Moore, chairman of the Christmas tree lighting committee of the Hilltop Community Council and director of the center.

Moore said that final plans for the ceremony attendant to this annual event sponsored by the community council and the final date and time would have to await a meeting with fellow committee members Bill Burns and Mrs. James Foote sometime in the coming week.

The huge tree, which is located on the hill of the recreation center's property just east of Lechner-av, and plainly visible to motorists as they leave and enter the Hilltop area, has been the scene in past years of several brief, but impressive ceremonies of caroling and short readings appropriate to the occasion. Church choirs and other choral groups from the Hilltop customarily join in the rite.

Selection of the person who will actually throw the switch is also to be made next week, Moore said. Wooden figures of carolers and a church enhance this traditional Hilltop scene.

Appeal Filed To Refusal Of Joan Heights Petition

County Commissioners who recently dismissed a petition to annex a portion of the Joan Heights Addition to Columbus, are now faced with an appeal from that decision filed Tuesday in Common Pleas Court.

This particular annexation case had been pending before the commissioners since last March 15 when the commissioners declined it on Nov. 4 after several original signers withdrew their names, making the document contain less than the necessary marjority of property holders' signatures for favorable action.

Attorney Harrison Smith, Jr., filed the appeal on behalf of Thelma Neal, 367 N. Sylvan-av, agent for the petition.

IMPASSE DEFERS DECISION

Action On Quarry Zoning Case Awaiting Record Clarification

Action on the petition of some 500 area residents seeking to change the zoning of certain Marble Cliff Quarries Co. lands from heavy industry to residential and agricultural classification was indefinitely deferred "pending clarification of certain issues" at an executive session of the rural zoning commission Tuesday night in the court house.

Thomas R. Hickey said that the commission had decided to defer action on the case until a meeting between himself, a representative from the county prosecutor's office, attorneys for the firm and the opposing Skidmore Civic Association, and other interested parties could iron out certain matters.

"Until such time as a common meeting ground can be found between the contention of the civic association's attorney that possibly the area was never properly rezoned and the quarries' position that it was, further consideration will yield little in the line of an equitable decision, "Hickey said.

175 Attend First Annual Charter Night Ceremonies

More than 175 members, wives and guests attended the first annual charter night program of the West Franklin County Kiwanis Club Thursday evening, Nov. 18, in the Prairie Township School.

Dr. H. H. Maynard of OSU was the principal speaker. Malcolm Pennell was chairman of the arrangements committee. The meal was served by mothers of the eighth grade class at the school. President William Coulthard presided during the meeting.

In addition to a large delegation from the Hilltop Kiwanis Club, guests included Kiwanis District Lt. Gov. Ben Ogier and Lt. Gov.-Elect Oscar Fleckner, and Paul Crider, past lieutenant-governor.

Local Firm Owner Says Thieves Will Get Warm Reception On Next Visit

The outraged owner of the Ray McVay Co., 76 N. Sylvan-av, yesterday re-emphasized the threat he made last week to "lie in ambush" for several nights at intervals in the future for the thieves who cut the gasoline lines on three of his trucks one night last week and drained the gasoline. The same thieves drilled a hole in an oil pan of one of the trucks, which, fortunately was discovered before the truck motor was ruined.

Ray McVay, owner of the small coal and concrete and construction supply firm, said the break-ins had occurred several times over the past three or four months. "I think it's only fair," he said, to tell my night visitors that their next visit will meet with a warm reception."

On his deep sea fishing jaunt, Curley also caught a number of other fish, but none like this one, which took him nearly an hour to land, and made him a member of the Algiers Anglers Club.

NEWS OF HILLIARDS

$1,000 Blaze In Grain Elevator Posed No Fire Damage To Village

By Louise Pahlmann
Pr. 8-4186
Hilliards news may be mailed to Hilltop Record, P. O. Box 29, Hilliards, Ohio

Fire causing damage estimated at $1,000 was quickly extinguished Tuesday of last week by local firemen. The blaze occurred when corn passing through the drying columns in the all steel and concrete drier building accumulated in one of the columns long enough for spontaneous combustion to ignite it. The driers have been running without stop for several weeks, processing the mammoth corn crop and apparently just "got tired and quit", John Russell said.

The fire could have caused no damage outside the building itself, which was constructed in 1947, and is rated nationally as of standard ideal fire-proof type, Russell disclosed yesterday.

Any fire occurring would burn itself out, causing damage only on the machinery and equipment and whatever grain might be undergoing processing at the time. There is absolutely no chance that surrounding property in the village would be endangered, Russell said.

RUSSELL GRAIN CO. has entered upon a four-week job, hauling soybeans from Ohio to Ursa, Ill., on the Mississippi River. Some 2,200 bushels of certified Lincoln soybean seed are being made available to farmers in the drouth-stricken Illinois farming area. Trucks are coming back through Chicago, hauling baler twine to have on hand for spring use.

Refreshments were served by Sequoia ladies.

STILLWATER TRIBE IORM entertained some 150 guests at their annual turkey dinner for members and families at the Red Men Hall, Wednesday evening. The meal was prepared by the men of the lodge—with some help from the ladies—Sachem M. A. Hoffman admitted.

Call it a dream, call it vision, call it the knack of seeing farther than other men can see—but something of the sort has guided the course of General Motors since its founding in 1908—just as something of the same sort has guided countless other growing businesses which in their way have shared in this accomplishment.

The towns where dreams come true

IT WAS A BIG DAY in Flint, Michigan.

For, off a Flint assembly line, in all its bright beauty of modern line and contour, rolled the fifty millionth car built by General Motors in the U. S. A.

No wonder Flint closed all schools, November 23rd. And crowds lined the street to cheer a huge parade honoring the big event.

After all — this is an achievement without parallel in history.

It's something the people of Flint can understand. They saw it happen. They helped it happen. So it's something that they can celebrate with pride.

BUT this is something that also calls for celebration in all manner of other towns and cities, spread across the landscape from coast to coast.

Not just in GM plant cities — although in all of them there was open house for the families and friends and townsmen of our 475,000 employes.

This could well be called an occasion for open house to all America. For an automobile is made up of more than 17,000 separate pieces and parts, and the making of one obscure little part, such as a bushing or gasket or fastener, can become the basis for a thriving local business.

SO—throughout the length and breadth of the land—are thousands of independent manufacturers who have shared in making this celebration possible.

Some are large—like the ones which ship us vast tonnages of steel and glass every day. Some are small—like the Kentucky sawmill (only 15 employes) producing shipping pallets, or the Indiana chemical company (6 employes) which makes a sweeping compound used in a GM plant.

And in countless communities across the country there are flourishing businesses which, in the truest sense, "built" the town, in the process of building something for General Motors.

Take an Ohio village of 600 population, for instance. 20 local citizens put up $250 each to build a factory for a "home-town boy." He got his first GM contract, then another and another. In seven years, his volume of business climbed from $22,000 to over half a million and the payroll now totals $200,000 a year. Meanwhile, the village has benefited by population growth, plus a new waterworks and fire department.

In another Midwest village, a supplier of molded rubber parts for GM cars has grown from 70 to 600 employes, with a current payroll of $2,600,000.

In another town, two men cleaned out a barn, installed war surplus machines bought with borrowed money, and started making "fasteners" for General Motors. At last report, their volume of business had climbed to more than $3,000,000 a year, with GM their principal customer.

And so it goes—from an electrical manufacturer in California, to a textile mill in Georgia, or a tack factory in New Hampshire.

Fact is, the roll call of those who shared in the building of our first 50 million cars and trucks includes more than 21,000 businesses, engaged in supplying materials and parts to 121 GM plants throughout the country. And beyond these 21,000 direct suppliers are countless thousands of other businesses which are in turn suppliers to them.

BUT we still haven't taken account of the raw materials, such as asbestos from Arizona, bauxite from Arkansas, beeswax from Wisconsin, copper from Montana, flaxseed from Minnesota, manganese from Tennessee, sulphur from Louisiana, tin from South Dakota, tung oil from Florida, tungsten from Nevada, wheat straw from Nebraska — something, in truth, from every state in the union.

Nor have we mentioned the 18,000 local businessmen, our GM car and truck dealers, and their 200,000 employes, who sell and service the vehicles GM factories have produced.

So it was a big day in Flint—and a big day in every town where men with practical dreams, and the courage it takes to make dreams come true — continue to make this a better land to live in.

Our thanks go out to them, and to the spirit they represent, for making this big day possible.

Letters To The Editor

Nov. 22, 1954

The Hilltop Record
2465 W. Broad St.
Columbus 4, Ohio

Dear Editor:

There are several questions I feel need answering, and I hope there are answers for them.

I live in Franklin Township and the other day a question arose about the police protection of the city of Columbus in comparison to that of Franklin Township. I was informed that the city of Columbus has only two cruisers on duty between the hours of 12 o'clock midnight and 8 a.m., while there are six sheriff's deputies on duty all over the county. It seems to me if Franklin Township has a more adequate police protection when they captured 29 vandals, then why did they have to release them for a lack of detention housing?

There is also the question of the township schools under-rating the intelligence of the parents and exploiting the school children. On Nov. 1, 1954, there was a parade of school buses and the emergency squad going through the township exhibiting signs to vote against annexation. After the procession arrived back at the school, the children were taken from their warm classrooms and into the cold rain to see these exhibits. This was done because the school officials wanted the children to see what they had to be proud of by living in Franklin Township.

Why didn't the township bus drivers and school officials ask the parents to stand out in the rain to look at the buses and the "vote against annexation" signs? We are the ones who are paying for the buses and we also are the ones who vote. Some children think so much of the buses that they have called me to take them to school in our 1940 Hudson, "because they didn't want to ride on the rickety old bus." I would also like to know who paid for the gas and the upkeep on the buses that were used for this successful parade. Why didn't they ask the people of the township instead of the township officials? And if the emergency equipment had been needed how would it have been contacted?

Is not the job as a bailiff on a judge's staff a full time job paid by taxpayers' money? If so how is it that John Guy can spend so much time in the county commissioner's office during annexation hearings? I hope someone can give me the answers.

Sincerely yours,
Mrs. Robert E. Sanders

Drum and Bugle To Elect Leader At Next Session

Ralph Gorsuch, commander of the drum and bugle corps of Smith-Barratt Post 249, American Legion, cancelled the rehearsal scheduled for Nov. 25, Thanksgiving Day. The annual Sauerkraut Supper given by the Ladies Auxiliary of Smith-Barratt Post 249, the American Legion was a success. Mrs. Evelyn Thompson, president and all the ladies wish to extend their gratitude and thanks to all the members of the post and guests for their patronage.

Pirates, Trotters Win Loop Starts

Two intermediate games were played at Glenwood Recreation Center Thursday, Nov. 18, both being complete routs. The West Side Pirates trounced the Aces 48-7, and the Hilltop Trotters ran over the Hydrogen 5 by a 23-8 tally.

The first game saw the Trotters start off slow and then explode for eight points in the second quarter, while holding the Hydrogen 5 pointless. The Trotters then went on to score 13 more, while the best their opponents could do was three. John Hummel was high man for the Trotters with eight points.

The West Side Pirates soundly whipped the Aces 48-7 in a rout-away contest. The Aces were unable to score a field goal until the third quarter, the score at half time being 30-1. Dick Burris of the Pirates was high man for the game with 21 points.

Beboppers Drop 19-11 Decision To Girl Cubs

The Cubs defeated the BeBoppers 19-11 in a practice senior girls cage game Wednesday, Nov. 19 at Glenwood Recreation Center.

The Cubs held a 7-5 edge at the end of the first quarter. In the second period, they outscored the BeBoppers 8-0 to hold a 13-5 margin at half. Each team scored six points the second half, giving the Cubs a 19-11 victory over the BeBoppers.

Nancy Burleigh and Annette Forgrave scored six points each for the winners, while Judy Rule was high scorer for the BeBoppers with five.

Officials were Shirley Berlo and Janetta Ventola and the scorer-timer was Nancy Gaskill.

Craft Classes Fashion Thanksgiving Decorations

The craft classes at Glenwood Recreation Center helped to decorate the Center with a Thanksgiving theme.

A large mural of the first Thanksgiving was a group project of one class. Another group decorated the game room ceiling with brown and yellow streamers, placing brightly-painted cardboard turkeys on the surrounding walls.

Autumn Rites Unite Nira Paschal, William Moone

MR. AND MRS. WILLIAM MOONE

Miss Nira M. Paschal became the bride of Mr. William F. Moone in a double-ring ceremony in Highland Avenue Friends Church on Sept. 4. Rev. Robert Aufrance read the double-ring ceremony at 7:30 p.m. before an altar decorated with ferns and palms.

The former Miss Paschal is the foster daughter of Mr. and Mrs. Angelo Muno of 856 E. 12th-av and her husband's parents are Mr. and Mrs. Edmund R. Moone, 182 S. Eureka-av.

Escorted down the aisle by her foster father, the bride chose a floor length gown of white embroidered tulle over net and satin with long sleeves and a Peter Pan collar. The bouffant skirt was worn over hoops and crinoline and her only jewelry was a gold cross, the gift of the bridegroom.

A crown of seed pearls and lace held her fingertip-length veil of illusion and she carried a white prayer book topped with a white orchid and streamers of satin ribbons entwined with tiny flowers and fern.

Mrs. Norma Paschal, matron of honor, wore a dusty rose gown of iridescent taffeta in ballerina-length. The bridesmaid, Miss Mildred Anthony, wore an identically styled gown in periwinkle blue iridescent taffeta. They each carried a Colonial bouquet.

Mr. Jack Moone served as best man for his brother and seating the guests were Mr. Robert Moone, brother of the bridegroom, and Mr. John Paschal, brother of the bride.

Mrs. Muno chose, for her daughter's wedding, a street-length frock of Dior blue with light blue accessories and a corsage of pink roses. The mother of the bridegroom was gowned in aqua blue with beige accessories and her corsage was fashioned of yellow roses.

Hostesses for the reception held at Mrs. Root's Party House immediately following the ceremony were Mrs. Russell Kadel and Mrs. Richard Ballist.

The new Mrs. Moone is a graduate of Linden-McKinley High School and is employed by the Industrial Commission of Ohio. Mr. Moone was graduated from West High School and is associated with the Hilltop office of the Ohio National Bank.

Following a wedding trip to Niagara Falls and Canada, the couple is residing at 171 S. 17th-st.

Dear Diary...

I have a problem! You know I never admit to Ralph when I'm wrong, but I don't mind letting YOU in on my secrets. It all happened last Friday evening — the night we usually dine out — when my hare (?) said we'd go to a new place. Well, you know how finicky I am, Diary, so I immediately protested — just on general principles. I griped in front of, during and after the repast. Frankly, the food was wonderful. Imagine a STEAK DINNER FOR ONLY $1.85. Now I'm really in a jam! Because I was such a brat and carried on as I did, I'm afraid Ralph will never take me back to another wonderful dinner at

Mrs. Boucher, 87, Chalks Up 54 Year Record As Reporter

By Mrs. James W. Whalen

Although she will celebrate her 87th birthday on Nov. 27, Mrs. Belle Boucher, of 409 Oak-st, is

Mrs. Belle Boucher

still busily engaged in "getting the news."

A resident of New Rome since 1922, the alert octogenarian has had a colorful career in reporting, having started with the Columbus Citizen, (known as the old Columbus Record) in 1900. She was with the Grove City Record at the time of their first issue in June, 1927 and later worked on the West Jefferson Star, the Hilliards News, the Madison Press of London, the Columbus Dispatch, and the Hilltop Record.

With a reporter's keen sense of desire for accuracy, Mrs. Boucher treked many miles up and down the streets and roads of New Rome to secure authentic information about the founding of the community and its history, which was used at the festive centennial celebration held in 1936. She discovered that there was an underground railroad, still in good condition, leading from the old stagecoach tavern on W. Broad-st near Norton-rd to a large brick home on Maple-dr, and many other equally colorful facts about the area.

The only daughter of William O. and Sarah Miller Bodle, she was born near Salem Church in 1867. She shared and enjoyed the finer things of literature with her brother, Alonzo N., four years her senior, who later became known as the "Bard of Darby" due to his many poems which were published in the local papers from time to time and are now edited in two volumes.

Two years ago, Mrs. Boucher left Rome, due to a serious illness, and stayed in the home of her granddaughter, Mrs. Joseph Smith, for several months recuperation. Later, she went to the home of her daughter, Mrs. Eva Sager, where she is residing at present.

Regardless of ups and downs, Mrs. Boucher is still "reporting" steadily. It has been a great source of satisfaction and enjoyment to her, as well as helping her to keep in touch with her many friends through the years.

Part Mrs. Boucher, who has two great-grandchildren, attributes her longevity and happy outlook on life to her years of activity and her "spot of Irish-English background."

Mrs. Edward E. Lynch has named Mrs. George Pensyl, chairman of the affair. Assisting her will be Mrs. Clifford Thompson, Mrs. Allen Elliot, Mrs. Rosena Wheeler, Mrs. Edward G. Meyers and Mrs. Jack LeVeck.

Guests will include Mrs. Juanita Reeves, Dayton, department president; Mrs. H. H. Herron, 71 Eldon-av, junior past department president, and Mrs. William Beer, Mansfield, past department president and fourth national vice-president, and the Ralph E. King Chapter of Rome.

The musical program is in charge of Glenwood Unit. Two Hilltop girls will also take part in the program, Marilyn Seatkamp, 65 N. Chase-av, and Mary Ann Sayre, 434 S. Warren-v, both accordion students of Charlotte Roe Gamble.

Among those appointed by Mrs. Hoffman was Mrs. Clifford Thompson, 34 N. Warren-av, national inner guard. She was also installed at the New York convention.

PUBLIC COMMENT

Most Agree Holiday Fuss And Feathers Worth The Trouble

The frost is on the pumpkin and sleighbells are ringing in the toyland of every variety, hardware and department store in the community—in short, we're smack in the middle of another modern-day holiday season.

We're amazed to see how little it compares with the festivities that were taking place at this time 50 years ago. In fact, we wondered just how many families do stick to the old holiday traditions, so we asked this question at random this week: "Does your family hold pretty much to the old custom of a big family gathering with a huge holiday meal with all the trimmings, or is it just too much trouble nowadays?"

Mrs. Harold Fast, 110 Letchworth-ev, "We don't get together like that. I guess it's because both my grandmothers had passed away while I was still a little girl so the children never got to go back home at Thanksgiving and Christmas time, we don't now."

Robert E. Temple, 701 Josephine-ev, "We always make a pretty big deal out of it and we take turns at having the family dinner at the holidays. We live a lot faster these days, but I think it's a good thing if families can still cling to the old traditions of getting together at Thanksgiving and Christmas."

Mrs. Harry T. Sisek, 218 S. Ogden-av, "We usually do. Holidays don't seem right unless we try to get together. Whether everyone can make it or not, we always have a great big, old-fashioned dinner. It's a big undertaking, but I wouldn't really call it a bother."

John A. James, 344 N. Southampton-av, "Holidays don't make much difference to us any more because we're getting up in years. I think the fast pace of life today breaks down the old traditions that bring a family together and keep them together. They're a good thing to keep up, if possible, and are worth the bother and fuss."

Mrs. Virgil C. Archer, 2580 Eakin-rd, "My folks live out of town and we don't go home but have a fairly simple holiday meal. I think people should try to make it a large family gathering at least once a year. If their relatives don't live too far away."

It pays to advertise—try it.

NOTHING TO HIDE is the favorite boast of the three Smith Brothers—C. J., G.J. and L. T.—who operate the new and different Bow and Arrow Bargain Mart, 3965 Sullivant-av, just west of the Sullivant Avenue Airport. And the picture above, taken from just in front of the huge display of toys, illustrates what they mean. All merchandise at the self-service store is in plain sight. The merchants, gratified at the success they've had in the five weeks since they opened the doors, plan a grand opening soon after they fill the second huge airplane hanger with merchandise. Not a surplus store, the mart specializes instead in providing customers with low overhead savings on nationally advertised merchandise plus a further saving because of sales volume. Rufus Rissel Is Victim Of Hunting Accident

T/Sgt. Rufus Clark Rissel, 33, of 2238½ W. Broad-st, died at 1:56 p. m. Thursday, Nov. 18, in Lockbourne Air Force Base Hospital of shotgun wounds suffered in a hunting accident Tuesday afternoon, base officials reported.

The blast hit Sergeant Rissel in his right hip and abdomen. Emergency squadmen took him to the hospital where he underwent surgery.

Sgt. Rissell, who came to Lockbourne AFB on July 30, 1953, from an assignment in Korea, was a weapons maintenance supervisor with the 91st Armament and Electronics Squadron.

Funeral services for Walter K. (Mutt) Miller, 66, of 2800 Briggs-rd, killed Thursday morning by an accidental shotgun blast were at 2 p. m. Saturday in the Norris Funeral Home, Grove City.

Sheriff's Deputy James Smith said Miller and Jerry Fridley, 32, of 2454 Clime-rd were loading corn from a flat bed wagon into a pick-up truck just prior to the freak accident.

Miller opened the right front door of the truck to put some papers in the glove compartment, and as he did so, the loaded shotgun fell from the truck and fired, Deputy Smith said. The blast nearly severed Miller's leg.

Santa Claus To Use Helicopter For Easier Landing In Pre-Christmas Visit To Central Point Saturday

Gnome Helper Will Parachute After Landing

"It's easier than landing on a rooftop in my sleigh," said Santa Claus, with a twinkle in his eye, as he pointed to a toy model of a Bell helicopter which had just come from his Toy Shop.

And because it is easier and faster, and Santa is just a passenger without any work to do, Santa Claus is using the helicopter as transportation when he arrives to make his formal pre-Christmas visit to Columbus at Central Point Shopping Center, W. Mound-st and Central-av.

Santa's visit to Central Point will be promptly at 4 p. m. Saturday, Nov. 27. His helicopter will land in a cleared section of the parking area near the main entrance to "The Point" from Harrisburg-pk. The children will have another and greater thrill a few moments after Santa lands, when "Jumping Bean" his favorite Gnome helper, drops into a nearby field by parachute from an airplane.

Santa and "Jumping Bean" will have free candy for every youngster who turns out to greet the aerial caravan. So don't let your children miss this thrilling pre-Christmas event! Be sure to be there in plenty of time before the 4 o'clock landing. Special police will be on hand to handle traffic.

And, oh yes, please tell the kiddies that Santa is using the helicopter only for his pre-Christmas visit. On Christmas Eve he will be as usual with his eight trusty reindeer.

SANTA GOES MODERN—Santa Claus exhibits a toy model of the helicopter which will deliver him to Central Point Shopping Center at 4 p. m. Saturday, Nov. 27. The bearded gent has explained to all his little friends that landing a helicopter is easier by far than a sleigh.

SANTA'S SCHEDULE

TIME: 4 P. M. Saturday, Nov. 27.

PLACE: Central Point Shopping Center, W. Mound-st at Central-av.

PARKING: There is plenty of free parking for everyone. Special police will be on hand.

PARACHUTE: The Gnome, "Jumping Bean" will drop by parachute from an airplane a few moments after Santa's helicopter lands.

FREE CANDY: Santa will have free candy for the children.

After Saturday, Santa Claus will be on duty in the stores at Central Point each night from 6 to 9 o'clock — Saturdays from noon until 9, thru Christmas eve.

LUTHER LEAGUE TO CONVENE

Approximately 500 Luther Leaguers will be in attendance at the 23rd annual Ohio District Luther League convention to be held at Capital University over the Thanksgiving holidays beginning at 3 p. m., Friday, Nov. 26 and ending Sunday, Nov. 28 with the noon meal.

300 Acres Of New Housing Additions Disclosed By Mayor Of Hilliards

At least four new housing developments in the Hilliards area are in the process of getting under way, it was disclosed Monday by Hilliards Mayor Edward F. Patterson.

In addition, progress is reported in the Conklin Subdivision, with a number of homes approaching completion and basements excavated for several more. Streets in this subdivision have been graded and blacktopping of others has already been completed.

The Carl Rogers farm adjoining the Hilliards High School athletic field has been sold and it is reported that the acreage will be subdivided. Adjoining the existing Conklin Subdivision, the Tudor farm, recently purchased by Kelly Conklin, is to be opened up for residential building.

Adjoining town, at the line of the North Grant and the Grant-Wayne additions and fronting on Avery-rd, the 88-acre farm known to old-timers as the "Abe Gray Farm" has been sold by John Dexter, its latest owner, to an undisclosed purchaser. Survey work has already begun there for installation of sewer and water lines, preparatory to platting the area for new homes.

On Leap-rd, facing the McDowell Leap-rd Subdivision, Clarence W. Latham, local broker and auctioneer, recently purchased the 100-acre farm owned by the estate of Charles Leap and plans to subdivide for residential development.

In all, some 300 acres are being thrown open to subdivision in the immediate Hilliards area. It is expected that all will be annexed to the village upon favorable action by the county commissioners. A hearing on the annexation of the Conklin Subdivision has been set for Wednesday, Nov. 22, at the court house.

Commenting on prospective increase in residential units, Mayor Patterson announced that the new sewage plant is designed to accommodate 1,700 connections. He further said that the trunk sewer line is being laid with a capacity to handle the sewerage discharge from 7,000 units, so that whenever the presently designed plant becomes inadequate only the disposal plant will need to be replaced, thus saving future expense of relaying the trunk line to accommodate anticipated loads.

Merchants Act To Stimulate Early Christmas Buying

The 35 merchants of Central Point Shopping Center have declared that they are ready with the reatest array of Christmas gift selections ever and their Santa Claus helicopter visit, with its accompanying parachute jump by Santa's helper, "Jumping Bean," on Saturday at 4 p. m., was planned to stimulate early gift buying by persons with long gift lists.

Frank Salvatore, president of the Central Point Business Association, said that his organization was prepared for the largest Christmas buying since Central Point opened three years ago. "We are proud to be able to say that we have everything for everybody on your Christmas list," said Salvatore.

He declared that Central Point's regular evening shopping hours, until 9 p. m. are a boon to harassed housewives, since it enables them to do their Christmas buying in the leisure hours of evening after the household chores have been completed.

"Our many stores are completely stocked with fresh Christmas merchandise for the the 1954 buying season and our toylands in several stores offer an unsurpassed selection of the finest selections at a wide range of prices," Salvators continued. "Other stores have ample selections of gifts for men women and children in shoes and clothing items.

"In fact," he said, "you can buy everything for everybody on your Christmas shopping list at Central Point, with only one stop to shop."

Point Merchants Boast Gayest Yule Decorations Ever

The merchants of the Central Point Business Association have decked out the Shopping Center area in one of the gayest Christmas decorative schemes ever, association officials pointed out yesterday.

Colorful plastic pendants, lighted from within, are suspended from brackets on the boulevard light poles within the parking area, giving an illuminated Christmas air to the center. Huge plastic lanterns are hung from the lamp posts at the main entrances to the center.

Above the marquees in front of the stores, long roping of Princess Pine festoons will be draped along the store fronts, and the green roping, with the vari-colored lighting of the store signs will give a Christmas tree effect.

Central Point merchants have arranged to have special police in the parking area during peak shopping periods to maintain traffic control.

"Digging a hole down to China," said Ernest.

"Capitalist spy," muttered the stranger, and walked on.

Those Eyes —

How Well Do You Know Them?

Clarence G. "Chubby" Distelhorst, who resides at 297 West Park-av, is a died-in-the-wool Hilltopper and West Sider. His wife, Lorena, is a West Side girl, and their eldest daughter, Eileen, and her husband, James Guthrod, make their home on the West Side. Another daughter, 17-year-old Darlene, attends West High School.

Clarence Distelhorst

Many Hilltoppers recognized "Chubby's" eyes and the little clue about him last week because they have known him ever since he located his grocery, Distelhorst's Market, at 2445 W. Broad-st, back in 1941.

There are many more Hilltop and West Side residents who remember "Chubby" when he was operating the market at 709 W. Mound-st, which was previously owned by his uncle and where he worked at first as delivery boy and later as clerk while he was still in school.

"Chubby" is a well-known member of the HBA and the Mentenwood K of P. His main hobby is bowling in the Retail Grocer's League. He is a charter member of the league, which joined forces in 1939, and was elected its first president. He claims only a fair rating but says that his bowling still holds a great deal of enjoyment for him.

Take a good look at our mask this week. You don't have to be an old time Hilltopper to have seen "those eyes" recently. Our mystery personality's theme song might well be, "Hi Neighbor!"

EVERY DAY THANKSGIVING DAY

Dear the people coming home,
Dear glad faces long away,
Dear the merry cries, and dear
All the glad and happy play,
Dear the thanks, too, that we give
For all of this, Thanksgiving Day.
Harriet Prescott Spofford.
(Written about 1900.)

Mail—From Cleveland: "Wonder what the newspapers will find to print after this trial is over? Too bad there isn't more space given to pleasant happenings" . . . From a Columbus teacher: "I wish the Armistice Day poems in your column had appeared before Armistice—or Veterans'—Day. We had been trying to find that particular poem of Grantfield Rice's and one or two others that you printed. We wanted to read them as part of our small program, the day before. We have not been able to find many Thanksgiving Day poems. Perhaps you could help us" . . . (Sorry, I couldn't find a poem for Thanksgiving either, but did find the above verse in Bartlett's Quotations) . . . From Mt. Vernon, also from a teacher: "Do you happen to have a poem of Victor Hugo's in your collection? If you have any tucked away some place please send them along" . . . From my Thornville 'Dirt Farmer' friend: "Winter came early to Honey Creek in 1954. Snow blanketed the willow trees that still were green. Maple leaves of brilliant hue sifted down with the snow flakes. Wild ducks by the hundreds looked up from Cranberry Marsh into a snow storm and realized they were far, far away from the Southland. Now they are pointing toward the southern horizon high above the corn fields, and many an onlooker, remembering bitter winters, secretly wishes for wings to go along."

A PRAYER FOR ALL

'Tis not for me to intercede
As proxy for the human race;
Have I not ample cause to plead,
Myself, a sinner asking grace?

No, if from earth, by vice defiled,
Should be upraised a prayer today,
That voice be yours, oh little child,
Who hardly knows for whom you pray.

While on ourselves temptations dire
And pitfalls deadly ever wait,
Let children's prayers, a cherub choir,
Like incense, mount to Heaven's gate.

Victor Hugo.

This poem is included in a volume of French poetry published in 1921. The book was given to me in 1939, by Mr. H. E. Cherrington, well-known music and drama critic and publicist. He probably doesn't remember me by now, much less that he gave me the book. But nobody fortunate enough to know him ever forgets him—and I'm not on his payroll as his press agent either. He is one of Columbus' first citizens.

Why don't some of you poets send some verses to Ye Editor? He says no box tops, no prize, no nothin' but your poem in his column, which would be an honor.

By private Waterloo—the person who tells you how the book you are reading ends . . . mothers who report their offsprings' "misdeeds" to daddy when he gets home after a hard day and asks him to punish the children, then brag to all and sundry that THEY never spank their kids . . . ironing curtains . . . telephone advertising, which is still going strong. With apologies to Bobart who wrote the original, here is a po-em:

Count that day blest
Whose low descending sun
Views from thy phone
No advertising done.

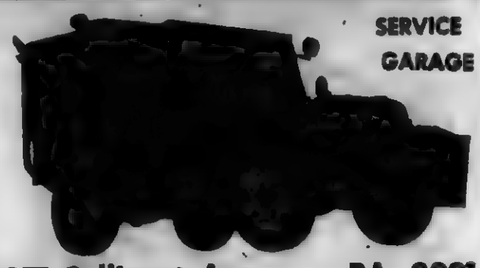
In Passing—A closed-for-the-winter Dairy Queen stand in Newark displays this sign: "See you next spring." Under one of the signs somebody had written: "Not me, I'll be in the Army" . . . My favorite six-year-old thinks maybe Santa Claus should bring her a typewriter this year so she "I might break yours, Grandma, when she comes to visit. She added "I might break yours, Grandma(but I wouldn't mean to so it would be better if I had one of my very own" . . . Here is a verse swiped from a medical journal:

Just outside the medic's office
The gentleman took a fall.
He said "Scoop me up and take me inside
So I'll only have to pay for an office call."

DECEIVES



Two girls, walking home together were discussing their current heart interests.

Said one: "Now I ask you, Isabel, how could I like him. He's so deceitful, pretending to believe when he knows I'm lying to him!"

OLD FASHIONED...

like washday without an Electric dryer

Housewives! Turn your back on old-fashioned washday drudgery! Buy an automatic electric clothes dryer and you'll eliminate clothes line disasters, lugging heavy baskets of wet clothes, hanging clothes indoors and sprinkling piece by piece. Your automatic electric clothes dryer will fluff dry your clothes as easily as ABC. Simply place the clothes in the electric clothes dryer, set heat control, turn on the automatic timer switch and take the clothes from the dryer damp dry for easy ironing, or fully dry, wrinkle free and ready to put away.

A RESTAURATEUR HORATIO ALGER

'Adopted' Hilltopper To Open New Four-Way Restaurant

Very few "old-time" Hilltoppers are surprised at this latest project of Tom Zelkoff. And practically none of them have the slightest bit of doubt that Tom will be able to accomplish just what he's set out to do — make his newest restaurant, The Explorer, truly the end of the trail for those who are seeking excellent cuisine at down to earth prices.

It'll be open soon at Grandview-av and Dublin-rd. The Explorer, named for justly famous eating clubs in London and New York City, will be operated by a separate corporation consisting of Tom and Robert Williams, well-known Columbus trade secretary.

And you can bet your bottom booth that the dozens of Hilltop friends who made it a weekly, or even a daily habit, to stop in and pass the time of day with genial Tom during the nearly 15 years he operated the Broad-Hague Restaurant "on the Hill" will welcome the opportunity to stop in on Tom in his newest location.

Tom's record, from the moment he came to America as an emigrant from Northern Macedonia at the age of 16, has been one of work of the hardest kind — lifting oneself by the bootstraps.

Born into a family whose occupations included wood carving, logging, charcoal, a trade, and farming, Tom came to America at the wish of his father, who saw much more opportunity for a growing lad in American environs.

For the first eight or 10 years in this new land, Tom worked at a variety of jobs, including helper in a stove firm, delivery boy in a store, bakery helper, and even driving a horse-drawn baker's delivery wagon. His first two "hometowns" in America were Newark and Massilon, O.

These early years were filled from dawn until late at night as Tom studied English in night schools of the YMCA and other agencies. In 1928 he went to California and from there to San Antonio, Tex., where he worked in a grocery for a year.

All this time he nourished one idea — that he would be able to some day own a restaurant which would produce truly good food for a family clientele. Food, diet, and nutrition became his lifelong study.

When he opened his Hilltop restaurant at W. Broad-st and Hague-av in 1930, where Jimmy Phillips still operates a restaurant, Tom found many friends. Through the depression years he managed to keep the firm going, largely through the patronage of his ever-growing circle of personal friends and the reputation of his good food and reasonable prices. In 1944, when he left the Hilltop location, the tall, genial restaurateur with the build of an athlete, was missed by dozens of Hilltop friends.

In 1922, Tom, who was then going to night school at Ohio State University, met and courted successfully the former Edith Ray of Zanesville. Brought together originally because of their interest

Tom Zelkoff

in diet, the meeting and marriage a year later interrupted a musical career for Mrs. Zelkoff who had come to OSU to continue the study of cello, taken up several years before at the Oberlin Conservatory.

Mrs. Zelkoff's mother is vice-president of Ohio Wesleyan University.

For the most part, Tom prefers to practice what he describes as "my own homely brand of religion." A total abstainer from tobacco and alcohol, he has never permitted the sale of beer or any other alcoholic beverages in any of the restaurants. "That way I've been able to preserve the family and kids atmosphere," he says.

A member of all Masonic orders, Tom's hobbies include reading and photography. When he returned last month from a 30-day tour of Europe, with stops at his home town in northern Macedonia, Rome and Athens, he brought back a multitude of color shots.

The Kelikoff family, which includes three daughters, moved from the Hilltop in 1947 and now lives at 2115 Waltham-rd in Arlington.

The Explorer will feature medium priced meals and a menu purposely limited to preserve the excellence of the food. With 2.1 acres for parking, one of the four features of the establishment will be a drive-in, made startlingly modern by the fact that waiters will "walkie-talkie" the orders to the kitchen to speed up their preparation.

In addition to the carry-out department, The Explorer will have a pastry store with baked goods made on the premises, a coffee shop from which customers can look right into the spotless kitchen, gleaming with all the latest equipment, and in which most foods will be prepared by steam heat, and the dining room.

Tom also owns two Tom Thumb restaurants, one downtown and the other on Neil-av near the university. Also, he owns the property on which the East Side Beverlee Restaurant is located.

Jack Bischoff, his manager at The Explorer he describes as about the finest restaurateur we could locate." A veteran of many years in the field, Bischoff operated the Goody-Goody Restaurant in Santa Monica, Calif., for eight years.

DONATIONS NEEDED

The St. Mary Magdalene women are busy gathering usable clothing, shoes and bedding as their part in the annual Thanksgiving clothing collection for the refugees of the world.

Mrs. Orville Todd, chairman, has asked that these items be brought to the shelter house, Roys and Parkside-av, or call RA. 9514 and they will be picked up. On Dec. 2 the ladies will sort and pack to ship overseas.

YOUR YOUTH
By Dick Wilson and Bob Schmidt

The beating of the tom-tom was heard loud and clear Thursday evening at the West Broad PTA Dads' Night. The Y Indian Guide induction and dance team entertained the dads with the Indian Guide induction and several Indian dances. Big Chief Frank Watts led the induction team and was assisted by Assistant Chief Stan Rouff, Peace Pipe Bearer Stan Ruoff, Medicine Man Bob Schmidt, and Little Braves Derwood Watts, Dwight Roederer and John Grashel.

The Indian Guide dance team presented a new humorous dance entitled the "Beaver Dance", which was well received by the audience.

The induction and dance team will travel to Mansfield, Dec. 12, to induct approximately 75 new Indian Guides. The Hilltop Y Indian Guide induction and dance team is becoming known throughout the state and has received recognition for its outstanding Indian Guide inductions.

Again this past Sunday afternoon the YMCA building at the corner of Broad-st and Harris-av was buzzing with activity. Many volunteer dads and youth were busily remodeling the old home which will become the new Hilltop YMCA headquarters. It certainly is a thrill to see the genuine interest exemplified by these dads and youth. This enthusiasm will mean that the Hilltop in the very near future will realize a dream—adequate YMCA facilities for the Hilltop community.

If any of you Hilltop people are available this coming Sunday at 1:30 p.m., put on your overalls and make tracks to 3725 W. Broad-st. We can use your help.

AN APPLE A DAY

West Senior High Economics Class Tests 30 Recipes Calling For Apples

AN APPLE A DAY—And more, too, might very well be the theme of these West High home economics students who have tested 30 different apple dishes in observance of National Apple Week. Left to right they are: Karol Lotz, Patty Diedrich, Joann Kelly, DeAnna Ward, and Shirley Cartwright.

The home economic classes of West Senior High School recently observed National Apple Week. The girls and their teacher, Miss Ona Prather, have been experimenting to learn the various ways to prepare apples in connection with this observance.

"So far we have made 30 different and appetizing apple dishes," said Miss Prather. "The cooking classes especially liked one called Apple Crisp."

Four girls from one of the home economic classes appeared on Glenna Hunter's television program, "Teens and Twenties," on WBNS-TV on Saturday, Nov. 13. DeAnn Ward, JoAnn Kelly, Shirley Cartwright, and Patty Diedrich cooked and demonstrated on this half-hour program. Among the tantalizing apple dishes on the program were cinnamon apples, apple compote, apple butter and jelly, old fashioned dutch apple pie, apple dumplings and a beautiful apple centerpiece.

The girls have been working hard but their efforts showed in the colorful, delicious and spicy smelling goodies that they turned out. Each and every one was fit for a king.

HUNTER'S LUCK

Ohio hunters who took to the fields on the first day of the hunting season found both pheasants and rabbits spotty, rabbit hunting success, statewide, was about the same as last year. Rabbit decreases showed up in intensively farmed areas of western and central Ohio. More gabbits were taken in southeastern Ohio than last year and some areas of the Miami Valley also showed an increase.

According to the latest reports, the statewide pheasant kill was down about twenty percent from last year although the number of pheasants seen did not show as heavy a decrease. The grain cropped areas (north-central Ohio) showed a definite decrease. The heavy cover remaining over much of the state, no doubt, had much to do with the decrease in amount of game taken.

OCTOBER BOND SALES

An increase of nearly 17 percent in Octobes purchase of Series E and H Savings Bonds by Ohioans brought the state to 80 per cent of its 1954 quota accomplished, Albert E. Binder, chairman of the Franklin County savings bonds committee, reported this week. Sales in Franklin County for October were $1,869,301, and compare to E and H investment of $1,451,357 for the same month a year ago.

Mr. Fix-It Tackles Problem Of Parking In Street-Center Parks

Dear Mr. Fix-It:

I am a mother of four active children, three of them boys, and the brood ranging in age from 6 to 16. We live on one of the Hilltop streets that has a parkway in the middle.

What has me puzzled is simply this: Time after time children in the neighborhood have been forbidden to play in these parkways and occasionally police cruisers have chased them off. Yet, it seems to me, that the very same adults who call the police to complain of our children are the same ones who park their cars in the middle of these parkways on Saturdays and Sundays for washing and painting and whose cars are found there almost every evening after dark.

Would it be possible for the police to be just as stern in their enforcement of no-parking rules as they are in chasing away the kids? I'm sure that the children do less damage by far than the autos.

A Hilltop Mother

Mr. Fix-It Says:

Sgt. Harry M. Gaty, who is in charge of the cruiser squad of the Columbus police force, tells me that your complaint is certainly legitimate. They have been having trouble with "parkway parkers" for some time.

Sgt. Gaty stressed that use of the parkways for parking is illegal but many residential motorists, having seen it done, follow suit, not realizing that it is against the law. Consequently, they are first contacted through their license number and warned of their violation. If the violation is repeated their car is impounded and the party faces a fine for violation of parking laws.

Sgt. Gaty added that only two or three cruisers regularly patrol the Hilltop area, and they are kept busy on police runs, therefore surely violators go unnoticed unless reported by neighbors.

Give This Some Thought For Christmas Giving

A new slant on Christmas giving has come to the fore this year with many large business firms sending out cards to their customers and stating that instead of an individual gift to a number of their customers they are this year making a contribution to a needy charity or other worthwhile project.

This way a gift is shared by many and the real meaning of Christmas is far better expressed than would be by the former commercial procedure.

With this idea as a starter we'd like to suggest that people of the community express their appreciation at Christmas time with a gift to the building fund of the Hilltop YMCA.

In the not too distant future a very extensive campaign will be launched to provide funds for the erection of a fine Y facility on the Hilltop which will be used by both youth and adults. For years there has been such a need. The fund has been started and at present is at about the $50,000 mark.

There could be no finer observance of the real spirit of Christmas than to add your support to this worthy cause. It will speed up the realization of this project.

Such contributions may be made to the Y building fund through H. G. Deems, at the First Federal Savings & Loan Association, Warren and Broad. Acknowledgement of the gifts will be made through the Record.

Your bit at this time . . . large or small . . . will make it a Merry Christmas the year around for thousands of people for years to come.

A FITTING TRIBUTE

Funds Sought For Hauntz Park 'Memorial Of Trees'

With $100 already advanced out of their treasury, members of the Highland Garden Club this week launched an effort to raise an additional $400 to endow "a living memorial" to the memory of the late Ray G. Hauntz, beloved Hilltop grocer, civic leader, and benefactor of youth.

All Hilltop organizations and friends of the late Mr. Hauntz are invited to join in that project.

Mrs. W. D. Xander, Highland Garden Club president, has announced the formation of a Hauntz Memorial Fund Committee within the club to secure funds with which to purchase some 20 shade trees to be planted in Hauntz Park between Columbian and Woodbury-avs south of Sullivant-av.

The park, which was named in honor of the well-known Hilltopper who died in May of 1944, has recently been the object of extensive work by the City Division of Parks and Forestry. When all improvements are completed it will feature a fenced in play area, a hardtop section for games, swings and other recreational equipment and a wading pool.

Raymond Dietz, superintendent of the division, was recently approached by members of the Highland Garden Club on the subject of planting trees in the park, which next year should be a model of well-equipped summer parks for children. He recommended the planting of some 20 shade trees and mentioned maple, sweet gum, green ash and pin oak.

The Division of Parks and Forestry will plant the trees if a total of some $500 to purchase relatively large growing trees can be raised between now and the first of the year. Dietz has cautioned members of the club that waiting much beyond the first of the year would make the planting of the trees too late in the season for maximum growth.

The Highland Garden Club considered the memorial idea at its December meeting at the home of Mrs. Paul Leighninger. Members voted unanimously to contribute $100 to start the project rolling.

Mrs. Xander has named to the Hauntz Memorial Committee the following members: Mrs. C. V. Williams, chairman; Mrs. R. J. Miller; Mrs. E. D. Myers; and Mrs. Earl Taylor. Named to assist the group in an advisory capacity was Mrs. Ray Cave.

Mrs. Williams, chairman, has asked all those who knew and admired the late Mr. Hauntz, members of the many civic and business groups to which he belonged, political associates, and leaders in youth work throughout the community to join in the tribute to the late Mr. Hauntz, whose wife, Mrs. Edith Hauntz resides at 18 N. Huron-av.

She invited those individuals and organizations wishing to contribute to the fund to bring their donations to the Hilltop Record office, 2465 W. Broad-st.

"I can think of no more fitting tribute to Mr. Hauntz than to have trees planted in a park devoted to the happiness of children, whom he loved so much," Mrs. Williams declared.

When Mr. Hauntz died suddenly at the age of 50 following a heart attack, the entire city was saddened. His death came as a shock and a distinct loss to the Hilltop and the city as well. The Columbus native who had been in the grocery business for nearly 30 years on the Hilltop was a councilman at the time of his untimely death.

Active in nearly all civic endeavors and most every club or organization devoted to the welfare of his fellow man, it would take a book to list all his accomplishments and worthwhile efforts.

To point out only a few: He was instrumental in getting a modern athletic field for West High; as a member of the school board he helped pioneer the move to make school playgrounds available during the summer months; and he was largely responsible for the solving of many vexing traffic problems, both on the Hilltop and elsewhere in the city.

A tribute voiced by the Columbus Citizen at the time of his death will bring to many the memory of this kindly man, so deserving of a living memorial such as the Highland Garden Club seeks for him:

"He was a man well endowed with ability and had the wisdom and kindness to use that ability for the benefit of the community in which he lived."

Newsies Will Attend Church Service Sunday

Members of the Charity Newsies will attend worship services in a body at Westgate Evangelical United Brethren Church, 61 S. Powell-av, at 10 a. m. Sunday, Dec. 5. It is an annual custom of the welfare organization to make such a Sabbath pilgrimage on the Sunday before its annual "Open Your Heart" paper sale drive.

Rev. Harold Dutt, pastor of Westgate EUB, extended the invitation to worship with his congregation through Fred Moritz, president of the Charity Newsies.

Members have been asked to bring their children who may attend Sunday School classes at the same hour.

The Charity Newsies, who help needy children of school age, will be holding the 48th annual paper sale drive Saturday, Dec. 11. The old-time newspaperboys then will be seeking to build the fund that means alleviating distress among youngsters who must have new clothing and new shoes to insure their normal attendance at school.

Hilliards Planning Group Calls Special Session

The Hilliards Local Planning Commission has called a meeting with real estate developers interested in the property around and adjacent to the village, to discuss various relating matters at the Hilliards fire house at 8 p. m. Friday.

All persons interested are invited to attend. Also persons interested in the expansion of the sewage treatment plant are invited to be present.

TRAINED TO WELCOME—Recently returned from New York City where she attended a 10-day training class for Welcome Wagon Hostesses, Mrs. Kay Louise Heller, 172 Norwich-av, is shown with Mayor Edward Patterson of Hilliards, as he prepared for her a letter of greeting to be presented to the families she visits in Hilliards. Each newcomer will receive an invitation to the Hilliards Welcome Wagon Club for Newcomers, which will be formed by Mrs. Heller and Evelyn Jones, supervisor for Welcome Wagon in this area. In addition Welcome Wagon Hostesses introduce residents to local merchants, organizations and churches with literature and gifts.

Record's Annual Flow Of Silver Dollars Will Start On Friday

All Hilltop Record employees will draw their wages in stacks of silver dollars on Friday, Dec. 3, in an inspiring annual demonstration of how Hilltop dollars tend to remain in the community. The convincing demonstration was first launched by the Record in 1948.

The distinctive silver dollars are expected to find their way into the tills of every independent merchant on the Hilltop. From past experience it is known that the majority of these "cart-wheels" will end up in the cash drawers of Record advertisers, for these merchants have gained the justifiable reputation of selling quality merchandise at the lowest possible prices.

Introduction of the silver dollars into the community in December is tied up with the figure of Jolly old Santa Claus in at least two ways. First of all, any Hilltop resident who brings one of the silver dollars into the Record office, 2465 W. Broad-st, between Friday and Jan. 1, 1955, will receive a special bargain-rate, nine-month subscription to the Hilltop Record for giving the dollar back to its probable point of origin.

Secondly, the flow of silver dollars into the community at this time of the year, presents an opportune occasion spotting one of the seldom-seen coins in change. The cartwheels make admirable and treasurer gifts for small fry and adults alike.

NAVY VET TO SPEAK

U.S. Captain Lester M. Merritt, veteran of service in Pearl Harbor on the day of the infamous Japanese "sneak attack," Dec. 7, 1941, will be the speaker at the 6:30 p. m. dinner meeting of West Franklin County Kiwanis Club today in the Colony Restaurant.

Lincoln Village School Cited As Model For Use In Additions

With housing developments pouring more children into already overcrowded building, and creating grave problems for boards of education all over the nation, Prairie Township's Lincoln Village School has won national recognition as a quick, effective, and eye-pleasing answer to the problem.

Lincoln Village School has been visited recently by delegations of builders from several states. Educators have inspected the plant with the idea in mind of using a similar layout to house pupils in their own districts. The school has also been the subject of much written publicity and the basis of several feature stories in national trade publications.

R. M. Eyeman, superintendent of education for the state of Ohio, after a recent inspection, recommended this plan of action to housing developers and boards of education. Eyeman commended Franklin County Schools Superintendent George Berry, the Prairie Township Board of Education and the Peoples Development Co. for devising such a completely workable and feasible solution to the school housing problem.

Lincoln Village school consists of what would ordinarily be double houses, with the interior partitions of each unit left out so that one large room is formed on each side. Between the two large schoolrooms are bathrooms and alcoves for storage. Thus, each classroom has its own toilet, drinking fountains, and lavatory. With the most modern types of classroom furniture, there is ample space for the average size class group. Each classroom opens directly onto a covered carport which provides covered play space for use in inclement weather.

The double houses are connected by long, colonial-style colonades which weld several double classroom units into one building. The unique feature of the design which attracts builders is that heating and plumbing systems are so arranged that when the units are no longer needed for school purposes, installation of interior walls is all that is needed to convert the property to five-room dwelling units. Completely sodded and landscaped, the school is beautiful as well as practical.

Helen M. Nelson of 2276 Gardner-rd, Prairie Township, is in charge of the school. Estella C. Prior of 483 Royal Forest-blvd, Mrs. Helen M. Daniels of 2274 Woodstock-rd, and Mrs. Freda F. Deeter of Lincoln Village are the teachers.

Luther B. Turner Masonic Lodge To Build New Temple

Canvass Of Members For Bond Sale To Start After New Year

Plans for the construction "in the near future" of a new Luther B. Turner Lodge temple were disclosed Monday by Herman Eisele, president of the Turner Temple Co.

The company, made up of lodge members and incorporated under state laws this past summer for the express purpose of selling non-profit bonds or certificates to members, will hold its next meeting on Dec. 16 in the home of Eisele, 156 S. Algonquin-av.

At this time, Eisele said, plans will be made for a canvass of each of the more than 300 members of Luther B. Turner Lodge 732, F&AM, shortly after the first of the year. Members will be offered bonds of $10 and $100 denominations.

"The faster bonds are sold, the faster we'll have our temple," Eisele declared. He said that few firm plans had been made concerning the new temple, although it was definitely known that the structure would be a one-floor plan and include a full basement.

Several sites are under consideration, Eisele disclosed, but no definite decision has been made. It is known, he said, that the new temple will be either on the Hilltop or in the western portion of the city.

Rapid growth of the Turner Lodge plus crowded conditions at the West Gate Temple 2925 W. Broad-st, where the lodge now meets, were listed as chief factors in the decision to build the new lodge, Eisele reported.

The seven trustees of the Turner Temple Co include Jack Bover, vice-president; Jack Burr, secretary; Cranston Williams, treasurer; and Ralph Exman, Ivan Cotterill, and Kenneth Rompaner.

Township Awaits Delivery Of New Emergency Truck

A new emergency truck for use of the Fire department was placed on order last week by the Franklin Township trustees. Built to specifications of some of the most modern emergency vehicles, the new truck is expected to be delivered in about 60 days.

Emergency squad service was first put into operation by members of the Franklin Township Fire Department about two months ago. At present it is being operated out of the No. 3 fire station in Briggsdale. Squad men are on duty and subject to call 24 hours per day.

When the central fire station is completed at 4100 Sullivant-av, the emergency service will be operated out of that location to better serve all portions of the township from a more central location. The building is scheduled for completion in May 1955. By that time it is planned to have a new aerial truck in service to offer residents and industry the latest type of equipment needed for any fire emergency that might arise.

The Franklin Township Fire Department presently operates three 500 gallon pumpers in addition to a utility truck outfitted for emergency service.

POINT SHOPPER CAN HELP YOU

Have you started your Christmas shopping yet? Jeri Jahn, the Central Point Shopper, can give you lots of clever hints on how to save time and money during the battle of the Christmas rush. In her weekly shopper's guide feature, "Straight to the Point," which may be found on page 13 this week, Miss Jahn pinpoints many of the fine bargains from the Central Point Shopping Center that are sure to delight the most "hard-to-please" person on your Christmas list.

It has been proved by a recent random survey that folks just naturally dislike the down town holiday crowds. Why not take a tip from Jeri Jahn and avoid them this year by keeping an eye on the gift items she offers you in her friendly and personable column each week? Remember, when you shop at the nearby Central Point Shopping Center, you buy the best—at a bargain!

Marine Reserves Launch 1954 'Toys For Tots' Appeal

In conjunction with the program of the Marine Corps Reservists in the Columbus area, soon to launch their annual Christmas campaign, "Toys for Tots," Mayor M. E. Sensenbrenner, in a proclamation issued Nov. 27, urged Columbus residents to support the program, scheduled for Nov. 27 - Dec. 10 and designed to provide needy children with a toy on Christmas morning.

According to Norman Ingmire, 2176 W. Mound-st, chairman of the Southwest District, the campaign will be climaxed on Dec. 11, when Mr. and Mrs. Public are asked to have a new or usuable toy available to be collected by Cub Scouts, Boy Scouts, and Explorer Scouts, who will take them to the sub-collection centers for this district: No. 6 Engine House, 536 W. Broad-st; No. 10 Engine House, 1084 W. Broad-st; No. 17 Engine House, 2300 W. Broad-st; No. 12 Engine House, 3200 Sullivant-av; Nippert Electric Products Co., 1759 W. Mound-st; and Sullivant Gardens Center, 650 Van Buren-dr.

Vernon D. Sanford, scouting district commissioner of the Southwest District, emphasized that the collection centers will be established for one day only — Saturday, Dec. 11. After the toys have been delivered to the collection centers by the Scouts, they will be picked up by the Marines who will, in turn, sort and prepare them for distribution.

The project was started in 1948 by reservists who had seen heartbreaking numbers of unhappy children in other lands during World War II. Last year, the campaign conducted here in Franklin County was one of the most successful in the nation. Over 150,000 toys were collected. The only other community in the nation that topped this record was Philadelphia, Pa.

Traffic Commission Says Hilltop's One-Way Street Program Deadline Feb. 1

The city traffic commission set Feb. 1 as the deadline date for the completion of one-way street sign installations on the Hilltop at its meeting Tuesday afternoon.

Traffic Engineer James V. Musick said that 200 one-way signs will be ready for use in about two months. Legislation to set up the alternate direction streets between Eureka and Hague-ave is currently being drawn. Initially the streets will be one-way only between Broad and Mound sts.

Erlenbach Says He'll Retire After 40 Years As A Hardware Merchant

It was announced late last week that Erlenbach's Hardware Co., after 10 years of service to the Hilltop at 2409 W. Broad-st, was going out of business and would hold a huge sale in conjunction with this act of termination.

Harold W. Erlenbach of 2464 Westwood-dr, owner of the store and a Hilltopper for the past 17 years, stated in making the announcement, "I certainly want to thank all these wonderful Hilltoppers for their fine response, but after 40 years in the game, I decided I need a rest. I have so many things to do at home. Possibly my wife and I will take a trip in the spring and after that I've been thinking of building some houses."

He added that he intends to sell everything in the store, either by continued selling, or by selling the store, long established in this community, as a unit. Sale discounts on such items as tools, garden supplies, kitchenware, wheel goods, cutlery, fishing equipment, and small electrical appliances range from 20 per cent to 50 per cent.

BIGGEST AND BEST EVER

Final Plans Announced For Annual Sale Of The Kiwanis Club's Christmas Paper

Final plans for the "biggest and best" sale of the annual Christmas newspaper of the Hilltop Kiwanis Club were announced Monday by Martin T. Boyer, general chairman of the drive.

He gave emphasis to his claims of "biggest and best" by revealing that the paper would not only be carried to the doorstep of every house on the Hilltop on Thursday evening, Dec. 16, as has been the tradition, but that it would also go to all the myriad subdivisions and housing developments bordering on the area for the first time.

Spearheading the 1954 Christmas sale will be the auction of first editions during the luncheon meeting of the Hilltop Kiwanis Club at noon Thursday, Dec. 16. Clarence Latham, Hilliards auctioneer, expects to get "top dollar" for these editions from the majority of civic and business leaders from the Hilltop and other portions of the city who have already promised to be present to take part in the spirited bidding. Harold Fox is chairman of the auction.

The auction traditionally accounts for a substantial proportion of the intake in the annual sale, "100 per cent of the profit from which will go into the Kiwanis Club treasury for the use in such projects as youth work, welfare work, civic betterment, schools, Boy Scouts, Little League baseball, Hilltop YMCA assistance, and support of religious activities."

Some 250 volunteer helpers will enjoy a "pep session" and dinner at 6 p. m. Thursday, Dec. 16, in the West High cafeteria. Mack Pemberton, who heads up the Kiwanis committee in charge of arrangements at West High, has announced that the Kiwanikwe, ladies auxiliary of the Kiwanis Club, will serve the dinner. Mrs. Noble Allen, Sr., is chairman of the Kiwanikwe dinner committee.

Noble Allen, Sr., will be in charge of distribution of the paper

PLEASE TAKE NOTE OF OUR NEW TELEPHONE NUMBER

Effective Monday, Dec. 6, the telephone number of this newspaper will change to JO. 9444. Display advertisers, want-ad users, and club and organizational publicity chairmen are asked to take careful note of this new number. Placing it in your copy of the personal telephone directory beside your telephone or writing it on your calendar or some other spot NOW will pay big dividends next time you are in a hurry to reach this office.

The new number is actually the second step in improving the telephone service for the convenience of you and our staff as well. Several months ago a new rotary type service was extended to us to cut out those annoying busy signals. In order to gain this service earlier, we were forced to accept JO. 7331. The new number will remain in effect until a new exchange is created in this portion of the city sometime next year.

Remember the new number, JO. 9444. Writing it down now will bring you faster service and help us avoid confusion attendant with the change.

Five Local Youths Held For Breaking, Entering At Prairie Twp. School

Quick thinking on the part of Prairie Township School Principal Paul Noblitt and good lights on his automobile were credited Saturday night with the apprehension of four Hilltop youths and a New Rome teen-ager surprised in the act of looting the Prairie Township School.

Noblitt, who went by chance to the school late Saturday, observed three youths around a strange car parked in the school yard. He flashed his lights on the license plates, then drove across the street to the home of Constable Holt. Holt and Noblitt returned to the school yard, but the intruders had fled.

County Sheriff's deputies traced the license number of the vehicle and located the driver of the car, who in turn, identified the other four youths. They were all being held Tuesday by county juvenile authorities on charges of breaking and entering.

Meanwhile Noblitt and Holt returned to the school, where they found the Coke machine had been jimmied, coffee and syrup had been spilled around the cafeteria, and a large pile of matches had been left beside the school safe.

Sheriff's deputies were attempting Tuesday to link the five youths with the theft of a safe, which was carried from the school earlier this year.

Hearing Postponed On Hilliards Annex Petition

Franklin County Commissioners postponed the hearing on the petition for annexation to Hilliards of the Mary K. Conklin Subdivision last week because grounds in addition to those originally seeking annexation were later included in the petition.

The commissioners ruled that the petition would have to be redrawn and the real estate desired to be annexed properly described. Hearing on this amended petition is expected some time in early January.

Soldier Son Of New Rome Couple Tells Interesting Tales Of Korea

By Mrs. James W. Whalen

All good things must come to an end and so it was with the two-week leave enjoyed by Army Sgt. Wayne L. Randall, son of Mr. and Mrs. Marion I. Randall, 113 Buena-Vista-av, New Rome. He said goodbye to his family Saturday evening, Nov. 20, and returned to his unit, the Dispensary of the Ordinance Corps 3689, Tooele, Utah.

Wayne enlisted on Oct. 22, 1949, and was assigned to the Medical Corps, completing basic training at Ft. Knox, Ky. He was sent to the 250th General Hospital Corps for one year at El Paso, Tex. Later he went to the Fitzsimmons General Hospital, Fitzsimmons, Col., and then to Osaka, Japan, where he was stationed with the General Hospital 279 Corps. Next he had 15 months of service in Korea with the 7th Infantry Division as an airman.

He returned to the U.S. in April, 1952, and re-enlisted in Jan. 26, 1953. First assignment in the new hitch was Letterman General Hospital in San Francisco, where he was in service until September of this year, at which time he was transferred to Tooele, Utah.

Wayne enjoys his work and feels that he has been privileged to receive such excellent specialized training in hospital and clinical work. When asked about his overseas duty, he indicated that he liked it, but stated that while the weather in Japan was comparable to ours, possibly somewhat milder, the winter in Korea was terrific. He found that the Japanese people were immaculate and so very courteous and friendly.

Impressed by the artistic and pleasing way the Japanese serve their meals, he was equally impressed by their lovely flowers and noted that their flower arrangements were very beautiful. He was a guest several times in Japanese homes.

The sergeant observed that the Koreans are very hostile to all foreigners, having an intense hatred for the Japanese. Korea is a proud nation having boasted is own dynasty and royal family and art treasures before looting, first by Japanese, an later by the Chinese Reds.

The Koreans were a surprise to Wayne, as he had not expected their startlingly white skins and intense black hair and eyes. They are called "The Irish of the Orient," and are of Chinese and Mongolian races.

Wayne visited and was stationed in Seoul, which he describes as quite modern. He said that the nation as a whole is very downtroden and backward.

CARBON MONOXIDE DANGERS

Each year many persons are killed or made seriously ill by fumes containing carbon monoxide from unvented or improperly vented hot water heaters, stoves and other type heaters, according to Chief W. G. Strickfaden, Chief of the Columbus fire department. Strickfaden said that most all heating appliances require a vent to carry the fumes to the outside where they can do no harm.

Carbon monoxide is a colorless and odorless gas produced during various stages of burning and when allowed to accumulate in a closed area, can cause death. Dr. Robert Evans, Franklin County coroner, states that carbon monoxide breathed into the lungs combines with the blood in the body more than 250 times as readily as oxygen. Consequently, only a small part of one percent can produce death. Avoid a tragedy this winter season is your home by checking today for any appliances not properly vented.

Majority Say Rudeness Takes Fun Out Of Christmas Shopping

It seems that every time we mentioned Christmas shopping this week somebody moaned. We figured it must be because there is something people dislike about Christmas shopping (besides spending their money), so we made a little investigation to find out what it was and what could be done about it. Here were the answers we received from readers at random on this question: "What do you dislike most about holiday shopping?"

Mrs. Paul Cleyborn, 576 Demorest-av: "I think I dislike the crowds most, but I believe you don't get into such awful crowds if you try to do most of your buying out here in the community instead of down in the city."

Mrs. R. D. Thorne, 673 Racine-av, "The irregularity of the buses bothers me, and the awful crowds on them. I've lived on the Hilltop 11 years and I'm just beginning to realize that I can buy most of the things I want out here. I'm going to try to overcome that awful bus problem by doing most of my Christmas shopping right in the neighborhood."

Patty Blythe, 10-year-old daughter of Mr. and Mrs. Harrison Blythe, 845 S. Eureka-av: "I don't like having to go down town on the bus. There are always so many people pushing and shoving and they crowd so many people on."

Mrs. Walter Gammeil, 345 S. Hague-av, "I do most of my incidental shopping out here on the Hill because it's closer, but once in a while I go downtown. It's especially awful at Christmas because the stores are jammed full with everyone pushing and shoving so you can't see anything."

Mrs. ex N. Parrish, 237 N. Burgess-av, "I shop pretty much out here at the shopping center and the stores in the Hilltop business district because I have two youngsters and I can get to and from my shopping much quicker so I don't have to be gone long. I guess I dislike being pushed around by crowds the most and you don't have any of that out here."

Cowboys Drop One, Win Upset, Will Meet South On Friday Eve.

By Woody Owen

West High Schools' Cowboys opened their 1954-55 basketball campaign by dropping a well-played contest to the East High Tigers, the pre-season favorites to cop the city league crown, by a score of 63-57 on Tuesday night, Nov. 23.

On Friday night the Cowboys broke a long standing jinx as they visited Newark and returned home with a 51-46 upset victory. It was the locals' first win over the Wildcats since the 48-49 season and broke a losing streak of six straight to the Licking Countians.

The Cowboy-Tiger tilt was well played all the way, with the ultimate winners holding an 18-13 first quarter advantage, but a tip-in goal by Longmeier in the final 10 seconds of the second period gave the home forces a 29-28 half-time edge.

Two goals and a free throw by Harris spurted the tigers into an early 33-29 third-period advantage, but two goals by Vincent and one each by Furry, Pruden, and Randall shot the Cowboys into a 39-39 lead midway in the period.

The Tigers, behind the scoring of Harris, Wade and Roberts, then spurted to hold a 43-40 edge at the three quarter mark.

In the final period the Cowboys were never again able to grab the lead, but were always in contention. Harris continued his high scoring tactics and the brilliant floor play of Wade stood out as the visitors hung on for the victory.

In the West-Newark fracas, neither quintet displayed much consistency in the scoring columns, with the lead changing hands numerous times during the first two periods. The Wildcats were holding a slim 25-23 edge at half-time.

Early in the third period Longmeier, Furry, and Vincent began to find the range with the Cowboys taking a 36-33 lead at the end of the third period. The Cowboys continued to lead the remainder of the contest, with never more than four or five points separating the two quintets however.

This Friday night the Cowboys swing back into city league action as they visit South High School for a clash with the surprising Bulldogs. West will attempt to stop the high-scoring antics of Clarence Pointer, who has registered 54 points in two contests to date.

All The Way...

THE churches of this community seek to help you. They will go All The Way in assisting your living a Christian life. The Church offers God's Word to guide you and the sole purpose of its existence is to help all people find true happiness which comes only through faith in God. If you are one who does not go to church, then you become a very great problem. You are a bad example for others...your influence for good cannot be felt. The Church serves All The Way...from the nursery department to ripe old age. "Now abides faith, hope, love; these three; and the greatest of these is love." Surely that must be what the Bible teaching of the Church means...All The Way Through.

Lucky's Pure Oil Station To Have Grand Opening Dec. 3-4

The grand opening of Lucky's Pure Oil Station, southeast corner of Whitethorne-av and W. Mound-st, this week end will feature free gifts for mothers and children and launch an exciting contest for a new electric clothes dryer valued at more than $300.

On the two grand opening days, Dec. 3 and 4, clowns will pass out sets of six glasses to families while ladies will receive roses and kiddies will get candy in celebration of the event.

Adelbert "Lucky" Luckenbill, operator of the gleaming new twin-bay service station, announces that the biggest facet of the opening celebration will revolve around tickets which will be given with each purchase from Dec. 3 through Dec. 23. On the closing day, a drawing of ticket stubs will be made and the lucky winner will receive the electric dryer.

Luckenbill, who lives at 762 S. Hague-av, is a native Hilltopper and graduate of West High School class of 1934. He took a professional motor diagnosis course at the Sun Technical Light Institute in Detroit, Mich., for four months before entering into the automotive service field.

Immediately before acquiring the new station, Luckenbill worked three years at Rodenfels Chevrolet as service salesman and head of new car service. Previously, he operated a filling station for five years at Powell and Sullivant-avs.

Luckenbill has announced that motor diagnosis equipment will not arrive until after the first of the year. Meanwhile, he will offer brake work, complete motor tune-up service, battery service, other small repairs, and road service. The station will carry a complete line of Pure Oil tires, batteries, and other accessories.

Jailhouse 5 Beats Jets To Assume Junior Lead

The Jailhouse Five barely managed to get by the Jets 28-27, in a junior league contest at Glenwood Recreation Center, Wednesday, Nov. 24. This game gave the Jailhouse 5 a 3-0 record, and the league leadership.

The game started out as a rout, with the Jailhouse Five leading 19-8 at the half. The third quarter saw both teams hit for eight, but in the final period the Jets exploded for 11, while holding the Jailhouse 5 to one basket. This was the Jets' first loss of the season.

Don Barnes scored nine points for the Jailhouse Five, while Carl Brown was high for the losers with 12.

In the other junior league game the West Side Five won its first tilt by downing the Hawkeyes 34-17. The deadeye shooting of Dick Brothers proved to be the deciding factor as he split the nets for 16 points. Dave Roberts was high man for the Hawkeyes.

You can safely hold your breath when waiting for want ad success.

SETS GRAND OPENING—Lucky's Pure Oil Station, southeast corner of Whitethorne-av and Mound-st, will hold its grand opening on Friday and Saturday, Dec. 3 and 4.

Hilltoppers, Lightning 5 Tie For Glenwood Sr. League Lead

The Hilltoppers and the Lightning 5 emerged as the only two undefeated teams in Glenwood Recreation Center's pre-season league after the third round of play Tuesday, Nov. 23. Each team has won three games and is currently tied for the league leadership.

The Lightning 5 ran into some difficulty in the first game of the evening when it faced some tough opposition from the Clowns. It was nip and tuck in the first two quarters, with the Lightning 5 holding a slim one-point margin at the half. The third quarter, however, saw the Lightning 5 hit for nine points, while holding the Clowns scoreless. Each team held its own during the final quarter and the Lignthing 5 walked off the floor with a 23-27 victory.

The Hilltoppers had no trouble in trouncing Milo 56-32. Led by Don Reeb, who tallied 27 points, the Hilltoppers jumped to an early lead and increased the margin at every quarter to wind up with an easy victory. Kenny Metzler and Jerry Brooks led Milo with 10 points apiece.

Dec. 1, 1939 . . . Fire destroyed two barns on the property of Judge Edward C. Turner, 4339 W. Broad-st, this week. A spark from a magneto ignited fumes from a gas tank, starting the blaze. Estimate of the damage is $50,000.

The Hilltop Business Men's Association will honor West High gridders at a banquet Tuesday evening. Tippy Dye, Grandview coach and former Ohio State University star, will be the speaker.

The proposed trolley coach line on W. Broad-st will terminate at Southampton-av. City Council had previously demanded that the line extend to Wilson-rd. Wyatt Milliken dissented on the vote for the Southampton-av terminus.

Fireman Walter R. Hoelcher and Lisle R. Reece have been promoted to the rank of lieutenant in the Columbus Fire Department.

TEN YEARS AGO

Dec. 1, 1944 . . . The West High basketball team meets Grandview tonight to open the new court season. Coach Rufus Glass has been practicing the team at full speed since the end of football season.

Camp Chase Post and its auxiliary will collect Christmas gifts for service men in hospitals. Several locations have been listed on the Hilltop where these gifts can be left.

Isabella Masdes, 163 Powhatan-av, will become the bride of Don E. Gentile, air ace and Mustang fighter pilot in the European Theater this week.

Santa Maria Council of the Knights of Columbus will initiate a class of 50 Sunday at the Glenwood shelter house. A formal dance for the new members will be held Saturday.

FIVE YEARS AGO

Dec. 1, 1949 . . . Mrs. Hermine Vieth, 76, mother of Hans Vieth of 314 S. Algonquin-av, recently arrived on the Hilltop from her home in Duisberg, Germany, via ship and plane. She had not seen her son for 19 years.

The announcement of the election of Harold Oney, 37 Binns-blvd, as worshipful master of the West Gate Lodge of Masons was made this week. Oney succeeds George Levisay.

Dr. Howard L. Bevis, president of Ohio State University, in a talk on "Religion on a University Campus," told members of the Hilltop Ministerial Association and their wives that university students are essentially religious but "not formally religious, mainly because this is an informal age."

A Hilltop woman, Mrs. K. L. Martindale, 86 Clarendon-av, will write a new youth program that will be presented each Saturday over Station WCOL from 1:15 to 1:45 p.m. Six youth organizations will participate in the program, which will be called "Special Freight."

Trivia

From THE EDITOR'S DESK

By Galvy Gordon

GROWING PAINS: School boards in areas surrounding Columbus that are undergoing concentrated development activities certainly do have their headaches, we'll agree after talking to Clyde Crandall, chairman of the building committee of the Franklin Township school board.

He cited the fact that it is not at all uncommon to see builders complete some five homes in the course of a day. "Now how are you going to keep your school building program ahead of a situation like that—when up to five new family units go up each day?" It's a good question.

Crandall declared that the new Franklin Township High School, to be under construction soon on the tract at Demorest and Briggs-rds, will be full up to capacity on the day it is opened, some 18 months after the first shovelful of dirt is dug on the footings.

At the time planners decided a 1,000-pupil school would be large enough for expansion, that was the indication. But since then building has accelerated terrifically.

Incidentally, Crandall disclosed that the county prosecutor's office has informed school board members that crossing the one-foot land reserve to tap into water and sewage facilities would be permissible pending Common Pleas Court settlement by jury action of what a justifiable price would be for the reserve. To date, Crandall said, connecting lines have been laid up to, but not through, the reserve owned by Edward Tonti, Rosery Addition developer.

POETIC LICENSE: Because we had no Trivia column last week, we'll violate our own rules somewhat and run a couple of four-lined bits of doggerel. After this, however, it'll be a matter of selection of one bit of nonsense verse per week, with or without attribution, and selected purely on the whim of the editor. No contributions can be returned, nor is any prize at stake. Despite the harsh rules, I imagine the verse will continue to dribble in. Poets and rhymers are a hardy breed.

Here's one by Hilliards Correspondent Louise Pohlmann:

FRUSTRATION

If you hunger for exasperation
Richly seasoned with frustration
Just try to fill a job like mine
A news reporter on a party line!

Another one is signed J. B. Coe and goes like this:

LEVITICUS

When I was young and full of sap,
I thought I knew more than my pap.
But education came to me,
He made me "smart" across his knee.

Here's a nonsense poem that doesn't fit into any of the announced rules except that it met the editor's whim. It was signed simply, "R.V." Honor bright, there'll be no more poetry from contributor readers unless it fits all the rules above, but this one has a message:

SLICKER OUT-SLICKED

The city slicker had the robe
Sighted neatly in his sights,
And after he'd made his selling pitch
On the Brooklyn Bridge and its pretty lights,
Mr. Sorghum said to him, "Sure,
I should call a cop, but I'll keep quiet
For a hundred bucks, boosum dogmab it—
I own that bridge, so why should I buy it?"

THIS IS THE END, BUT REALLY: Society Editor Betty Daft's seven-year-old son Stephen has been getting the goat of many adults with his favorite "knock-knock" story:

"Knock-knock."
"Who's there?"
"Red."
"Red who?"
"Red Popper . . . There's hot one!"

These Eyes —

How Well Do You Know Them?

If you're a newcomer among Hilltoppers, you may have recognized Evelyn E. Jones before many of the oldtimers, because she is supervisor of the Welcome Wagon Service for this area. Her "beat" includes the West Side, Hilltop, New Rome, Hilliards, and Grove City.

Evelyn and her husband, Bill, who is associated with the City National Bank & Trust Co., have been Hilltoppers for the past 13 years.

Evelyn E. Jones

They reside with their two children Susan, eight, and Billy, 13, at 249 N. Warren-av.

Evelyn is an old hand at civic work, such as the Welcome Wagon Service, for she is a past chairman of Twig 77 of Children's Hospital, was a member of the West Broad Street School PTA board and served a year on the board of the Junior Chamber of Commerce Wives' Club of which she is a charter member.

Still very active, although she still allows plenty of time for her duties as a wife and mother, Evelyn is a member of the Kiwanikwa Club, treasurer of the HBA, a member of Glenwood Methodist Church and a member of the Commission on Education for the church, and leader of the Sparkling Blue Bird Group of the Camp Fire Girls. Daughter Susan is a member of the latter group.

As enthusiastic about her hobbies as her activities, Evelyn likes to play golf, fish, go camping, and travel — but readily admits she always likes coming home to the Hilltop.

Our mystery man this week is a hard one to tackle, because anything we say about him is a kick-off to his identity.

Turkey Trot Dance At Glenwood Featured The Music Of Tommy Dale

Teen-agers danced to the music of Tommy Dale's orchestra under a ceiling of colorful streamers and balloons at the Glenwood Turkey Trot Wednesday, Nov. 24, at Glenwood Recreation Center.

The entertainment consisted of a singing group—Judy Jones, Holly Hunt, Jim Bodwheimer and Gary Davey — singing "Sentimental Journey." Eddie Finnerty sang a solo with the accompaniment of the band. Sharon Cremeans and Patty Belcher sang a duet.

The entire group joined in participation at the end of the dance with the Hokey Pokey and the Bunny Hop.

Teen agers are welcome to attend social dancing from 7 to 10 every Wednesday evening at Glenwood. Square dances are held every Thursday, 8:30 to 1, with Jim Jonard calling.

Hilltop Trucker Injured In Crash With Another Semi-Truck In Michigan

A Hilltop truck driver suffered injuries to the face and head, and fractures of both legs Wednesday, Nov. 24, when the semitruck he was driving for the Detroit, Toledo and Columbus trucking firm, 893 Higgs-av, collided with another three miles north of the Michigan state line on Rt. 24.

Unconscious and reported in serious condition in a Toledo hospital late Wednesday, was Norman R. Grant, 38, of 207 N. Harrisav.

Lawrence Hunter, 47, of Milan, Mich., driver of the second truck, suffered burns on the arms, hands, face, and chest after his truck burst into flames, killing 43 of the 190 lambs he was hauling.

Hunter told Michigan state troopers that he assumed that there was some mechanical difficulty with Grant's 10-ton truck, making it uncontrollable, because it came at his truck on the wrong side of the road with headlights blinking.

Letters To The Editor

Editor
Hilltop Record
Dear Sir:

We of the Tuberculosis Society of Columbus and Franklin County are proud of our program and we hope you will help us expand and strengthen it in 1955 by supporting the Christmas seal sale in your editorial columns.

I would like to take this opportunity to explain something to you and your readers. At the risk of sounding elementary, I want to emphasize that Benjamin Franklin (TB) Hospital is not financially supported by the Tuberculosis Society and the Christmas seal sale. Five years ago when the TB tax levy (which was renewed on Nov. 2) was first passed, there was confusion in the minds of some who thought that the levy helped us and that therefore our Christmas seal receipts should be less needed. That, of course, is untrue.

The hospital is tax-supported. Our program, paid for only by Christmas seals, consists of free chest X-rays, given day in, day out, to residents of both county and city; educational programs in our local schools and community groups; programs to restore local TB patients to productive lives, TB medical research and better laws to fight TB. More than 90 percent of Christmas seal money is spent here in Franklin county.

Thank you sincerely for your always generous help.

Cordially,
Mrs. Virginia H. Benton

DECEMBER
I will hear stillness in an hour or so,
The lovely quiet that is snow.

I will hear nothing but a faint
Of something barely touching ground.

When the climb's over my heart will be
One with the whiteness of chastity;

And it will beat louder till sleep shall stop
The beating, and gentle drop, drop.

I will dream tranquil dreams and go,
Warmed by a holy world of snow.
Joseph Joel Keith, in his book The Long Nights.

Mail — From New York: "Magistrate Court Monday not only got me out of bed early but took two dollars of my hard-earned dough. No more subway-smoking for this one!" . . . From an old friend: "I remember about 20 years ago you had crayon drawings thumb-tacked to your wall above your desk. I suppose they are still there." (Yes, along with some by his small daughter) . . . From a poet-friend: "You spoke of painting ceilings. Remember, it made a wreck out of Michelangelo, painting them pitchers on ceilings. He got so he couldn't even read a book unless it was held over his head. So look out. You might get that way and read my stuff upside down. It is bad enough right side up."

It was like a breath of fresh air when the football game took over the front pages and there wasn't space for the sordid trial up north.

More mail—From Athens: "This past Indian summer has convinced me that southern Ohio hills vie with my ocean for my love. The ocean wins though, because I was born near it. Another student (Ohio Un.) and I went for a long hike Saturday. Athens is truly a hiker's paradise. One can start at any given point and ramble through picturesque country, mostly hills. We skipped along sun-baked roads, ran through a field of alfalfa—I think it was—and slid down a leafy ravine into a lot of overhanging caves. We loafed and invited our respective souls and climbed clear out of the indigo. We passed cows that mooed at us and we mooed right back, and we stopped to wonder if all the tears the weeping willows dropped into the water made that waterfall. We found an abandoned farm house and of course we went in. We walked over broken glass, torn old newspapers—but no mice, thank goodness. The last tenants must have left in a hurry because a pan with mold in it was on a rusty stove in what must have been the summer kitchen. If an artist would paint some of the landscapes as we actually saw them, nobody would believe such beauty really exists. Try hiking in the hills some time. It's good for what ails you." . . . From Columbus: "Blessed is the man who is too busy to worry in the daytime and too sleepy to worry at night."

Borrowed from a medical journal: A stout, balding man was describing his tennis technic. He panted "My brain immediately barks out a command to my body. 'Run forward speedily, it says. 'Start right away! Slam the ball over the net, then walk back.'" "And then what happens?" he was asked. "And then," he replied, "my body says 'Who? Me?'"

In Passing — A teen-age niece was collecting "thrills" of her relatives and acquaintances for a school paper. When she asked what my biggest thrill had been, or as she put it — the highest highlight of my life — I could think of nothing but the personal things that would be of interest to nobody but me—thrills that every mother and grandmother have experienced. She was persistent, so I remembered a few in a hurry: when a letter comes from a friend you thought had forgotten you; when neighbors who had moved away care enough to come back to visit, and tell you they miss you and wish they had never left the old neighborhood; when a poinsettia you thought had died, suddenly blooms; when John N. Wolfe, then editor of The Hilltop Record, told me 'way back in 1935 that there could be a column; when my favorite shutin was told she could sit up; when I see a Washington or Oregon license; when my first po-em appeared in The Columbus Dispatch in 1932. (I knew right then tha. I was even better than Edna St. V. Millay) . . . Experience is a wonderful thing. It enables you to recognize a mistake when you make it again—and this is not original . . . Neither is this: "We are having a raffle for a poor widow. Will you buy a ticket?" No. My wife would not let me keep her even if I won."

BUCKING FOR CHARITY—Alfred J. Wenger, 149 Bliss-blvd, a member of the annual Crippled Children's Christmas party of Smith-Barrett Post 349, American Legion, begins the task of removing and counting dollar bills posted on the mirror in the social room of the post home for the party. Members of the post will entertain some crippled wards of the county and city, who otherwise would have a bleak Christmas, in a party at the home on Nov. 18, at 1 p. m. The children will be picked up and delivered in taxicabs. Bob Rice will play his traditional Santa Claus role following the turkey dinner. Bill Gallagher is chairman of the party committee. Standing by for possible need during the party will be two volunteer nurses and an ambulance, which will be furnished by the Jerry Spears Funeral Home.

10 West Columbus Men Busy In Newsies' Drive

PREPARE PAPER SALE—These 10 men from the Hilltop and West Side are busy at work on the 48th annual drive of the Charity Newsies, to be climaxed with the annual sale of "Open Your Heart" special edition newspapers on Saturday, Dec. 11. They are, front row, left to right, Richard M. Young, 2766½ W. Broad-st; Otho Hayner, 707 S. Richardson-av; William D. Wentzel, 2655½ W. Broad-st; Leroy S. Weigand, 3181 W. Broad-st (with placard) and Warren N. Boyd of 16 Rodgers-av; back row, Robert L. Durham, 199 S. Brinker-av; William H. Heim, 3167 Ellis-pl; Charles L. Weigand, 2922 Crescent-dr; William F. Krause, 125 N. Terrace-av, and Fred Moritz, 90 N. Warren-av.

Moritz is 1954 president of the Charity Newsies, while Durham is the immediate past president. Boyd served as president in 1948.

Weigand and Krause are co-chairmen of the factory lists committee—the unit charged with all details of the advance solicitation campaign now going forward in offices, stores and factories. The solicitation is linked with the traditional street paper sale Dec. 11.

All funds collected are used "100 Per Cent for Charity," it was stressed by President Moritz and Drive Chairman Walter W. Furniss. Campaign costs are met from profits of social events put on by the membership, they pointed out. The Newsies are dedicated to outfitting needy children of school age with new clothing and new shoes, and each year aid some 5,000 youngsters, the officials added.

Haire and Boyd also are members of the "Pep Dinner" committee. This unit plans and stages the annual "kick off" banquet to precede the street sale. It will be held Dec. 9, at the Neil House and will attract some 300 members and guests, including state, county and city leaders in government and civic welfare.

SCHOOL PROGRESS—A shock is in store for those driving by Briggs and Demorest-rds if they haven't kept their eyes on the progress of the new Franklin Township elementary school there these past few weeks. This photo, taken last week, shows how some of the exterior walls have already risen to roof-level. The school board's building committee reports that second-floor slabs have been poured on two wings. Contractor Vernon C. Neal predicts completion definitely by early spring, but pupil occupancy will probably be delayed until next September. The new school will boast separate gymnasium and cafeteria facilities plus 24 classrooms. The school is part of a $976,000 package bond issue approved by township residents two years ago. The measure included additions to Shidmore School. Some 275 township pupils will be transferred to the recently-completed eight-room addition to Shidmore School immediately following the Christmas vacation.

sacks and counting of the newspapers after the dinner.

Among clubs and agencies which will send volunteer salesmen to aid in the sale are the West Franklin County Kiwanis Club, Westway Post of Veterans of Foreign Wars, Shidmore Lions, Hilltop Lions, Camp Chase Post of the American Legion, and the Hilltop Business Association. Elmer Hasenberger is in charge of the actual door-to-door sale.

Ed Schaedler, chairman of the committee soliciting advertising support from local merchants and organizations, reported that with the deadline on ads set for today, support has been truly gratifying. "The men who think enough of improving the community through assistance to the myriad projects of the Hilltop Kiwanis Club richly deserve the patronage of every member of the community," Schaedler said.

Team captains for advertising have been Jim Foote, Don Best, Bob Cramer, Bill Jones, Ray McVay, Bob Miller, Dick Nash, Bob Schmidt, and Clarence Story.

Dear Diary...

You have no idea how much competition we husband-loving wives have nowadays. For instance, Ralph and I stopped at the Inn Towne Restaurant a few nights ago and had the most wonderful dinner. I had to admit that I was bested in the culinary arts, but THAT WASN'T ALL. Believe it or not, I found Ralph casting sly side glances toward the winsome gal who served us. That was adding insult to injury. Really, though, down deep I can't blame him for raving about the place. Wonder how those gorgeous waitresses manage to retain their figures with all that fine food to tempt them at the

Welcome Wagon Is Doing a Good Job

A pat on the back to the Hilltop Welcome Wagon hostesses and the members of the Hilltop Newcomers Club. In the past week their good work was very much in evidence.

Last Saturday night a large number of those associated with this newcomers' organization held a very fine Christmas party at the Colony and it served to better acquaint many old and new Hilltoppers and it is evident that the renowned Hilltop spirit is catching on in a hurry as a result of the efforts of the Welcome Wagon girls.

Then too this club of newcomers was the first to come forth and make a contribution of $25 to the Hilltop YMCA building fund as a Christmas gift of their group to the community. This is a real spirit of Christmas and they are certainly to be congratulated.

And so a fine pat on the back to Evelyn Jones and her associate Welcome Wagon hostesses and all those in this fine new club. Keep up the good work!

Incidentally, anyone else desiring to make a Christmas gift to this worthwhile community project, the Y building fund, may do so by dropping in or seeing Herbert Deems at the First Federal Savings & Loan at Warren and Broad.

Hazel Robsell down at Yost Florist invites you down to see the pretty Christmas poinsettias, especially fine this year since she has recently installed a new heating system which has assisted in growing finer flowers . . . Joint Defects And Inspector Shortage Blamed For Delay On Stretch Of US 40

Defects in workmanship and a shortage of concrete-experienced state highway inspectors were blamed jointly Tuesday by a state highway official for the "on-again-off-again" aspect of a dual-lane traffic between New Rome and the western city limits of Columbus.

The 1.54-mile stretch of highway, which was officially opened after extensive construction work in the Gateway West Jubilee of late September, has since that time been closed down in alternate lanes at intermittent times for repair of joints separating the individual concrete slabs.

Many local organizations and individuals have complained to the state about the inconvenience and the hazard to life by the repair work.

P. E. Masheter, first assistant engineer in the state highway department, declared Tuesday that it was necessary to shut down the highway several weeks after its re-opening because of unsatisfactory work on the joints separating the 60-ft. continuous slabs.

Masheter added that these defects did not show up until the pavement was subjected to temperature changes and increased traffic. All remedial work is being done by the general contractors without additional cost to the state, he added. Completion of this work is expected within the coming week.

Most of the repair work consists of sawing the ends of the slabs to a precise measurement and filling the joint with a special rubber and asphalt joining compound.

Masheter said that much of the additional work on the job could have been avoided if the state highway department had had a sufficient number of engineer-inspectors trained in concrete work at the time of the job.

Camp Chase American Legion Post Awarded Two National Citations

Camp Chase Post 96 of the American Legion has again been recognized by receiving a national citation for its child welfare and youth program. It also has received the National Americanism Citation, Commander Ray McVay disclosed Tuesday.

The architect's plans for the new addition to the post home are on exhibit now at the home. Lynn Baker and his permanent home committee invite all members to stop at the home and see them.

First Vice-Commander Welker, chairman of the membership committee, is making an effort to have a quota of 591 memberships paid for 1955 by Dec. 31. Members who have not paid their 1955 dues are urged to get it in the mail right away and make up the difference between the 470 who had paid by Nov. 27 and the 121 still left to pay.

Valleyview Council Airs Two Measures To Improve Village

At the regular monthly meeting of the council of the village of Valleyview, Monday evening, Dec. 6, two committee reports were submitted, dealing with the physical improvement of the village.

Each was followed by council discussion.

The council voted against the erection of stop signs at Elliott and Warren-ave following a committee recommendation.

Discussion of Rodgers Park revealed that a contract is to be let in connection with having a certain section of the area cleared and kept in proper condition. The report on the park was made by Councilmen Carl Grable and Karel Whitbeck.

The council approved the appointment of Mayor Charles Ringer to contact the Dill Engineering Co. concerning the survey of the intersection at Harris and Elliott-ave with the possibility of the installation of curbs at the corner.

Prior to the close of the meeting, Councilmen Norris Soothe and Frank Dillin reported on additional surface drainage on N. Powell-av. The report was tabled for the time being until the weather would make such work possible.

Battelle Institute Man To Address HBA Tuesday

R. J. Anderson

Richard J. Anderson, a member of the administrative staff of Battelle Institute, will address the members of the Hilltop Business Association at their meeting next Tuesday evening at the Colony Restaurant. He will discuss the past, present and future of Alaska. The meeting will also mark the annual election of officers.

Anderson is well qualified to speak on this subject, having spent a number of years in that country both before and since World War II as a member of the United States Geological Survey team and again on a mineral exploration tour for the Aluminum Company of America. He has surveyed the entire peninsula and the southeastern archipelago for mineral deposits and brings a most interesting and [redacted] ing account of his experiences there.

A former Hilltopper, Anderson has been associated with Batelle since 1948 and is principally involved in administrative duties in connection with the institute's activities in the U.S. and abroad. He is a member of the Society of Economic Geologists, Geological Society of America, American Geographical Society and Sigma Xi.

Mild-Mannered Man Who Held Up Finance Co. Sought

Police were seeking Wednesday the mild - mannered holdup man who walked into Modern Finance Co., 2500 W. Broad-st, shortly before noon Friday, asked for a loan, then suddenly whipped out an automatic and demanded the office receipts on a "non-repayment basis." He took $250.

Louis O. Raymer, loan clerk, said the medium size man, wearing an Eisenhower jacket and horn rimmed glasses, having a ruddy complexion and sporting a bright red knitted tie and highly polished oxblood shoes, sat down in the loan booth as though to fill out a loan application. Suddenly he whipped out the .45 pistol and told Raymer to bring the contents of the cash drawer and herd the 10 occupants of the office at the time into the loan booth.

After forcing the startled office personnel and customers to remove their shoes in the booth, the man departed, cautioning all that he would shoot anyone who followed him.

Raymer said that the stickup [redacted] was quite polite under the circumstances, even allowing him to carry the message of "This is a stickup" to Manager Pete Scholten. Both agreed that giving the intruder the money was the wisest course.

Santa Maria K of C Details Plans For Christmas Parties

Santa Maria Council, 2888, Knights of Columbus, will open its holiday program on Tuesday, Dec. 14, with wives and friends as guests at a dance to be held at the council's club rooms, 2586 W. Broad-st, according to announcement of D. Clarke Finneran, grand knight. This party will be under the direction of Joseph H. Gregory, Frank J. Ingburn, and Robert N. Gallo.

On Sunday, Dec. 19, at 2 p.m., in the club rooms the children of members will be the guests at a Christmas party. Santa Claus will present each child with a present. There will be entertainment and refreshments for all. The committee in charge of this affair will be headed by Co-chairman Robert J. Finneran and Charles Page.

On Tuesday, Dec. 28, the members of the council are invited to a Tom and Jerry party by Chairman Thomas D. O'Brien and his committee.

Rumored Appointment Is Surprise To Hilltop Man

Hilltopper Ralph Thomen, of 790 S. Richardson-av, expressed surprise and no little disbelief early this week in regards to the rumor that he is likely to become the next assistant safety director when Leo L. Phillips moves up to safety director Jan. 1.

When asked what he knew about the appointment, Thomen stated, "All I know is what I read in the papers. I've heard nothing from the mayor or any of his staff."

PLAN TIE EXCHANGE

The Hilltop Kiwanis Club will hold its annual tie exchange at its noon luncheon Thursday, Dec. 9. Members are asked to bring in new ties and take off the ones they are wearing to be put in a box for the men at the State Hospital. Those wishing to bring along any useable ties which they no longer want should do so. They will be cleaned and distributed to the State Hospital.

Scouts Will Handle Local Collections Of Toys For Tots

Operation "Toys for Tots", sponsored by Columbus' organized Marine Corps Reserve, will hit on Saturday, Dec. 11, the Hilltop and West Side, where Cub Scouts, Boy Scouts and Explorer Scouts have distributed almost 19,000 door knob hangers, reminding residents of the campaign. The scouts will return on that date to collect new or usable toys in good condition for underprivileged children.

Spokesmen for the local Marine Reserve units said this week that they wished they had the personnel and the facilities to repair broken toys, but since they do not, they are asking the folks of Franklin County to donate a new or usable toy, which will be collected by the scouts, and later collected from the local collection stations by Marines, using 16 trucks.

The men will then sort the toys, which will be delivered to less fortunate children in the Franklin County area through the Information Center of the Community Chest. All recognized agencies in Franklin County will receive toys.

SPEARHEAD YULE FOR YMCA PLAN—Mrs. Lucille Lotz, president of the Hilltop Welcome Wagon Newcomers Club, presents a check for $25 to Paul Leighninger, a member of the Hilltop YMCA board of management. The gift, the first in response to a Record suggestion last week that organizations and individuals make this Christmas a merry one for hundreds of youngsters and adults on the Hilltop by giving to the Hilltop YMCA Building Fund, is expected to be followed by many more of a similar nature. Contributions for this worthy purpose may be made through H. E. Deems of the Federal Savings & Loan Association. (Hilltop Record photo)

HIT BY AUTO

Eleven-year-old Ronald Lewellen, 1818 Sullivant-av, was struck by an auto Tuesday evening and suffered injuries to his left side. He was taken to Mt. Carmel Hospital.

TO CONSIDER HILLTOP SITE

A 24-acre tract on Valleyview dr., just west of Hague-av, was among the relocation sites suggested Tuesday for 18 downtown produce wholesalers by Planning Director Ernest H. Stork at a city hall meeting. Councilman Albert B. Gregg told the commission hearings that their current building sites in the heart of the town "ultimately should be bulldozed out of there," leading to a brand-new downtown section.

THE DEERSLAYERS—With this edition, the Record writes finis to this year's deer-hunting season. Only extremely unusual specimens of deer killed will be the subject of future stories and pictures. Before we identify the hunters and their prizes above, we'd like to report that last Thursday afternoon, Mrs. James Osborn, 2217 Glenview-blvd, telephoned that she had just seen a four-pointed buck on the grounds of the State Hospital within the city limits. Her children and several neighbors joined her in the thrill of watching from their own lawns wildlife on the Hilltop. In the photo at left, Charles E. Carroll, 289 S. Wayne-av, poses with a 225-pound, nine-point buck he bagged last Monday in Jackson County, W.-Va. In the center photo, Clarence Hanna of 75 N. Terrace-av, shows one of the two deer his hunting party brought back to Columbus Saturday night after a week in Lycoming, Penn. Harold Fox, center, of 235 S. Westgate-av, holds the five-point buck he bagged on the expedition. Both bucks weighed in at around 165 pounds. Clarence Story, 185 Binns-blvd, was also a member of the hunting party. In the photo at right, Lester Grissom, 3016 Olive-st, is shown with the year-old 196-pound buck he shot on Nov. 27 in the final moments of a hunting party at Olean, N.Y. (Hilltop Record photos)

WORKS AT 80—Having an active 80-year-old employe working a regular 10-hour day on the payroll was the inspiration for a birthday celebration recently when a meeting of the employees of Russell Grain Co. of Hilliards and Russell's of Fletcher was held in Urbana. The honored guest was A. H. ("Andy") Kuhn, (second from left) who was then observing the 80th anniversary of his birth. Andy walks to and from his home on S. The Hilltop YMCA Volleyball League got under way last week at Glenwood Methodist Church gymnasium with St. Paul's Evangelical Congregational and West Park Methodist winning all three games to go into a deadlock for first place.

The five from St. Paul's won 15-1, 15-7 and 15-7 from a scrappy Hillcrest Baptist team. Playing for St. Paul's were Dunn, Moran, Stout, Smily and Vance. On the floor for the Baptists were Roth, Koontz, Reynolds, Byrd, Miller and Nybarger.

West Park likewise had an easy evening as it downed Glenwood 15-4, 15-3 and 16-14. Playing for West Park were Kearney, K. Dillie, C. Dillie, Shoaf, Laughlin and Stimson. Fighting hard for the Methodists were Grashel, Postlewaite, Nichols, Halstead and Hayburn.

Council Hikes Salaries Of Two And Accepts Clerk's Resignation

By Louise Pohlmann
FR. 8-4184
Hilliards P.O. Box 29

Hilliards village council in regular meeting Nov. 29, voted to increase salaries of mayor and clerk, effective Jan. 1, 1955, the earliest date permissible under Ohio state law. In the future the clerk will receive $1,800 annually and the mayor's salary was raised from $100 to $500 per year.

Council also received and accepted the resignation of Village Clerk Jeanne Feldspauch, effective Dec. 31. Mayor Patterson said he expects to announce the new clerk's appointment in the near future.

At the regional planning commission's called meeting on Friday evening, representatives of the various new real estate developments were present. It was stated that the cost of extending city services to these new areas would have to be shared by the respective parties, since the village is in no position to carry the entire load. Full agreement by all concerned was anticipated.

The John W. Galbreath Corp. was disclosed to be the purchaser of the Dexter farm adjoining the North Grant and Grant-Wayne subdivisions and at Friday's meeting submitted their plans for developing the farm. Another meeting was held Monday evening of this week, to adopt resolutions to proceed with development plats and expansion of the sewage disposal system.

Two Hilltop men have major parts in the concert being presented next Sunday evening at 7:30 when Bob Johnson directs the Hilltop Lutheran Choir in a program of Christmas music at Wesley Chapel Methodist Church southeast of Hilliards.

The minister of the church is George Brown, a schoolmate of Johnson at West High and longtime friend and associate at Glenwood Methodist Church.

As student pastor at Wesley, Brown has sparked an active youth movement in the 122-year-old congregation. Wesley Chapel was established in 1832 and is the oldest continuing Methodist congregation in Norwich Township.

Under the inspiration of their young minister, the teen-agers of the Wesley Chapel community have set up a Home Missions movement which, relying on faith for guidance, is producing remarkable results in community religious life, and in financial assistance to the whole church program.

The visit of the Lutheran choir is one of the means by which the Wesley young folks hope to draw interest to their movement. There will be no admission charge to hear the fine choral group.

Following a period of more than a year during which Hilliards has been without a local dry cleaning service, a dry cleaning agency has been opened with headquarters at the Adkins Barber Shop on E. Main-st. . . . The new prescription department now operating at Willbarger's Drug Store is the first such service available to residents of this community in the history of the village, so far as old-timers can recall. Edwin Willbarger is the registered pharmacist in charge of the new service.

Hilliards Rebekah Lodge held its potluck Thanksgiving supper Tuesday evening, Dec. 30. On Thursday evening at its regular meeting, the lodge elected officers for the coming year. Chosen were Helen Green, noble grand; Margie Butin, vice-grand; Rebecca Chawner, secretary; Helen Shambaugh, financial secretary; and Mae Ramey, treasurer.

Girl Scout Troop 301 held its regular meeting and made felt cut-out pins, decorated with sequins and representing various designs, most of them original with their creators . . . Bethel 46 Job's Daughters met Monday evening at the Masonic Temple.

Mothers' Club of Hilliards Elementary School meets this afternoon at 1:30 in the school auditorium. A Christmas program will be presented by a group of elementary pupils, directed by Mrs. Duncan, the school director of music.

Christmas cookies and bazaar items will be on sale.

Room For One More Class of Hilliards Methodist Sunday School will hold its Christmas party at the church next Wednesday, Dec. 15, at 8 p.m. The refreshment committee of the class will serve.

The Goodwill Industries truck will visit Hilliards on Monday, Dec. 20. The emphasis of this collection is on toys for needy children. Anyone having useable toys, clothing or any other items to be collected is requested to contact Mrs. Swepston or Mrs. Knowles.

Mr. and Mrs. Owen Van Schoyck were guests of Mr. and Mrs. Milton Van Schoyck, 1522 Northwestblvd, Saturday evening . . . Mr. and Mrs. C. A. Turney were among the number from Hilliards who enjoyed the ham supper at St. John Lutheran Church, near Amlin, Sunday evening . . . Mr. and Mrs. George Koncar and son, George Allen, were Thanksgiving guests of Mr. Koncar's parents at Cleveland . . . James Wilcox of E. Main-st is a patient in Mt. Carmel Hospital . . . Mrs. George Horch is still confined to her home on S. Norwich-st.

A committee of three teachers, Mrs. Kuhlman, Mrs. Nash and Mr. Shaw, has chosen six girls to be junior high cheer leaders. The girls are, from the eighth grade, Vicki Sue Bratton, Mary Lou Younkin, Sophie Pharos, Nancy McCracken and Sharon DeWolfe. Charlotte Weldon of the seventh grade is the sixth member of the team. Alternates, all from the seventh grade, include Sandy Gard, Hazel Adkins and Carol Grace.

Under the direction of their coach, Mr. Kuhlman, the Hilliards junior high basketball team beat the Westerville team on their home grounds by the score of 33 to 20, last Friday. The first-string team consisted of Edson Kidwell, Roger Pritchard, Kenny Adkins, eighth graders, and Paul Pence of the seventh grade.

Members of the second string were Martin Davis, Ferry Ball and Jim Weaver of the eighth grade; and Neal Durban, Tommy Bowman, Don Yore and Larry Murdock of the seventh grade. Team manager is Richard Humphries. Dennis White was scorekeeper and Don Shaw coach of this group.

Some 300 patrons attended the music boosters banquet at the Prairie Township School on Norton-rd Wednesday evening. The boosters are endeavoring to raise money to send the high school band to the Cherry Blossom Festival at Washington, D.C., next spring.

Chet Long of WBNS Radio and TV was the speaker at Wednesday's event. Principal Warren Thomas of Hilliards High School acted as toastmaster.

The HHS student council has been organized and is now a going feature in high school affairs. Under the rules set up in the constitution and bylaws, a hall pass must be issued to a student desiring to be out of his or her class room. Special pass slips are issued to members of the school paper staff and cafeteria girls. Anyone caught without a hall pass will be told to return to class; anyone failing to return will be reported to the principal.

Monitors will be on duty throughout the day to check for unauthorized absences from class or other misconduct. A schedule for lunch time will also be observed, to eliminate much of the confusion heretofore occurring at this hour.

To do away with disorder occurring from overuse of the front stairs seven rooms will use the back stairs, permitting freer traffic for the other rooms between first and second floors.

Both student body and faculty hope to benefit from the council's supervision.

Nancy Hankins, Dorothy Smith and Dave Boerner of the "Hilliards Wildcat" staff and Vera Hornback, Jim Hetrick, Jerry Evans and Donna McMrayer of the high school staff attended the press workshop at Ohio State University last Friday . . . Cheerleaders from HHS attended a meeting at London High School Nov. 19. This was one of the two such meetings held each year, one being held at football time and the other at basketball season.

Tri-Hi-Y girls are sponsoring a new dance, called the "Sweater Hop", a condition being that all couples wear sweaters of the same color. The first dance will be held Jan. 12, 1955 . . . The results of the clerical aptitude test in office practice class were very gratifying. All scores were much higher than last year. Only two missed out on the test, and that by only one point . . . Plays for the senior class annual presentation are being considered and try-outs are expected to start in the near future, although the play has not yet been selected. The date set originally for the play conflicts with Cherry Blossom week at Washington, D. C., so another date probably will be chosen, to enable the band members to participate in their class play and still enjoy the trip to the nation's capital.

Boy Scout Troop 148 will sponsor the U. S. Marine Corps Reserve annual Toys for Tots Campaign in Hilliards. Members of the troop distributed special "door-knob circulars" for the campaign this past week.

Seen at Seiller's

Just because we're kind of fond of the guy, we've been looking for something extra special — and found it at Seiller's! We were impressed with the variety of perfect gifts for all our favorite "male men".

For instance, those wonderfully warm and soft Pendleton wool flannel shirts in beautiful solid colors and rich-hued plaids at an unusually low $11.95. Does he travel? Samsonite luggage will bring a big smile. These handsomely styled pieces are priced from $16.50-$32.50. Gifts from the kids may include men's jewelry or leather goods from Seiller's fine lines.

Shop at Seiller's every day from 9:30 to 9 from now until Christmas. —Adv.

Father-Son—

L. Weigand of 2923 Crescent-dr, who himself is a prohibitive member of the Newsies.

The younger Weigand, who is associated with the Ohio Fuel Gas Co., has his job cut out for him just to keep up with his dad, who has become known as "Mr. Charity Newsie" on the Hilltop.

Assigned the Hilltop on Broad-st from Central-av west, the two will "work their beats" from 6 a. m. to late at night hawking the newspaper which annually helps several thousands of needy children of school age through its sale.

The elder Weigand, who lives at 3181 W. Broad-st, is the owner of Weigand Health Foods at 47 W. Long-st. For the past two years he has covered the Hilltop for the Newsies' sale by himself and last year was third highest man in the city in collections with a $3,000 purse turn-in.

"I expect to do even better this year, with my son helping," Leroy Weigand declared. "I can only warn my friends on the Hilltop to look out for anything in the line of startling gimmicks to help them unloose their purse-strings," he added.

In past years, he has been known to utilize such tricks as to roar down Broad-st in an ambulance, be carried into establishments on a stretcher, and use the whirr of a fire siren to attract crowds of potential newspaper customers. A favorite trick of past years has been the use of glamorous models to assist him.

Leroy Weigand, who was Hilltop "man of the year" in 1948, is active in the Downtown Kiwanis Club, and a past president of the West High Boosters Association. His 35-year-old son is a graduate of West High School and Ohio Wesleyan University.

In addition to selling papers all along the Hilltop section of Broad-st, the elder Weigand this year is co-chairman of the factory lists committee of the Newsies — the unit in charge of advance solicitation for funds which has been underway for some time now in local stores, factories, offices, and wholesale firms.

As if that weren't enough, Leroy Weigand will spend most of Friday-Dec. 10, collaring donors for the Newsies' campaign in front of the Hilltop branch of the Ohio National Bank. He won't have the special newspapers yet, but he will be passing out buttons that donors may proudly wear.

Yep, the son in this team will really be hopping to keep up with "Mr. Charity Newsie of the Hilltop."

Shown, left to right, are Bob Osborn, Frank Esposito, and Ralph Predmore. Since the purchase of the first part of the decorations in 1950, nearly $4,000 has been spent in properly arraying the Hilltop business areas for the yuletide season. Mrs. Toner Submits Recipe For Her Specialty, 'Nut Rolls'

Mrs. Hildegarde Toner offers the recipe for the fine Nut Rolls she bakes for the monthly St. Aloysius bake sale.

salesman, have resided on the Hilltop for the past seven years at 662 Belvidere-av. They have three sons, Patrick, James, and Michael III, and one daughter, Margaret Ann.

Mrs. Toner is a member of the St. Aloysius PTA and is the den mother for the nine active Cub Scouts who comprise Pack No. 280.

Dough—
1 cake yeast
1 cup warm water
6 cups flour
Pinch of salt
3 tsps. baking powder
1 lb. Crisco
5 eggs, beaten
Filling—
1 cup granulated sugar
1 lb. walnuts
Small amount confectioners sugar
Small amount milk.

Dough: Mix like pie dough; dissolving one cake yeast in one cup warm water. Add five cups flour, pinch of salt, three teaspoons baking powder. Add one pound Crisco and five beaten eggs. Work dough to hold together. Chill in refrigerator for two hours.

Filling: Mix one cup granulated sugar with one pound walnuts and add enough milk to make a consistency like peanut butter.

Roll dough about one-fourth inch thick on powdered sugar and cut into three-inch squares. Spread with filling and roll. Bake in moderate oven (about 350 degrees) until brown. Yield: five dozen.

U.S. 40—

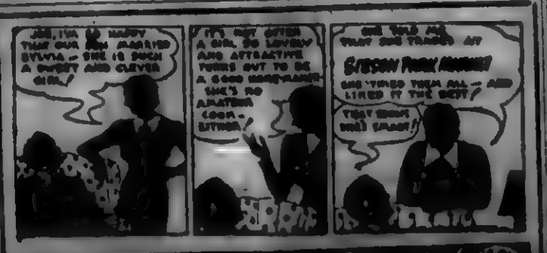
of the Complete General Construction Co., 1221 E. Fifth-av, volunteered that waiting for inspectors at times when work had to progress and location of a sealing compound acceptable to the state were contributing factors in the delay. The firm won the contract with a low bid of $332,994.31.

Masbeter said that "in a way, the job has been a hard-luck one for the firm." He explained that the contractor had removed all his equipment from the scene when property owners and residents along the route had finally come to agreement on construction of six additional crossovers. This necessitated returning of most of the working crew and equipment, he said.

"There is nothing wrong with the laying of the concrete itself on the stretch of U.S. 40," Masbeter said. The firm has done other jobs for us quite satisfactorily."

Complete Construction was awarded the low bid contract for the project early in spring and began work on the stretch early in April. The firm's successful bid of $332,994.40 was lower than the $385,000 cost estimate by state highway officials.



The contract called primarily for resurfacing in the eastbound lane, with surfacing as needed in the west bound. Lowering of the road level and other miscellaneous repairs were covered in the original contract. Expected completion date of the entire job at the time of letting of the contract was Aug. 31.

Showing The Way...

HERE is life's sunset; a grandfather guiding the minds of young boys and young boys seeing Heaven through grandfather's eyes. This may be home-worship but it is a grand time to teach them to pray...to introduce them to the eternal Friend. Your child will! Listen at each bedtime when you talk about God, and Heaven, and the Church. He will follow when your journey is toward Sunday School. Oh, for the faith of grandfathers who care and who help youngsters find the way to God. It is our privilege and our responsibility to teach them to say, "Now I lay me down to sleep, I pray the Lord my soul to keep. If I should die before I wake, I pray the Lord my soul to take." If you teach them to trust this prayer, then you can trust them anywhere.

You Is The Church... The Church Is You—

NOT WHOLLY LOST

Nor deem the irrevocable Past,
As wholly wasted, wholly vain,
If, rising on its wrecks, at last
To something nobler we attain.
—Longfellow

TO PLAY SNOWFLAKE—Rehearsals have begun at Prairie Township School on the Christmas production, which this year will be an original treatment of the familiar Christmas story, "Why The Chimes Rang." Pictured above is Susan Giehl of 4665 Fishcreek, who will dance "Susy Snowflake." The play will be given on Tuesday, Dec. 21, at 8 p. m. in the Prairie School auditorium.

PUBLIC COMMENT

Local Quiz Shows Division On Issue Of Paddling School Kids

A recent Gallup poll showed that 89 per cent of the parents asked believed that school officials should have the right to give erring pupils paddlings. In order to see how Hilltop parents stand on the subject, we asked readers at random this week, "How do you feel on this matter?"

Mrs. A. R. Jenkins, 105 S. Westgate-av: "I don't think school officials should paddle children, but I do think parents should be told that they should give some sort of punishment to the youngsters. Not necessarily a paddling, but a restriction of allowance or privileges. That is usually what hurts them the most and they'll remember it long after a paddling."

Mrs. Sherman T. Patterson, 184 N. Wyne-av: "If they deserve it, yes. Some are getting a little big for paddling now, but I've always told them that if they get paddled at school for getting out of line, they aren't to run home telling tales. I was lucky when I was that age. I was never paddled at school, but I was cracked across the knuckles with a ruler lots of times. It didn't kill me, so I think children today will survive."

Mrs. David Condon, 2303 Sullivant-av: "I believe that there should be a correction of some kind, but sometimes paddling does not solve the problem. I believe in trying some other kind of punishment, first."

Fred Schopp, 292 S. Hague-av: "I think that school teachers have the responsibility and they should at least have the right to some sort of punishment to make the children mind."

Mrs. John Hyer, 464 Columbian-av: "I think so, too. I have always felt that teachers were restricted a little too much and they have to take a bit off these teenage pupils. Of course, a lot of psychology enters into the problem, too. I think children respect a stricter teacher much more than one who lets them get away with everything."

BEWARE OF DEER

Wild-life officials are reminding motorists of the increasing numbers of deer to be found along roads and highways during the next several months. The rutting season is just coming on and many deer are killed during the mating season. Most accidental road kills of deer take place during the winter months.

Additional Details Given On One-Way Street Plan

E. O. Melvin, 107 S. Warren-av, a member of the city traffic commission for the past seven years, Thursday disclosed several details of the plans for additional one-way streets on the Hilltop discussed Tuesday, Nov. 30, at the body's afternoon session.

Melvin requested that the one-way north and south streets be continued from Eureka-av to Hague-av and affect all streets within these boundaries from W. Broad-st to W. Mound-st. The plan has been under discussion some time and two streets in the community, Wayne-av and Eureka-av, have already been made one way.

Traffic Engineer James V. Musick replied that plans had been completed, but that it would take 90 days after funds are made available by city council. By this reckoning, it would be at least Mar. 1 before the project would start.

Each intersection on one-way streets requires two one-way signs and two stop signs. Under customary procedure, city council follows the recommendations of the traffic commission in such matters.

VOLUNTEERS NEED PAPER

Although many people are using their papers to start fires these days, the Volunteers of America are still picking them up. Along with discarded newspapers, the local organization needs magazines, both old and recent numbers, and corrugated boxes. A telephone call to CA. 4-8650 or CA. 4-3665 will bring a Volunteers of America truck to your door to pick up your discards.

AAA Official Suggests Membership In Columbus Club As Ideal Yule Gift

A suggestion that membership in the Columbus Automobile Club would make in ideal Christmas gift for any car-owner was made this week by Russell H. Campbell, general chairman of the local club. Such a gift, he said, actually combines 15 gifts into one gift of motoring well-being.

Mentioning just a few of these "extra gifts" wrapped up in club membership, he pointed to money and time-saving services such as the 24-hour, two-way radio emergency road service; touring service; notary service; bail bond protection; and license service.

Mayer's Store To Open New Appliance Division At 2300 Sullivant Friday

Mr. and Mrs. Earl E. Mayer, owners of Mayer's Store at 2381 Sullivant-av, announce the opening on Friday, Dec. 10, of a new Appliance Division at 2300 Sullivant-av, the corner of Highland-av. Hilltop merchants for more than seven years, the Mayers have added the new division to fill a need they have noted over the years.

The Appliance Division will be open from 9 a. m. to 9 p. m. Monday through Saturday and will feature Norge and Zenith products as its main line. In addition, the store will handle records, Sunbeam, and a large selection of brand-name small appliances.

Earl Mayer, who lives at 4466 Olentangy-blvd, is a member of the Hilltop Business Association, active in all Masonic orders, and a member of Maple Grove Methodist Church. He and his wife, Martha jointly own the two stores. Their son, Richard, manages both stores.

The new Appliance Division will occupy a completely renovated and remodeled building which was formerly occupied by a grocer.

Looking Backward Through Record Files

FIFTEEN YEARS AGO

DEC. 8, 1939 . . . Three Hilltop men have been appointed to executive positions in the cabinet of Mayor-elect Floyd F. Green. George F. Ward will be safety director, William C. Crowe will be executive secretary, and J. Real Neth will be director of welfare.

West High Alumni plan a dance Dec. 16. An alumni basketball team will play the West reserves on the same night.

The Hilltop Business Men's Association male chorus will present a Christmas program at the London Prison Farm, Sunday. On Monday the association will hold the annual election of officers.

The West High basketball team lost the season opener to Hamilton 32-25. The team will journey to Lancaster tonight to try for the first win of the season.

Members of both parties attended a victory dinner sponsored by Camp Chase Post 96, American Legion, for the winning candidates in the recent municipal election.

TEN YEARS AGO

Dec. 8, 1944 . . . Rev. A. J. Wold, pastor of Hope Memorial Presbyterian Church, will be the principal speaker at the scouters' dinner at Glenwood Methodist Church next week. Robert Draper, Southwest District chairman, will preside over the meeting.

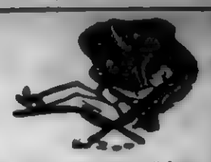
The Hilltop Business Men's Association voted unanimously this week to hold a 15th Hilltop Minstrel Show. The show will probably be held in February.

Fate of the proposed General Motors plant on the Hilltop is still uncertain this week. A tract just west of the city limits has been under option to the company for several months. No persons or organizations are known to oppose the building of the plant.

The Highland Avenue Friends Church will hold special ceremonies at 2:30 p. m Sunday, commemorating the 300th birthday of William Penn, founder of Pennsylvania and famous Quaker.

FIVE YEARS AGO

Dec. 8, 1949 . . . Harold Cunningham, 4744 Fisher-rd, will be a candidate for Franklin County Commissioner in the May, 1950, primary election. He is a Democrat.



J. C. "Curley" Harrington of 2327 W. Broad-st. has staked his claim as the oldest member of the Charity Newsies. Mr. Harrington, at 85 still enjoys a keen appreciation of the fine accomplishments of the organization he has served as president (1927-28) and in many other official capacities during his life.

Mrs. Richard Vail, 178 Whitethorne-av, won top honors in the Columbus Canary Breeders' Canary and Cage Bird Exhibit at the Deshler Wallick Hotel last week-end. It was the first time she had shown her birds.

The Franklin County Commissioners have approved a plan to annex part of Franklin Twp., west of Hague-av, to the village of Valleyview. Land included in the annexation lies between the NYC and Pennsylvania railroads, west from Hague-av to Powell-av. Two areas east of Hague-av, one north and one south of the village, would also be annexed.

Four boys from Aud C at West High School are credited with getting more than 100 members for the West High School PTA. They are Bob Ochs, 604 S. Ogden-av; Newell Yaple, 208 S. Brinker-av; Dick Woods, 218 N. Harris-av; and Dick Will, 311 S. Warren-av.

CONFIDENCE

(For my favorite shut-in)

As I lie upon my bed,
I watch my company come and go.
I always smile at what they say:
"You'll soon be up again, I know."

Meaningless phrases (all well-meant)
Everyone thinking, as eyelids fill,
"Poor dear—knowing she'll never walk!"
With only ME knowing that I will.

Atha Lee Eastman.

Mail — From Columbus: "Now that Vishinsky has left us, there will probably be somebody worse, if possible, to take his place. Like crab grass—if you pull up one hunk of it, two hunks grow in its place." From Virginia: "You all come down any time but when you come, don't try to drive up that last hill. We'll meet you at the foot because northern cars can't take the steep climb like our good, dependable southern jeep." (There's harsh words, cousin, and could start another Civil war) . . . From Columbus: "Please have some Christmas poetry on the 16th" . . . from an old letter found in my mother's scrapbook: "Christmas is another word for expectancy."

In Passing — Overheard at church, not by me: "The minister shakes hands with his congregation a zillion times a month but his elbow seems to be bearing up" . . . A friend wrote the day after Thanksgiving and said if her letter didn't make sense it was because she still had a turkey hangover. Am not a member of the WCTU, but turkey hangovers are probably the best kind . . . Hope everyone read "The Miracle at Derrick, Texas" in December Good Housekeeping. Also, I hope you all watch "The Stranger" plays on television. Am usually wrong, but it seems to me that the Lord does appear when we need Him most, and may sometimes come in the guise of a stranger as portrayed in the television plays, or as only a voice, as in the story. Of course I know it is all pure fiction, but I still believe in miracles . . . An acquaintance called the other day. During the one-sided conversation—I listened—she said she had "heard" that a mutual acquaintance has communistic tendencies. Hope I'm the only one to whom she has told this dangerous and altogether false story, but doubt it. If she had to gossip, why couldn't she have said the lady sweeps the dirt under her rugs or cheats at solitaire or lets her dishes pile up in her sink for days, or even that she is a maddiesome motherinlaw?

According to Letters-to-the-Editors in downtown papers, others are fed up with telephone advertising. If I needed anything (and could afford it) ever so badly, I would not buy it from anyone who advertises by phone. That is probably the wrong attitude, but it's my own—and evidently that of many other sufferers. If it only happened once or twice in a week it wouldn't be so hard to take but when it happens three or four times a day it's too much. Unlisted phone numbers might be the solution but you'd be sure to forget to give the number to good friends you would want to have it, then there would be hurt feelings. We can't win.

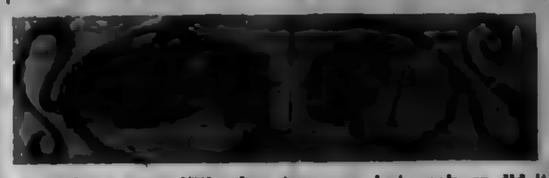
From somewhere — Failures are divided into two classes— those who thought and never did, and those who did and never thought . . . Who helps single men vote? . . . His wife had a bad cold on the trip and couldn't drive above a whisper . . . In these days of inflation, "thanks a million" isn't expressing much appreciation . . . If stone walls do not a prison make, nor iron bars a cage, there are a lot of numbered men and women who are in advanced stages of hypnosis.

Hilltop Soldier Serves On Army Team In Germany



Cpl. Ray C. Dethy, whose wife, Gloria, lives at 651 S. Eureka-av, was a member of the 38th Field Artillery Group's football team, which recently completed its regular season in Germany.

The team, besides participating in games with units in the Schwaebisch-Gmuend area, ran up a 3 and 3 total for the season in the Southern Conference League.

Cpl. Dethy, son of Mr. and Mrs. Raymond Dethy, 2518 W. Broad-st, is a member of the 330th Field Artillery Battalion's Headquarters Battery of the group. A graduate of Ohio State University, he is a member of Sigma Chi fraternity. Before entering the army in January 1953, he was a teacher at the University of Illinois. His father is owner of Westgate Maintenance Co.

These Eyes —

How Well Do You Know Them?

Did our cagey little clue stump you last week, or did it give you the kickoff to the identity of "Mack" Pemberton, West High School's head football coach.

Mack, who now resides at 176 S. Brinker-av with his wife and their three children, Bob, 12; Mary, 10; and Carol, seven, is a native of Payne, O. (For those of you who have never run across Payne before, Mack pinpoints is as being in Paulding Co. Now you know right where it is.)

Pemberton

Before becoming a Hilltopper, Mack attended Bowling Green and Ohio State Universities, where he obtained a master of arts degree as well as a master of education.

His first position was at Harlem Township School where he was coach, teacher, and principal for five years. For the next two years he fulfilled the same triple capacities at Sunbury.

He came to West in 1944 as junior high and assistant football coach. Since that time he has become head coach and also teaches American history.

President-elect of the Hilltop Kiwanis Club, he is also a member of the Luther B. Turner Masonic lodge, Scottish Rite, and past president of the Ohio High School Football Coaches.

What's his favorite hobby? Well, you just guess!

Our mystery personality for this week has been doing business with Hilltoppers for over 25 years. Junior is now learning the ropes while the "youngster" of the family is anticipating his graduation from Denison University.

BARNS PROMOTION

James E. McDevitt, 21, son of Mr. and Mrs. J. W. McDevitt, 727 S. Eureka-av, was recently promoted to corporal while serving with the 24th Infantry Division in Japan.

Two Hilltop Soldiers Are Assigned To Japan Duty

Two Hilltop soldiers recently left Korea with the 24th Infantry Division, which has been assigned to Hakata, Japan.

Pfc. Robert Greenlee, son of Mrs. Florence D. Greenlee, 3439 Rosedale-av, is a tank driver in the 21st Infantry Regiment Tank Company. Sgt. James E. McDevitt, son of Mr. and Mrs. James W. McDevitt, 727 S. Eureka-av, is a platoon sergeant in Company H of the 24th Infantry Regiment of the division.

Hoop League Opener Sees West Jr. Hi-Y Romp To 88-15 Victory

By Dick Wilson

The Hilltop YMCA Junior Church Basketball League got under way last Saturday afternoon at Glenwood Recreation Center with Hoge, West Junior Hi-Y, Glenwood Methodist and Westgate EUB emerging victorious.

The West Junior Hi-Y clobbered an inexperienced Community Christian five by 88-15. This game was never in doubt from the opening whistle as the Y team scored 32 points in the first quarter. John Herold led the victors in scoring, with 24 points. Jerry Colton led the losers in offense with six points.

Glenwood Methodist players showed in their game with Westgate Methodist that they are potential champions as they "blasted" the Westgaters 63-25. Steve Byerly led the victors' scoring with 23 markers. Danny Grosh was high-point man for the losers with 14.

Westgate EUB floored an experienced and tall team to "clobber" Burgess EUB 50-28. Jeff Dunn led the Westgate attack as he split the nets for 19 points. Pete Trott led the losers' offense with 10 points.

Hilltop Athletic Club forfeited its game with Hoge Memorial when it failed to field enough players by game time.

South Hands Stinging 72-40 City League Lacing To West Cowboys

By Woody Owen

South High School's smooth playing cage squad, spearheaded by another brilliant, all-around performance by Clarence Pointer, handed the West High School a 72-40 lacing last Friday night on the Bulldogs' home court, in a City League contest.

In the opening minutes, Pointer's charity toss gave the blue and gray a lead which South never relinquished the remainder of the contest. The Bulldogs built up an 18-5 advantage at the end of the first period and continued to hold a commanding 32-17 margin at half time.

Early in the third period the Cowboys displayed some spark as they cut the lead to a 41-33 count. A goal by Stahr and three more in succession by Pointer, however, pulled the home forces out of danger as they led 54-35 at the three-quarters mark. Both coaches substituted freely in the final period but the Bulldogs continued to dominate play as they outscored the Cowboys by an 18-5 count to win as they pleased.

Pointer scorched the nets for 28 points, besides dominating both boards. He tallied eight points in each of the first three periods and only four in the finale, leaving the contest with 4½ minutes remaining with a slight leg injury. Stahr chipped in with 16 points also for the winners.

Randall led the Cowboys' offensive with 10 points but it was the inability of the local lads to get many rebounds that made the final score so one-sided.

On Friday night, Dec. 10, the Cowboys will invade Marion for a clash with Harding in a non-league contest.

West Junior High Drops Initial Tilt To Franklin, 42-35

West Junior High opened its 1954-55 city schedule last Thursday afternoon with the squad going down to defeat at the hands of Franklin by a score of 42-35 in a contest played on the winners' hard court.

The Buckaroo's held an 11-10 lead at the end of the first period and were ahead at the halfway mark 22-10. They held the home team scoreless in this period.

In the third period the locals scored only three points as Franklin began to score from all angles to take a 29-25 lead as the period ended.

The ultimate winners continued to pull away in the final period by outscoring the locals by a 13-6 margin.

Clappsaddle led the Buckaroo's offensive with 15 points, while Morgan was the winners' big gun with 12 markers.

West Junior will open its home schedule this Thursday afternoon, Dec. 9, by entertaining Champion Junior High, the defending city champions. Game time is set for 3:45 p. m.

There was the fellow who had the worry habit so bad that he couldn't find time to concentrate on a single one of his worries. That worried him — so he resolved to stop worrying altogether during the week, and save up all his worries for Friday night . . . Progress Reported On Hauntz Park Memorial

HAUNTZ PARK SITE READIED—In the photo above, Bill Prenzler of 316 S. Second-st, is shown as he bulldozes earth fill into the site of Hauntz Park, between Columbian and Woodbury-ave, south of Sullivant-av. Raymond Dietz, superintendent of city parks and forestry, reported Tuesday that only a small amount of additional fill will be required to ready the site, which will boast a family picnic area, a wading pool, hardtopped play area, and fence-enclosed play area. Completion is expected by summer. Dietz is cooperating in the plan of the Highland Garden Club to purchase 20 shade trees and plant them in the park as a "living memorial" to the late Ray G. Hauntz, Hilltop grocer. City parks and forestry will plant the trees. (Hilltop Record photo)

Members of the Highland Garden Club, who last week launched a campaign to raise $500 for the purchase of some 20 shade trees as a "living" memorial" to the late Ray G. Hauntz in the park bearing his name, Tuesday reported a warm response on the part of Hilltoppers.

Mrs. C. V. Williams, chairman of the Highland Garden Club's Hauntz Memorial committee, disclosed that a gift of $100 has already been voted to the project by the Hilltop Business Association and that other gifts are contemplated by other community, civic, fraternal and business groups. The garden club made a donation of $100 to start the fund.

Funds will be received at The Hilltop Record office, 2465 W. Broad-st.

Mrs. Williams points out that the many personal friends of the late Hilltop grocer may wish to participate in the memorial on an individual basis. Gifts upwards of $1 are acceptable, she said.

She has asked, "What more fitting memorial could be conceived to a man who did so much for the youth of the community and the entire city than to dedicate trees which children will appreciate in their summer playtime!"

The late Mr. Hauntz, who died in 1944, was a councilman and active in all civic endeavors and numerous local clubs and organizations. Among his efforts on behalf of making the Hilltop and the city a better place in which to live were spearheading the drive to get a modern athletic field for West High, pioneering as a member of the school board the move to make school playgrounds available to school children during the summer months, and assistance in solving many vexing traffic problems.

SEEKS TO GIVE PUP

It isn't exactly in conjunction with the pending "Toys for Tots" campaign, but certainly any child whose family could not afford to buy a dog, would be thrilled to have a fluffy male collie pup to call his own on Christmas morning.

The Hilltop lady now caring for the pretty brown and white pup would like to give it to such a child with one stipulation—that it receive the best care the child could possibly give. Any person knowing such a child who would like to have the dog for Christmas should call JO. 9225 for further information.

Mary Moore, Holy Family representative in the semi-finals of the "I Speak for Democracy" contest, was among four contestants chosen to appear on the "Teens and Twenties" TV program on Saturday, Dec. 11.

SENIORS TO GIVE BASKETS

In keeping with tradition at Holy Family, members of the senior class will not exchange gifts this Christmas, but will fill baskets with food, toys, and miscellaneous gifts to be given needy families in the community.

Weskiwans Plan Wednesday Meet

The Weskiwans, women's auxiliary to the West Franklin Kiwanis Club, will meet Wednesday, Dec. 15, at 8 p. m. at Perry Twp. school.

Gift wrapping will be demonstrated by Mrs. C. Irey. The meeting will also feature a gift exchange among the members and refreshments by the mothers of the eighth grade pupils.

Local Pastor To Aid In Legion's Kids Yule Party

Rev. Phillip A. Harley of the Wheatland Avenue Methodist Church will take part in the annual kids' Christmas party of Smith-Barratt Post 249, American Legion, for some 40 crippled wards of the county and city at 1 p. m. Saturday, Dec. 18, in the post home.

The Ladies' Auxiliary of Smith-Barratt Post will hold its annual Christmas party at the home of Past President Mrs. Helen Watkins, [redacted] Barnett-rd, Wednesday, Dec. 15, at 6:30 p. m. A pot-luck dinner will be served and a small gift exchanged among the members attending. All members are invited to attend this yearly event.

Post members are reminded that even though the money for the Crippled Children's Christmas party has been removed from the mirror at the club and placed in the bank for safe keeping, it is not too late for them to make additional contributions.

Never grieve for that you cannot help.—John Clarke.

STRICTLY FOR DOGS

Remind The Man Or Woman You Own That Dog Licenses Went On Sale Dec. 1

By I. M. Tellwagger

You've heard of things being strictly for the birds; well, this is strictly for us dogs. And I and any other tail-waggers would appreciate it if you humans would not read it. I can guarantee you that your canine buddy—and I don't have to tell you that dogs are man's best friend—will tell you about it.

The matter that has me barking and the hackles up on my back is a notice I read in xx xxxxxxxx xxxxx xxxx xxxxxx just the other day.

Franklin County Auditor Fred C. Dunn said that 1955 dog licenses went on sale Wednesday, Dec. 1, at the court house and at the animal shelter of the Humane Society but at 2770 Grovepert-pk.

You can save your master a lot of standing in line during January if you tip him off to the fact that the current sale is designed to save him time. Growl at him, even give him a playful nip if it's necessary to remind him that the auditor's office will be open from 8:30 a. m. until 4:30 p. m. except Saturdays when the closing hour will be noon.

Dunn figures that there are about 43,000 of us dogs in the county and apparently is working quite hard to convince the humans that "own" us dogs of the necessity of buying licenses and getting them early.

Actually, here's the clincher you can use when you talk to the man or woman or boy or girl who is making life pretty doggone nice for you. Whine in his or her ear that $2 is a pretty small price to pay for friendship—and the same amount applies to the license whether you're a male or female dog.

All your "owner" (Hah!) has to do to make the process even easier is to use the mails to obtain the license. Tell him to forward the fee to the Franklin County auditor, County Court House, Columbus 15, Ohio, along with his or her name and address in a stamped, self-addressed envelope along with a brief description of his canine pal (age, breed, sex, color, long or short hair, etc.)

The best part about it all is that it's real Social Security for us dogs. You see, the fees collected constitute a fund allocated to the Humane Society's activities. And just remember, my canine friends, there is no stigma attached to wearing a number and being registered with the government. After all, humans have to go through the same process for their Social Security. It is for our protection!

A FREAK CARROT DO?

Wanted for quite country hotel, vegetable man or woman.—Adv. in the London Evening Standard.

TALLY UP IN MUSCULAR DYSTROPHY DRIVE—Above are West Side and Hilltop members of the Columbus Fire Department and their wives shown the night of Tuesday, Nov. 30, as they tallied up the collections brought in by firemen throughout the city in their collection of funds to finance research into causes and cure of muscular dystrophy. Left to right are Clarence Grubb, 311 Cypress-av, battalion chief of the west district; Mrs. Ralph Burden, 3139 Parkside, whose husband, Capt. Burden is assigned to Station 12 at Brinker and Sullivant-aves; Lt. James F. Seagle, 76 S. Richardson, chairman of the 1954 drive, stationed at Fire House 9, Buttles and Delordere-ays; and Mrs. James Seagle. The volunteer workers had tallied more than $16,000 in the city by the time they completed their task shortly after 1 a. m. Chairman Seagle reminds all residents of the Hilltop and West Side that they may drop the muscular dystrophy envelopes, unstamped, into any mail box if they were missed by firemen collectors the night of the drive.

DO IT ON DO-IT-DAY—Carol Weber, 1866 Miller-av, South High School, left, and Gayle Lamb, 181 S. Sylvan-av, right, West High School, remind you that Monday, Dec. 13, is Do-It-Day—the day when all procrastinators are urged to send in money for the Christmas seals they received in November.

Letters To The Editor

Dec. 6, 1954

Columbus, O.

Dear Sir:

We of the Hilltop read with a great deal of amusement, the instruction sheet placed in the lid of our garbage cans, by the employees of the garbage and sanitary division of the city.

It was amusing to note that leaves, tree branches, etc., were not to be placed in the alley, but piled in the street (where the city would pick them up) (WHEN?)

A trip down the streets of the Hilltop will convince even the most skeptic that we now live in France, where a rotting pile of manure is found in front of every doorway; the exception in our case is that it is a pile of rotten leaves that were raked out in the gutters by the property owner, on instructions given them by the city administration.

All we need now to make this mess complete, is just one hard rain, or heavy snow, to wash this accumulation of stinken, rotten leaves down the sewer, stopping it up and flooding every basement in this section of the city.

Now all of us know that we must be governed by certain well defined laws, but we also know that laws that are not carried out by both the citizens and the law enforcement agencies, are worse than no laws at all, for they breed contempt of all laws, in the hearts and minds of all.

If the city administration does not have the men and equipment to do such jobs, then why waste time, money and paper, to print such notices?

When we add together all the little snide tricks, fostered on to the tax-paying citizens of a community, it is quite easy to see just why many cities have installed city managers after their elected city officials had failed to give them good administrations.

Just I list a few of these things that lead to such failures of city administrations: Failure to keep up city-owned and operated utilities, such as transportation, street repairs, street lighting, sanitation, sidewalks and adding such services to new, as well as old communities as they become a part of the city.

We can talk all we want to about why fringe areas refuse annexation to a city, but the plain facts are these, such cities must first show that they can and will render such new communities the services that they cannot secure under their own incorporation, or under a township, or county set-up. This city has failed to do so.

The Gay Philosopher Sends His Son This Year

The very popular Gay Philosopher calendar, used so many years by this newspaper, is back again for 1955 and this year he sends his son with a caption, "Pa always say, a good listener is not only popular but after a while he knows something." What truth!

A limited supply of the Gay Philosopher calendars is available by calling in person at our office.

Interested In A Recreation Center?

Harold Cunningham, who owns several acres on Valleyview Dr., has been interested for some time in establishing a recreation center on this property to contain a swimming pool, skating rink, etc.

In order to determine just how much interest there is in such a project from residents of the community and youngsters in particular he is asking that those interested contact him. He will appreciate a call at JO. 8561.

And a fine word of thanks to The Gable, a Masonic fun club for their $15 contribution to this fund . . . Let's keep that Christmas spirit flowing and let our contributions to the Y building fund serve as an incentive to get a building started in 1955.

West Choir Will Present Annual Christmas Sing

By Lois Hunter

On Sunday, Dec. 19, at 3 p.m., the West High School Choir will present its annual Christmas concert in the West High auditorium. The production will be under the direction of Mrs. Sadie G. Jackson in the absence of the regular director, Mrs. Edith C. White, who is convalescing from bronchial pneumonia.

The program will feature various Christmas numbers by the choir, girls' ensemble, junior high choir, and advanced girls' glee club. One of the specialty numbers to be given will be Fred Waring's "Twas The Night Before Christmas," sung by the mixed ensemble.

The closing numbers will be "The Hallelujah Chorus" and "Benediction Hymn," at which time the choir alumni will be invited to the stage to join with the choir in singing. While there will be no admission charge, a free will offering will be collected. The public and alumni are cordially invited to attend.

Third Hilltop Rally Of Youth Plans Detailed

The Hilltop Inter-Church Youth Council will sponsor its third youth rally to be held Sunday evening at 8:45 in the Hillcrest Baptist Church.

This month's rally will be in the form of a Christmas Carol sing, with accompaniment by both the organ and piano. An illustrated story of "The Littlest Angel" will be presented by the host church.

Following the group singing and the story, the entire congregation will recess to the church basement where a period of fellowship will follow with light refreshments served by the young people of Hillcrest Baptist Church.

The Hilltop Inter-Church Youth Council, organized in October, sponsors one of these mass youth rallies once a month. All young people of the Hilltop and surrounding area are invited to attend. A banner is awarded each month to the church with the largest representation.

Further information regarding the council may be obtained by calling Shirley Anderson, president at RA. 5841 or Mr. C. H. Campbell, adult counsellor, at JO. 6314.

Burned-Out Merchants Resume Usual Business

FIRE SCENES—In the J. Curtis Allen photo at left above, Hilltop Funeral Director Noble Allen delivers oxygen to one of the firemen overcome at the fire Sunday afternoon in the 2400 block W. Broad-st. At right above, Lensman Anderson has captured some of the harried confusion at the scene as firemen were evacuated from the building immediately after explosion of gas in the basement. Two firemen narrowly escaped death in the blast. In the picture at right, taken by Record Staff Photographer Harley Greene, firemen clear debris and broken glass from the Hilltop Photo Shop, 2417 W. Broad-st. Windows in the photo shop and the Hilltop Jewelers, 2421 W. Broad-st, were shattered by the gas explosion. A crowd of more than 500 gathered to watch firemen battle the blaze for more than an hour.

Sunday Blaze Routs At Least 40; Blast Injures 2 Firemen

Hilltop merchants who were victims of a two-alarm blaze which scorched and seared the basement of a brick business and apartment house in the 2400 block of W. Broad-st were back in business today and still inventorying their losses.

At least 40 persons were routed from the building to safety late Sunday afternoon after the smouldering blaze in the basement under the Hilltop Jewelers, 2421 W. Broad-st, burst into flames.

Mrs. Leona Smith, who lives in one of the four second-floor apartments, was evacuated by firemen down a ladder. Another tenant, Miss Eva Smith, fled to safety through a back apartment and down a back stairway. Fortunately, none of the other tenants was at home at the time of the fire.

Two firemen, William Wilgus, 906 Racine-av, and Neil E. Mills, 904 Racine-av, suffered burns when gas leaking into the basement exploded. They were treated for their injuries and smoke exhaustion at Mt. Carmel Hospital.

Columbus Fire Chief Walter G. Strickfadden, who arrived at the scene with the second alarm to aid in direction of fighting the stubborn blaze, said that firemen had extinguished flames on the gas meter. A few minutes later, the gas exploded.

First report of the fire was made by Earl Carper, 903 S. Wheatland-av, an employee of the Hilltop Bowling Alley, 2419 W. Broad-st. Three Hilltop youths, Chuck Snyder, 17, of 2344 Lenora-av, Tommy Lawless, 16, of 52 N. Wayne-av, and Richard Stewart, 18, of 1924 Fairmont-av, were believed to have discovered the fire first as they entered the bowling alley.

At least 35 patrons of the bowling alley fled through the front and back doors as smoke began to pour from a crack between the hardwood and through the front door.

Seven firemen, including Battalion Fire Chief William D. Wentzel, were treated at the scene for smoke poisoning. Another 11 firemen were treated and released at Mt. Carmel Hospital for various injuries and acute smoke poisoning.

Heaviest loss in the blaze was

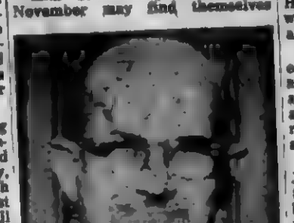
Roy Von Ins Named Manager Of Hilltop City Nat'l Bank Branch

Announcement of the appointment of Roy E. Von Ins as manager of the new Hilltop office of the City National Bank and Trust Co., now under construction at 3180 W. Broad-st, was made yesterday by J. H. McCoy, president of the City National Bank and Trust Co.

Roy E. Von Ins

The bank, which will feature drive-in service and is located on W. Broad-st between Brisker and Westgate-aves, is scheduled to be open in early spring.



Von Ins is a native of Fairfield County, Ohio. He was graduated from Ohio State University in 1943 with the degree of bachelor of science in agricultural education. While at Ohio State he was a member of the Townsend Agricultural Society. Von Ins entered the army immediately upon graduation and was assigned to the field artillery. He was discharged as a captain in January, 1946, after serving in the European Theater.

He entered upon his banking career with the Bank of Basil Company, Basil, O., when he returned from military service. In May, 1946, he became associated with the City National Bank and Trust Co. He has served the bank in all of its present offices and in various departments. He was elected an assistant cashier in January, 1952. Von Ins holds the Standard Certificate awarded by the Columbus Chapter of the American Institute of Banking and in June, 1954, completed the three-year course of the graduate school of banking conducted by the American Bankers Association at Rutgers University. His thesis, "Sponsoring a Junior Achievement Bank," was considered to be of outstanding interest and quality and therefore has been placed in the libraries of Rutgers and Harvard Universities.

Mr. and Mrs. Von Ins have purchased a home at 51 S. Brinker-av and expect to move there soon from their present home in Fairfield County. They and their son, James, and daughter, Mary Ann, look forward to becoming a part of the Hilltop community.

Hilltopper Henry Koontz Tosses His Hat In GOP's Mayoralty Ring

That Columbus residents next November may find themselves voting for two Hilltoppers as mayor candidates was a distinct possibility today following the disclosure of County Commissioner Henry A. Koontz Saturday that he would seek his party's nomination at the GOP convention Feb. 8.

Henry A. Koontz

Koontz, more generally addressed throughout the city and county as "Heinie," lives at 495 Hilltonia-av. Mayor Jack Sensenbrenner, avowed Democrat candidate for re-election, lives at 335 Guernsey-av.

Koontz and City Councilman Joseph R. Jones both announced that they would actively seek the bid of the GOP convention. Such party support would be tantamount to nomination in the non-partisan primary of May 3, most observers believe.

At least four others are believed to make a bid for convention endorsement. And one of these, Councilman Jerry Spears, Jr., is also a Hilltopper. Spears, Jr., who lives at 2909 Fremont-st, is associated with his father, Jerry Spears, Sr., in Spears Funeral Home, 2693 W. Broad-st.

While not committing himself definitely, Spears, Jr., has indicated he would be open for draft if enough persons seem to want him. In his first trial at the polls,

Wayne Morrow Dies Of Traffic Injuries

Funeral services for Wayne Allen Morrow, 38, of 520 S. Wheatland-av, killed early Monday when his car crashed into a pole at Route 33 and Olentangy River rd, will be held at 1:30 p.m. Thursday in Shepherd Nazarene Church.

Friends may call at the Wylie S. Shroyer funeral home, 2559 W. Broad-st. Burial will be in Sunset Cemetery.

Sheriff's Deputies said Morrow, alone in his auto, was driving south in Olentangy River-rd about 2 a. m. He failed to make a left curve and the car struck a pole which supports traffic lights about 50 feet north of the railroad underpass.

Thrown from his car, Morrow was dead on arrival of emergency squadmen.

Morrow was a dispatcher for the Retail Merchants Delivery, Inc., 555 Boone-st, and had been with the firm 18 years.

He is survived by his wife, Virginia; a daughter, Nancy Lee, 17; three sons, Wayne Allen, jr., 16, William Austin, 7, and Thomas Louis, 3, and his parents, Mr. and Mrs. C. D. Morrow of Alexandria.

Smith-Barratt Legion Ends Fund Effort For Crippled Kids Party

Smith-Barratt Post 249, the American Legion, has reached the climax of its all-out drive for funds for the annual Crippled Children's Christmas Party on Saturday, Dec. 18. Bill Gallagher and his committee have been cited by post officials for completing "a tremendous task" in coordinating all the activities which comprise this affair.

The post membership extends its thanks to all members and friends for their contributions to make this party possible.

Ladies of the Auxiliary, who will prepare and serve the food for the children at the party, announce they can use some extra help. Any lady interested may contact Ellen Eisel. Auxiliary members are busy too, working on their membership drive.

First Vice-Commander Charles Custer presented the post with a novel and beautiful Honor Roll Scroll as a permanent record bearing the names of all the 1955 Early Birds. Custer reminds members that now is the time to pay 1955 dues if they have forgotten about them.

The post's drive in its goal for a new home of its own has been given a significant boost the past few months by the efforts of Past Commander Bob Renner and his wife Sally.

SCHOOLBOY HIT BY AUTO

Joseph Knisely, 10-year-old son of Jesse M. Knisely, 502 S. Powell-av, was struck by an auto at the intersection of Harris and Sullivant-aves, Tuesday, as he returned to John Burroughs School following lunch. He was taken to Mt. Carmel Hospital for treatment of scratches and bruises and was still being held there Wednesday for observation in the event of internal injuries.

TONIGHT'S THE NIGHT—The night of Thursday, Dec. 16, marks the highlight of fund-raising activities of the Hilltop Kiwanis Club as volunteer newsboys hawk the 1954 Christmas edition of the club at every home on the Hilltop. Your porchlight tonight will brighten the heart of these salesmen, who know that funds raised aid community youth in numerous ways in addition to helping out in other Hilltop civic endeavors. In the photo above Kiwanian Paul Rausch receives a warm welcome from Mrs. Howard Sturgeon, 144 Binns-blvd, in a pre-sales tryout of his sales speech. At left is Elmer Hagenberger, chairman of the door-to-door sale who hopes every Hilltopper will greet Kiwanis salesmen as generously tonight. Kickoff banquet for the salesmen will be at 6 p. m. in the West High school cafeteria. (Hilltop Record photo)

MAYOR LIGHTS TREE—Mayor Sensenbrenner is shown above as he pushes the switch on Sunday evening, Dec. 12, lighting the traditional community Christmas tree of the Hilltop Community Council. The tree, located on the hill just north of Glenwood Recreation Center, will attract the attention of hundreds of W. Broad-st motorists leaving and entering the Hilltop. A beautiful Christmas scene at the base of the tree adds to its charm. (Hilltop Record photo)

Lighting Your Porch For Kiwanis Tonight Will Spread Christmas Through Year

PUBLIC COMMENT

Traditional Christmas Trees Are Choice Of Local Readers

With the aroma of Christmas cookies in the air and sad-faced postmen, drooping under a load of light-hearted yuletide greetings, you don't need a calendar to tell you that it's time to choose the Christmas tree. This, of course, brings up the annual question of which makes the best Christmas tree, long or short needled firs? A monkey wrench has been thrown into the works in recent years with the addition of fancy sprayed trees. Completely confused, we finally turned to our readers for an answer to the question, "Which tree do you prefer?"

Mrs. Luetta Bennett, mother of Mrs. Lemuel Gordon, 156 S. Richardson-av. "My daughter always has a short needled tree and I always had one too when the children were small. We have had trees with long needles but they don't seem quite like Christmas trees."

Mrs. Elaine Hanson, 27 Binns-blvd: "The long needled pine is our choice. I think the lights nestle among the longer needles to give a much prettier effect, and the pines are so fragrant, too."

Mrs John Markins, 48 Coolidge-av: "My family seems to feel that an old-fashioned short-needled tree is more like the traditional Christmas tree and it is what we always choose."

Wayne Paulin, 4530 W. Broad-st: "We have no children in the family and so we aren't going to decorate a tree this year."

Mrs. A. W. Schellkamp, 861 S. Hamilton-av: "We prefer the balsam trees. They smell so good and, since we only leave it up for about five days we aren't too concerned about whether it will last well or not."

YOUR YOUTH

By Dick Wilson and Bob Schmidt

The time is drawing near when everyone begins thinking of Christmas, Santa Claus, and gifts. The one thing which many of us forget, though, is the real spirit of Christmas. We should stop and really consider how in the person of Jesus, God entered human life as a wee babe. By doing so, God risked his greatest revelation to the helplessness of the cradle! This was a risk he took for us and all the peoples of the earth.

This risk brought about the cross which shows us the depth of God's great love for mankind. When we share this great love with others, even to the end of the earth, we show that Christmas is FOR Christ.

In these days of uncertainty, nothing is so certain as God's love. When we share this love, we are working together with Him to clear up mistrust. We are giving people someone whom they can trust now and forever.

God Himself makes it all possible. Our God who revealed Himself in the likeness of man is a just God, sufficient for all the peoples of the nations.

Thus we leave you with the thought that the real spirit of Christmas is in the idea that the Christ of Christmas impels us to serve.

The text for this week's column was taken from "The Upper Room," a daily devotional guide edited by J. Manning Potts.

UNSEEN VOICES

A psychiatric board was testing the mentality of a Negro soldier. "Do you ever hear voices, without being able to tell who is speaking or where the voices come from?" he was asked.

"Yes, sub," answered the Negro. "And when does this occur?"

"When I answers the telephone."

A FULL LARDER—When Mrs. Wade Kann, 698 W. Mound-st, read of the need in this newspaper for a refrigerator at Glenwood Recreation Center and presented the center with one in excellent operating condition, she filled a real need. Posed with the new refrigerator are, from left, Sally Lucke, cooking class instructor; Ralph Holman; Mary Jo Blackburn; and Charles E. Moore, center director. The cooking class, Teen Club, Square Dance Club, Gleaners, and Buckeyes needed a refrigerator in which to store perishables for parties, dances, and other occasions. Now, many of these items may be purchased several days before they are needed. In addition, leftovers can be utilized by the groups.

Tryouts For Talent Show Will Be Held Dec. 17

Tryouts for the Teen Talent Show will be held Friday, Dec. 17, 6:30 to 8 p. m., at Glenwood Recreation Center. The talent show will be presented at the Christmas dance, Dec. 22, at the Center.

Teen agers who are interested in presenting a singing group, musical or dance group are invited to come to the tryouts.

One of the featured attractions of the dance will be the presentation of the newly-formed Glenwood band.

Teen agers have been working on decorations for the dance in craft classes held at the Center.

The dance is to be the feature attraction in Glenwood's Christmas program, and teen agers are welcome to enter into the fun of the talent show.

Jailhouse 5 Strengthens Lead In Junior League

In the fourth round of junior boys league play at Glenwood Recreation Center on Wednesday, Dec. 8, the Jailhouse 5 ran roughshod over the Hawkeyes 48-11 to protect their unblemished record of four wins and no losses.

Little Don Barnes tossed in 25 points for the victors which gives him a season total of 48.

An improved West Side 5 quintet dropped the one-time league leading Jets 17-14. This game gave the West Side 5 a 2-2 record which ties them for second place with the Jets.

Jerry Strickler and Jerry McQueen collected six points apiece for the victors, while Carl Brown and Rodger Tidwell tallied six apiece for the Jets.

Outstanding Live Christmas Tableau Is Planned By Hilltop Church Of God

NATIVITY SCENE—In a dramatic scene from the holiday spectacle to be staged by the Hilltop Church of God congregation for four nights before Christmas are, above, left to right, Claude Martindale, 950 S. James-rd; Clayton Martindale, 177 Lochner-av; Ilene Eigman, 336 W. First-av; and Randall Brofford, 786 Hague-av. The entire community is invited to see the spectacle of "The First Christmas Lives Again" from 7:30 to 9:30 p. m. Monday through Thursday, Dec. 20-23, beside the church building at 635 Whitethorne-av.

* * *

Thousands of Columbus and Central Ohio residents are expected to make a pilgrimage to the Hilltop this next week as the pages of time are turned back 19½ centuries by members of the Hilltop Church of God, 636 Whitehorne-av, according to the pastor, Rev. O. G. McClure.

The week before Christmas most of the congregation will be living in the time of the birth of the greatest life that ever lived, said Rev. McClure. They will present for four nights out of doors, a real live tableau of the first Christmas. The 85 people who are taking part in this great holiday spectacle hope to make the first Christmas really live again in the hearts and minds of spectators fortunate enough to view this beautiful event.

Elaborate plans and preparations are now underway to make this the most beautiful scene in Columbus according to the managing director, Mrs. Isabel Ball of 232 N. Oakley-av. Mrs. Ball is assisted by a staff of 14 workers, all specializing in one particular phase of the preparations. The large area beside the church will be used to stage the affair which will run Monday, through Thursday, Dec. 20 through 23, from 7:30 to 9:30 p. m.

It is the first time in Columbus the nativity has ever been shown just like this. Two large choirs in robes will sing carols, accompanied by organ. The music will be carried over a speaker system from the top of the church. Beautifully colored spot lights will add much to the setting of real live persons in costumes taking the various parts.

It will require three or four actors to alternate for each part so no one will become too uncomfortable from cold or inactivity for the two hours each evening. The live animals, the Star of Bethlehem, the angels, the cherubims, the shepherds that watched and the wise men coming from afar will all help to make this the most attractive Christmas scene in Columbus, Rev. McClure said.

Everyone is invited to drive past and stop awhile, then go away with a determination to put Christ back into their own Christmas celebration.

West Hill Church Announces Services

Two special Christmas services will be conducted Sunday, Dec. 19 at the West Hill Church of Christ, 3220 Sullivant-av.

At 9:15 a. m., carols will be sung and at 9:40 a. m. Christmas recitations and songs will be presented by children under the direction of Miss Marilyn Rozell. Santa will also present a treat to all.

At the 10:40 a. m. church hour, special Christmas musical numbers will be presented by the choir under the direction of Miss Grace Durflinger and Miss Nancy Roby. The Christmas sermon will be given by the pastor on, "Remember Christmas is Christ's Birthday."

Rev. J. E. Gordon is pastor and Clarence N. Clifton, Bible School superintendent.

Briggsdale Church Installs Chimes

The Methodist Church at Briggsdale has installed in the tower of the church a broadcasting system. At 6 p. m. each evening beginning Dec. 19, chimes and great hymns of the churches will be broadcast over the area.

To cover the cost of this new message from the church to the community and surrounding area memorial gifts are invited from interested people of the district and friends of the church. A special committee for this purpose includes Harry Schilling, James Brownfield, Mrs. Mary S. Molt, Mrs. C. Bellamy and Mrs. Earl Canter.

Naughty kittens, lost your mittens. Well find them with a want ad.

A Living Christmas Gift

Each year, do you worry and wonder what to give for Christmas?

Other years you have given clothing, candy, jewelry; now you are looking for something that will be different. There is nothing that will add more gracefulness and charm to a home than an aquarium of tropical fish.

Tropical fish, living their lives and swimming about as they have in nature for thousands of years, will provide a fascination which will be enjoyed by everyone, whether young or old.

Trabert's Aquarium, 2941 W. Broad St., carries a complete line of aquariums and a large variety of tropical fish. Mr. Trabert will be glad to advise you about an aquarium for a Christmas gift. Stop in from 12 noon to 8 p. m. daily or Sunday.—Adv.

Rev. Anthony

Here are seekers after God. They are anxious and determined. They want in... will those doors open? Is it any use to knock? Jesus said, "ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened to you." Big locks and heavy doors will break open to those of great faith. Your child and mine need God; they need His church. God said to Joshua, "as I was with Moses so I will be with Thee." "Maybe He's here?" He said, "Suffer little children, and forbid them not, to come unto me."

lage Council Approves Plat r Subdivision On Dexter Farm

By Louise Fahlmann
FR. 8-4186

ubdivision plat proposed by ers of the Dexter Farm was ed by council at its meet- Monday evening, Dec. 6. pplication for annexation to ented to the Franklin County commissioners is expected to receive prompt approval, Mayor Patterson said early this week.

Council was still undecided on the site to be selected for the new sewage disposal plant, the mayor said. The matter was to be acted upon at another meeting this week. A further meeting was held this Monday evening with those interested in other developments surrounding the village. A bonding investment company representative was expected to be present at this meeting. Several bids on purchasing the bonds to be issued for financing the sewage expansion have been received by village authorities. Action to select and approve the successful bidder is expected at an early meeting.

Plans are being pushed to go ahead with surveys in preparation to start work soon after the first of the year.

The new clerk to succeed Mrs. Jeanne Feldspauch, whose resignation becomes effective Dec. 31, is expected to be named at the next regular meeting of council on Monday evening, Dec. 27.

Next Sunday, Dec. 19, is Membership Sunday at Hilliards Methodist Church. New members will be received at this service. Those desiring to affiliate with the congregation are invited to announce themselves to the minister, Rev. John P. Adams.

The chancel will be decorated with Christmas flowers for this service. Anyone wanting to contribute to the decorations is welcome to do so. Mrs. Love, Mrs. Matthews and Mrs. Woodin are superintending the arrangements.

The church school is following an effective departmental series of programs for the Christmas season. At a program in the church sanctuary on Sunday afternoon, the primary department, consisting of first, second and third grades and juniors, comprising fourth, fifth and sixth grades, engaged in an inspiring presentation of carol singing and worship period. The film, "Christmas Around the World", was shown and the service concluded with a talk and prayer by Rev. Adams.

Mrs. Grace Snider is superintendent of the primary department and Garnet Beemer is in charge of juniors. Kindergarten superintendent is Mrs. Florence Murray.

The offering collected at the service will go to the South Side Settlement House for the benefit of a group of boys from eight to 13 years old.

Following the worship service on Sunday afternoon, the children visited the various class rooms which had been decorated for Christmas and later were served refreshments which had been prepared under the supervision of Mrs. Irene Griffith Thomas. The WSCS, Ye Faithful Sunday School class, and church school cooperated in sponsoring the program and providing refreshments.

Gifts presented by the children were made by them and represented an array of taste and creative ability. Kindergartners also shared in the project.

The Children's Christmas Story Hour will be observed next Sunday from 9:30 to 10:30 a.m. Offerings from the remainder of the church school will be received at this service. This represents the "White Gifts from Children" offering.

Christmas will be observed in the nursery for the Sunday School and worship services next Sunday during the hours from 9:30 to 11:45. Those in charge of Hilliards Methodist Church desire that no segment of the church's population be omitted from the Christmas observance.

Teachers and directors of children wish all a Merry Christmas and a Happy New Year, Mrs. Kenneth Swepston as spokesman for the youth departments, said.

Hilliards takes on the look and feel of Christmas with the erection in the square of the community Christmas tree and stringing of many-colored lights in the downtown area . . . It was observed last week that the fine old shade trees at what had been the village public park section at the fair grounds had been leveled to the ground. Authorization for the act had not been determined, although it is assumed the same had been regularly issued.

Owen Van Schoyck of Vaniard Farm visited the Carnation Milk Farm at Seattle, Wash., last week and was a guest of the Carnation Co. during his stay in the Seattle area . . . Miss Aida Skinner, sister of Mrs. Ray Van Schoyck, fell downstairs at her home in Upper Arlington last Friday evening. She is undergoing treatment at Mt. Carmel Hospital where it was found no broken bones had been received. Relatives from here who visited her early this week reported she was improving. Miss Skinner taught school in the Hilliards school system for a number of years. Her many friends and former students earnestly hope for her recovery.

Bethel 45, Job's Daughters, elected officers for the ensuing year in regular meeting held last week at the Masonic Hall. Chosen were: queen, Doris Yeater; senior princess, Jeanne Perry; junior princess, Judy Rook; guide, Carla Siegfried; marshal, Vera Hornbeck. Formal installation will be in January.

Girl Scout Troop No. 201 is holding its Christmas party this evening at the home of Rebecca Russell. A pot-luck supper will be served.

Santa Claus will visit Hilliards Grange at the annual Christmas party for the children on Thursday, Dec. 23, at 8 p.m. Members are requested to bring a 50-cent gift for a man, woman or child, for the Christmas gift exchange.

At the last meeting of Hilliards Grange, Dec. 9, Harry Shaefer, attorney, gave a very interesting and informative talk, explaining how the new Social Security Act affects farmers.

Hilliards Grange is very proud of the blue ribbon awarded its lecturer, Vivian Greenwood, by the state Grange. This is the highest award a Grange can achieve.

The junior class of Hilliards High School is having a dance Friday evening following the basketball game.

The annual Christmas program, participated in by all grades, will be held at the high school auditorium at 2:30 Sunday afternoon. The program is under the direction of Mrs. Mary Duncan and Robert White, of the elementary and high school music departments.

Hilliards junior high basketball team won over Dublin, 32 to 21, at the Dublin school last Friday. Coach Don Shaw will take the team to Rome this Friday.

Westgate EUB; Glenwood Methodists In Two-Tay Tie For Y Junior Loop Lead

By Dick Wilson

The Hilltop YMCA Junior Church Basketball League was in a two-way tie after the games played at Glenwood Recreation Center last Saturday.

Glenwood retained its position in first place by blasting Hose Memorial 35-16. Kreig led the victor's scoring with 20 points. High for the losers was Spencer who managed to collect 10. Outstanding defensively were Hummel from Glenwood and Hill from Hose.

The most exciting game of the day was the West Jr. Hi-Y-Westgate EUB game which the EUB five won 39-22. The big difference between the two teams was Jeff Dam who made nine baskets for 18 points for the victors. Don Barnes was the offensive star for the losers as he collected 14 points. Defensive standouts for the visitors were Snavely and Dam. John Herold and Bill Ingle were the defensive stand-outs for the losers.

Two forfeits marred the league when Hilltop AC failed to field a team against Westgate Methodist and Community Christian did likewise against Burgess EUB. This was the second straight forfeit for the Hilltop Athletic Club.

Christmas trees have been issued to all elementary grades. Two large ones have been set up in the halls, one in the old building and one in the new.

First through seventh grades presented the program for the Mothers' Club meeting at the elementary school last week.

The operetta, "The Shoemaker and the Elves," by Frank Luther, was given by Mrs. Trachsel's, Miss Leader's and Mrs. Leutzenheiser's first grades and Miss Martin's and Mrs. Johnston's second grades.

A group of contemporary Christmas songs was sung by Mrs. Howard's and Mrs. Harsh's fifth grades.

Seventh grades, taught by Mrs. Kuhlmann and Mrs. Schultz, rendered "Bring a Torch, Jeannette, Isabella," and "Twelve Days of Christmas." The program was directed by Mrs. Duncan.

Schools will be dismissed Wednesday, Dec. 22, and reopen on Monday, Jan. 3.

In preparation for the Christmas season fir trees have been attached to the utility poles on W. Broad st and Sullivant-av on the Hilltop. A cardboard Santa is mounted atop each tree.

Glenwood Recreation Center will present the first of a series of free variety shows at 7:30 p. m. Thursday. Handicraft items will also be displayed at this time. The public is invited.

Statistics from the first World War show that if American enters the present conflict, 18 boys from the Hilltop will be killed in the first year of fighting. Approximately 5,000 would be drafted from the Hilltop during the first year, this number eventually reaching 20,000.

TEN YEARS AGO

Dec. 15, 1954 . . . Rev. A. J. Wold addressed 180 scouters of the Southwest district at the annual banquet and meeting. Rev. Wold pointed out the importance of solving the problem of what boys do with their idle time.

More than 200 persons attended the West High School football banquet sponsored by the Hilltop Business Men's Association. George Gauthier, director of physical education at Ohio Wesleyan University, and Coach Dale Rose were the principal speakers. Gauthier was Rose's college coach. H. G. Deems was the toastmaster.

Four Hilltop servicemen have been reported killed in action on the war fronts this week.

In observance of Christmas, Starling Junior High pupils will present Dickens' "Christmas Carol" for the school PTA.

FIVE YEARS AGO

Dec. 15, 1949 . . . Announcement was made today that Rev. Robert L. Titus has accepted a call to the Emanuel Baptist Church, 236 Belvidere-av. He will assume his duties as pastor Jan. 8.

CHRISTMAS EVE

Christmas Eve! Those two words are magic. Clerks forget how their feet ache; fathers hurry home with something Mary or Johnny thought up at the last minute—and they must have it! Tired mothers hurry the children off to bed early so Santa Claus can come—wishing they could go to bed themselves, but the tree's to trim and a million other things to do; tired postmen sigh with relief that it is over for another year; all kinds of bells ring—church bells, door bells, telephone bells—friends calling to wish the same old sweet wish; Merry Christmas; deliveryman making late deliveries ring the door bells. Christmas Eve—whether or not there is snow, there is the magic of snow. And good will to all, and everybody hoping for peace on earth. Children dreaming of Santa Claus all night long. If we 'only had their faith!

• • •

The One Who said "Inasmuch as ye have done it unto one of the least of these, ye have done it unto Me" must be pleased when He sees the Charity Newsies standing all day in the cold, selling papers so that the least of these may have warm clothing and shoes. Small wonder that in the minds of the children the Newsies have helped, God and the Charity Newsies and Santa Claus are jumbled together.

• • •

Mail—From my favorite shutin: "I've licked so many seals and stamps and addressed so many cards that I found myself putting the seals where the stamps should go, and vice versa. Uncle Sam will blow his stack when he tries to sort out my mail. Why doesn't some genius invent stick-em for seals and stamps that tastes like turkey and cranberries? A gal could get a meal that way. But Christmas is Christmas and I love it" . . . From an intercepted letter to Santa Claus: "If you can't give me the walking doll and dresses and sweater and roller skates and cake set and two-wheeled bike and doll bed and doll carriage and desk and set of dishes and doll house, please leave out the dresses and sweater. My daddy will buy them anyway" . . . From Care Postmaster, New York: "The girls over here are friendly but they are not pretty like they are in Ohio. It is cold here too, and we don't have our loves to keep us warm" . . . From Columbus: "I overheard two lady shoppers at the cheap tie counter, ordering ties for their husbands. One of them said 'I am giving him two ties and he better give me that mink coat. I'll buy it myself if he doesn't,' and at the same counter a little girl asked the clerk anxiously, 'Do you think my Daddy will like this one?'"

• • •

From somewhere—mostly about Christmas; Simile: As alert as a Christmas shopper eyeing a prospective bus seat . . . . During the Christmas rush, parking (a car) is such sweet sorrow . . . Some of the boys overseas are not dreaming so much of a White Christmas as of a white shirt.

IS THERE A SANTA CLAUS?

Do you believe in Santa
Or are you old and wise
And don't believe in fooling kids
And telling little lies?

If you don't, I'm sorry
(No reason I should be)
For you're the one who's losing;
It means not a thing to me.

But if you are still doubtful,
And the truth you'd like to find,
Just watch the kids on Christmas morning
And then make up your mind!

Robert Blackadder

CHRISTMAS LULLABY

Little child against my breast,
Pink-nightied body curved to rest,
Tell me as you go to sleep,
Do you count white wolly sheep?

Or do you walk through Sleepytown,
Tippy-tip up and tippy-toe down,
Where shops are filled with teddy bears
And cuddly dolls and small red chairs?

Or do you see tall, lighted pines
And dreams of how one bright star shines
Above the Christ Child on the hay,
Where shepherds kneel on Christmas Day?

These Eyes —

How Well Do You Know Them?

EDITOR'S NOTE: With identification of the mystery man of Hilltopper Joseph M. Briggs shown in this feature last week the Record today marks the resurrection of the popular "mystery eyes" feature.

Joseph M. Briggs, a resident of the Hilltop and vicinity for the past 40 years, and his wife, the former Lorene E. Terhune of the north end, now make their residence at 2596 Sullivant-av, where Joe also conducts his insurance and real estate business, established on the Hilltop for more than 25 years.

The Briggs' two sons are also well known to Hilltoppers. Joe, Jr., is now associated in the business with his father while Dick, a West High graduate, is looking forward to his graduation from Denison University this year.

Joe, also a graduate of West High, in the class of 1920, attended Ohio State University.

Among the organizations to which he holds membership are HBA, Westgate Masonic Lodge, Aladdin Temple, and the Hilltop Shrine Club.

Now that Joe, Jr., is shouldering some of the cares and duties of the thriving business, Joe has a few more chances to pursue his favorite hobbies of golf and fishing. Here's hoping for a short winter and an early spring so you can get back to them, Joe!

Pennsy Family Club Will Hold Christmas Party At Central High On Dec. 17

Max Shanck, president of the newly-organized Columbus Pennsy Family Club, announces the second of the club's ventures, a Christmas party for all Pennsylvania Railroad employes and members of their families, will be held in the Central High School auditorium, starting at 7:30 p.m. Friday, Dec. 17.

This party, an annual affair, was previously handled by the company. This will be the first attempt by the newly-formed group to handle the event. Regardless of the department or division of the railroad that employes may be assigned, so long as they work in the Columbus area of the Pennsylvania Railroad, the club extends an invitation to come and enjoy the party.

Gifts for adults and kiddies, and outstanding entertainment await all who attend, Shanck said.

Free parking will be available at Veterans Administration, Broad at Starling-sts; City Health and Welfare, Bells and Town-sts, and Central High School, just south of school building.

Atomic 5 Defeats Milo 44-43 In Glenwood's Sr. Cage League

The Atomic 5 registered its first victory in the Glenwood senior boys' league by winning a hard-fought game from Milo 44-43 Tuesday, Dec. 7, at Glenwood Recreation Center. This game was in the fourth round of play in the pre-season league.

The contest was a see-saw battle throughout. Milo went out in front 21-14 at the first quarter mark, and then the Atomic 5 came back strong to lead 32-28 at the half. The third quarter saw the Atomic 5 score eight more while holding Milo to four. The final quarter was reversed, however, as Milo struck for 11 while holding the winners to four.

Dick Burke and John Davis led the victors with 12 and 10 points, respectively. Ken Metzler was high for Milo with 18.

The smooth-working Hilltoppers, co-leaders of the league, smothered the Mints 52-21 for their fourth straight win. They were never pressed at any point in the game, leading 34-8 at the half. Ronnie Raeb paced the Hilltoppers as he garnered 24 points.

The Lightning 5, the other co-leader of the league, had no trouble keeping its record clean in thumping the West Side Pirates 52-36. The Lightning 5 completely dominated the first two quarters, leading 23-6 at the half. The second half found each team holding its own, and the Lightning 5 coasted to its fourth straight win.

Dick Witter of the Lightning 5 and Ernie Mawhirter of the Pirates shared scoring honors, each with 13 points.

The final game of the evening saw the Clowns trounce the Whiz Kids, 88-41. The Whiz Kids' downfall was engineered almost exclusively by Don Flour who split the nets for 33 points. Chuck Lantz of the Whiz Kids found the hoops for 20.

This game marked the fourth loss for the Whiz Kids. The team as a whole, however, has improved tremendously since the beginning of the season and should find itself in the win column before many more games.

Children Request Sherick Yule Party Funds Be Used Over Year

To the orphans of St. Vincent's and Hare's orphanages, Jack Sherick of Sherick's Studio of Dance, 87 N. Fourth-st, is Santa Claus personified. His traditional Christmas parties have been a highlight of their holiday season for the past 15 years.

Jack Sherick

The project is financed entirely from a series of shows and teenage dances in his studio, held during October and November. The entire proceeds from these affairs are used for the fund which totals $1,300 this year.

At the request of the children, the money will not be spent on one large party this year, but will be distributed over many smaller parties throughout the year. The orphans explain that many people remember them at Christmas but they never have the opportunity to do many of the things that other children enjoy.

During the year, adults will escort groups of 30 by taxi-cabs to such outings as picnics, skating parties with pop corn, pop and all the trimmings provided.

The only Christmas party planned is one for the 39 Fayette County orphans who will be entertained and showered with $300 worth of gifts at Washington Court House School.

Community Christian Church To Dedicate Windows Sunday

Community Christian Church, Powell-rd at Olive-st, will dedicate three new chancel windows at its anniversary service, Sunday, Dec. 19, at 10:30 a. m. The congregation entered the ground floor of the building six years ago and the sanctuary two years ago.

After the service, a homecoming dinner will be served in the church dining room. Families will bring covered dish. The church will provide baked ham, turkey, rolls and coffee. The community is invited.

The center window, approximately 12 feet high, portrays Christ holding a chalice in His right hand with a dove overhead and a lamb at his feet. The window to the right pictures Moses holding the tablets of law and the one to the left, St. Paul holding a sword.

Santa Claus will be present at the party for the children on Thursday night, Dec. 23, at 7:30 p. m. There will be a Christmas tree, a program by the children under the direction of Mrs. Lorenz and treats for all.

Rev. James Lorenz is founder and pastor of the church.

Henry Koontz—

(Continued from Page 1)

Spears, Jr., led the ticket last year following his appointment to city council in 1952.

Avowed Hilltop candidate Koontz, 54, has expressed confidence that he will be the choice of the 702 delegates at the GOP Convention.

In a statement Monday, he declared, "I am definitely a candidate and am prepared to wage a victorious campaign based on my record. If selected, I will conduct a clean battle, sticking strictly to the issues. My sole aim, if I am selected to carry the GOP standard, will be to give Columbus an administration that is fitting for its position as the state capital, one of honesty coupled with efficiency."

Koontz, named Hilltop Man of the Year in 1953, is active in all Masonic orders. A Hilltop resident since 1927, he has lived his entire life in West Columbus. He is a graduate of West High School as is his son, Richard Koontz, 345 Lechner-av, and his daughter, Mrs. Jerry Baker, now of Washburn, Wis.

A member of city council nine years, Koontz has served as county commissioner since 1952. For a number of years he was a retail druggist at Eureka and Sullivant-aves.

His announcement for candidacy came as no surprise. Koontz also made no secret that he wanted to run last year when the Republican incumbent, Robert T. Oestreicher was defeated by Democratic Mayor Jack Sensenbrenner. He has been working on the convention committee for almost a year.

Hilltop Conservation Club Plans Trap Shoot

The Hilltop Conservation Club will hold a trap and card shoot on Sunday, Dec. 19, at 1 p.m., at the club grounds at the north end of Biggert-rd off State Route 665, about two miles west of Darbydale. Shotguns only will be used. Hams, groceries and other merchandise will be awarded. There will be two prizes for each event. This shoot is open to the public and ladies are welcome.

3-Game Program Opens Hilltop YMCA Intermediate Hoop Loop

The Hilltop YMCA Intermediate basketball League opened at the West High School gym with a three-game program.

In the opener, George Miller's Westgate Methodist powerhouse racked up a 55 to 31 win over the Hilltop AC. Jerry Pollock with 16 points, Bob Kern with 15, and Jim Cobb with 12 points led the Westgate assault, while Walt Dolder and Jim Waldo with 11 and 10 points were high for Terry Hora's Hilltop AC team.

After trailing for almost three periods, the superior height advantage of Hoge Memorial Presbyterian paid off with a 42 to 32 victory over a "never-say-die" West Senior Hi-Y five. Dick Villar was the big gun in Hoge's victory drive with 20 points. Ted Walker, Bob Wilkins, and Jerry Rumlay led Woody Link's Hi-Y team. The Hoge team, coached by Ward Cassell, will be a definite factor in the championship race.

In the closest game of the evening, Corky Roth's Hillcrest Baptist squad tallied five points in the last two minutes to down Ellis Brockenridge's West Park Methodist gang 26 to 21 in a well-played defensive battle. Sherwood Waltman with 12 points and Fred Lanch with eight markers were high for the Baptists with Chuck Deyo tossing in 10 points for the West Park cause.

Burgess EUB drew the bye and were idle this week.

Next week's schedule at West High School:

7—Hoge Memorial vs. West Park Methodist.

7:45—Hilltop AC vs. Hillcrest Baptist.

8:30—Burgess EUB vs. Westgate Methodist.

West Sr. Hi-Y (bye).

Burned-Out Merchants—

(Continued from Page 1)

to the Hilltop Jewelers, operated by Lou Klass, 396 Cassady-av. Klass reported that some of his window display merchandise of diamond rings, other jewelry, and watches were lost in the blast which knocked his window out. He was at first fearful that some $600 worth of luggage was damaged beyond salvage in the basement. Klass later revised the estimate downward.

"We're open for business as usual," Klass declared on Monday morning.

Smoke and water also damaged the Hilltop Photo Shop, 2417 W. Broad-st, but Carl Dale, owner of 3122 Steele-av, announced that the shop would be back in business Thursday, Dec. 16. He reported yesterday that all damaged merchandise had been removed and things in general restored to normal.

Dale and Klass both joined in thanks to firemen and police at the scene. "They couldn't have been more helpful," Dale said.

Two other establishments, the J&J Pizza, 2415 W. Broad-st, and the Harmony Gift Shop, 2423 W. Broad-st, reported only smoke damage and broken windows. Firemen used J&J as an entryway to bring their hoses around to the rear of the plaza.

The Hilltop Bowling Alley sustained only smoke and water damage, firemen said.

Despite public service broadcasts to keep away from the scene, some 500 spectators pressed forward, hampering the firemen. Several squads of police maintained order. Trolleys were backed up for more than a block east and west of the scene.

An interesting sidelight was the workman measuring new windows for all the business establishments even before Chief Strickfadden and Battalion Chief Wentzel of 2655 W. Broad-st, pronounced the fire extinguished at 5:35 p. m.

A second alarm was sounded at 4:36 p. m. and an extra inhalator was called at 4:38 p. m. Powerful portable lights were brought into play in the final stages of the fight against the fire.

Strickfadden declared the fire started in rags at the forward end of the basement. Tongues of flame licked through the open joist into adjoining basements.

The building is owned by Tony Nelson 5473 Sinclair-rd, and William Petrakis, 5428 Riverside-dr. They had not fixed their total losses by yesterday.

Damage to the upper apartments was confined to smoke and water.

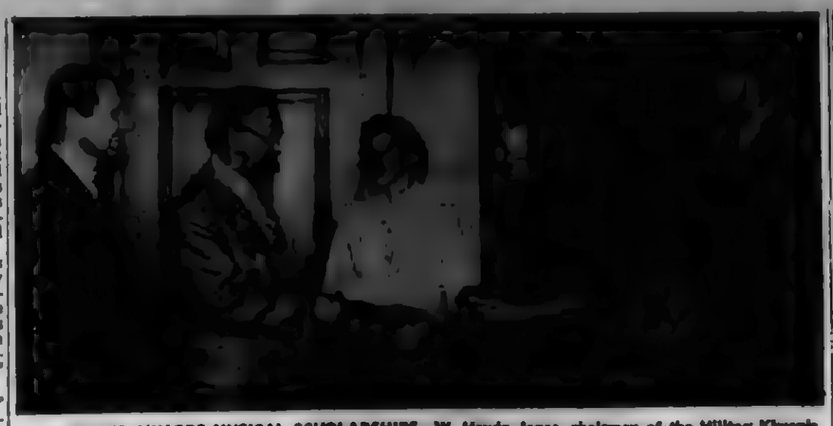
Hilltop Branch Library Lists Special Hours For Christmas, New Year's Weeks

For the holiday, the library will be closed all day Dec. 24 and 25, and Dec. 31 and Jan. 1, 1955. Otherwise, regular hours will be observed daily one to nine o'clock and on Saturday 9 a. m. to 9 p. m.

We are gratified that despite the impending Christmas rush, the Hilltop Branch Library, 3985 W. Broad-st, issued 11,116 books and magazines during the month of November. In addition 1,944 children were entertained with puppet shows in connection with National Book Week. The metamorphasis from librarian to puppetier was made by the staff for 42 performances. The children reciprocated by reading 6,000 [illegible].

Among interesting new books received last week at the library is a new title, "Soldier of Fortune," by Ernest K. Gann, whose "The High and the Mighty" has gained wide renwown. In its own right, however, the tantalizing adventure novel, "Soldier of Fortune," will be read.



"The Tortoise Under the Hare." an English novel by Elizabeth Jenkens, is a Book Society choice. This is the British equivalent of our Book of the Month Club.

A regional book of stories by William B. Mowery, "Tales of the Ozarks," reveal these hill folks in their true perspective.

Two more English novels "Under the Net" by Iris Murdock, an extraordinary search for the truth by a group of Londoners and another Angela Thirkill, "What Did It Mean?". Miss Thirkill is an expert chronicler for the county Barsetshire.

American Home Magazines has issued in book form three new volumes. "The Book of House Plans" is full of interesting new ideas. "The Basic Manual of How to Do It's" falls in line with explicit directions , ranging from "weatherstripping to old bottles into lamps.." McCall's have a similar book, "Children's Playtime Book," with instructions to parents for practically any phase of the child's world from entertainment to clothing. The third American Home Magazine book is timely "Christmas Book." It contains ideas galore in food. gifts and decorations.

Popular Mechanics Magazine has also added a Christmas volume to its long list of books on popular handicrafts. This book, "Christmas" follows the regular popular Mechanics format, and is very in-[illegible].

KIWANIS AWARDS MUSICAL SCHOLARSHIPS—W. Hayden Jones, chairman of the Hilltop Kiwanis Club music committee, congratulates West High student Nancy Scholten following a brief ceremony in the school office last Wednesday in which he presented her with the $75 top musical scholarship offered by the club. In the photo, from left, are Sam Burkhard, of the Kiwanis music committee; Jones; Miss Scholten; Miss Harriett Brown, music instructor; Norman LaTorre, winner of the second-place $50 scholarship; and Principal Robert Darrow. In making the awards, Jones urged juniors especially to try again if they did not win in the voice auditions held Dec. 2 at the noon luncheon meeting of the club. He thanked the school music department for its help in the fourth annual contest. Each of the other three contestants and the pianist earned $5 awards for their part in the program. Other members of the Kiwanis music committee, who selected winners on the basis of voice quality, diction, interpretation, and technique, were James Hanery, C. H. Campbell and Roger Strauss. West Hands Previously Unbeaten Harding High School 59-52 Upset

By Woody Owen

West High School's cage squad pulled another upset last Friday night at Marion by handing previously unbeaten Harding High a 59-52 loss in a non-league contest.

The Cowboys jumped into an early lead and were never headed as Dick Furry, the locals' pivot man turned in his best all-around performance since donning a Cowboy uniform. He not only led the offensive with 27 points, but his rebound work off both boards was also outstanding.

The Cowboys held a 21-12 lead as the first quarter ended and continued to hold a comfortable margin at halftime, 34-24.

Midway in the third period the locals took a 14 point lead only to see the presidents bounce back to trail by only a 46-38 count as the period ended.

Harding continued its comeback in the final period and with but three minutes remaining trailed by only a 54-50 margin. Then the Cowboys went into a stalling game which proved very effective as they added some insurance points via the free throw route to notch up the win.

Almost completely overlooked was the fine defensive performance of Paul Longmeier, Cowboy forward who held Dick McFann, Harding's offensive ace to only three charity tosses. Just three days previously this McFann had scored 31 points against Columbus Aquinas.

This Saturday night at the Ohio State Fairgrounds local fans will get a chance to witness six of the seven city league squads in action as the first triple-header of the season is on tap.

The Cowboys and Aquinas will open proceedings at 6:30, followed by North and South at 8 p. m. Central and Linden will close out the nights' action starting at 9:30 p. m.

Texas Co. Builds Hilltop Offices And Headquarters

Construction of the first gasoline storage tank at the new Hilltop headquarters of the Texas Co., 631 Reynolds-av, was expected to be under way sometime this week, according to Herb Meinhard, Columbus agent for the firm.

Work began on the site at the northeast corner of Phillippi-rd and the Pennsylvania Railroad this past week on the $40,000 concrete block warehouse which will serve as warehouse and office for Texaco operations in Columbus.

The firm has rented a pipeline to bring gasoline direct to the storage tanks at the refinery at Lawrenceville, Ill., with full-fledged operation expected to start by June of 1955. Tank bases and the fire-wall-type dikes for overflow of gasoline already have been started.

Gifts For All Featured At Grand Opening Of Lee's Superette Store

GRAND OPENING HOSTS—Mr. and Mrs. Charles B. Lee stand in front of their newly-remodeled and completely restocked Lee's Superette, 2461 Sullivant-av at Eureka-av. The Christmas trees are only a few of the 400 valued at $5 each, which Lee will sell for $2.50 each with the purchase of $10 in merchandise during the one-day sale grand opening, Friday, Dec. 17. (Hilltop Record photo)

Grand opening of the completely restocked, enlarged, and almost completely remodeled Lee's Superette, 2461 Sullivant-av at Eureka-av, will be held on Friday, Dec. 17, according to an announcement by Owner Charles B. Lee.

In addition to roses for the ladies and cigars for men customers, Lee has announced a gala galaxy of awards, including a turkey, a ham and a Hawkeye Brownie camera, with winners of these to be announced Friday at 9 p. m. Kiddies will be given free balloons during the event and such gifts as chewing gum, pretzels, comic books, and assorted food articles will be passed out to the customers.

One of the outstanding specials planned to celebrate the event will be the sale of some 400 Christmas trees valued at $5 each for $2.50 each with the purchase of $10 in merchandise. Other specials include sundaes and sodas for 10 cents each.

Lee, who acquired the store, formerly Hardy's E&A Shopall, Nov. 11, has opened up a 10-stool fountain in the establishment and will offer, in addition to complete fountain service, delicious breakfasts and lunches. He has also enlarged the meat counter and will provide one of the most complete line of choice meats, eggs and allied products in the city. One of the specialties will be rabbits.

Included in the complete restocking of the store are name brands of all types of canned goods, a complete line of vegetables, groceries, ice cream, school supplies, patent medicines, toiletries, cosmetics and pottery items. He will feature Sanfordware pottery, a line famous for its 25 new finely-sculptured figurines and planters each year while retaining the best items in its previous line.

Customers will also enjoy the convenience of utilizing the Postal Substation 12, which Lee now operates in the store. A complete line of toys will also gratify adults and kiddies alike. Lee, who is a licensed realtor, will operate a branch office of N. C. Berry Associates, 2540 Sullivant-av, in the store. Adequate parking for customers will be available in the rear of the store.

Hours for Lee's Superette are 9 a.m. through 10 p.m. Monday through Friday and 11 a.m. through 10 p.m. on Sunday.

Lee, who lives at 1200 Wiltshire-av, has lived on the Hilltop since he was 13. He is a member of the board of directors of the Camp Chase Civic Association. He will be assisted in operation of the store by his wife, Mrs. Garnett Lee; his 18-year-old daughter, Diane, who will graduate from West in January; a 15-year-old son, Gary, who is a South High student; and a 13-year-old son, Phil, who attends West.

Lee was a conductor on the Pennsylvania Railroad before suffering an injury in 1951. Later, he became Ohio district manager of the Certified Electric Co. of Warren, Pa.

Our Heartiest Yuletide Wishes

Every member of the staff of this newspaper extends his or her heartiest wishes for the merriest of merry Christmases to each and every reader. May the wonderful Christmas Spirit abide with you throughout the coming year.

Protect Bikes Against Theft

Bicycle owners are urged to buy their 1955 licenses as soon as possible at the Hilltop locations listed in a story in today's edition. Required by law, the licenses constitute a positive form of theft insurance.

West Hi Pupils Enter Into Yule Spirit Of Giving

West High students this Christmas season have undertaken a variety of projects to add to the happiness of others.

For instance, the Future Teachers of America chapter dispensed with its annual Christmas party to hold a party for 30 children, ages 8 and under at Gladden Community Center. The program included a story, a play, singing of carols, refreshments, and a visit from Santa, loaded with gifts for all the children.

The Spanish Club mailed a Round-Robin letter to West High Student Larry Miller, now convalescing from tuberculosis at Benjamin Franklin Hospital. GAA members donated 25 cents each to buy gifts for the Columbus State School. Members also contributed old clothes with the gifts.

Girls of the Y-Teens gave up their annual Christmas party to entertain 200 retarded children from the Columbus State Hospital. Boys who are members of the Hi-Y undertook to adopt a needy family for the Christmas holiday.

Many of the registration rooms gave up parties in order to send gifts to the State School and to help needy families. Boys in Auditorium C contributed $5 they won from a PTA membership drive to aid a needy family.

Room 101 for the past four years has adopted a "no-gift" policy, turning the money over to help a needy family.

An unusual example of the spirit of giving in action this Yuletide at West is the project of a 7B citizenship class, which is collecting articles of clothing and money for postage to send this clothing for an orphanage in Korea.

INJURED IN CRASH

Margaret Horn, 18, of 315 S. Richardson-av, was taken to Mt. Carmel Hospital with head injuries following an auto accident at 11:17 p. m. Sunday at Fremont and Warren-avs.

LEND HELPING HAND—Members of the Smith-Barrett Post, 249, American Legion, entertained several score of crippled children at the group's annual Christmas party for crippled wards of the county and city on Saturday afternoon, Dec. 18. In the above photo, taken as Shirley Angle, a guest of honor from Grove City, is helped from a car, are (not left to right) William Gallagher, past adjutant and chairman of the party committee; Bob Guenther, second vice-commander; Austin L. Champ, commander; and Barbara Wolcott, Dorothy Wolcott, Lucienne Manus, and Lisa Gilson.

Fund For Hauntz Park 'Living Tree Memorial' Rises To $325

The fund started by the Highland Garden Club to raise money to purchase some 20 almost grown shade trees to plant as a living memorial to the late Ray G. Hauntz, beloved Hilltop civic leader, grocer, and benefactor of youth rose to $325 this week with the report of additional gifts of $95.

Mrs. C. V. Williams, chairman of the club's Hauntz Memorial Committee, disclosed that a $60 check had been received in the past week from the Hilltop Kiwanis Club and another personal donation of $35 had been given by Mr. and Mrs. William H. Coulthard of Galloway, personal friends of the late Mr. Hauntz and of his wife, Mrs. Edith Hauntz, who resides at 18 N. Huron-av.

Members of the Highland Garden Club started the fund to purchase the shade trees to be planted in Hauntz Park, between Columbian and Woodbury-avs south of Sullivant-av, with a donation of $100 from their own treasury. Since then, the Hilltop Business Association has contributed $100 and the 13 Club another $50.

Mrs. Williams has revealed that Raymond Dietz, superintendent of the city division of parks and forestry, who is cooperating with the club in its project, suggests purchase of the shade trees later in January when personnel of the division will be able to plant them with balls of dirt necessary for growth.

"Additional funds are needed for this project and other Hilltop clubs and civic organizations have indicated they will aid," Mrs. Williams said. "The club sincerely invites friends and admirers of the late Mr. Hauntz to join in making personal donations to this worthy project," she added.

For the convenience of those wishing to contribute, donations will be accepted at the office of The Hilltop Record, 2466 W. Broad-st, or by the treasurer of the Highland Garden Club, Mrs. Arthur Buchanan, 145 N. Chase-av.

FLYING START—The annual Hilltop Kiwanis newspaper sale got off to a flying start last Thursday noon when the club auctioned off the first papers to the highest bidders. Shown above is Don Caste, Jr., purchasing the first paper for $500 from Clarence Latham, auctioneer. Caste bought the paper in the name of the Great Western Shoppers Mart, being developed by Don M. Caste and Don M. Caste, Jr., and Joe Skilken, associate in charge of construction. About 200 men sold papers on the streets Thursday evening and it is expected that the net proceeds of the sale will reach the $6,000 mark set by the club last year. (Hilltop Record photo)

Dr. Mitchell Resigns As Co. Health Commissioner

Submitting his resignation at the Tuesday morning meeting of the county board of health, Dr. H. L. Mitchell, 57, of 5278 W. Broad-st, acted to terminate a tenure of more than 23 years as county health commissioner.

The resignation, which would take effect Jan. 1, was submitted at the advice of his physician, Dr. Mitchell disclosed. He suffered a heart attack last April 26.

The five-member board, unofficially notified of the resignation Monday, disclosed that they would meet soon to consider a successor to the $7,500-a-year-job. Dr. Mitchell was appointed on a part-time basis May 1, 1931, resigned in 1932, but later returned in a fulltime capacity.

Four Hilltop Locations To Offer Bike Licenses

Four Hilltop branch offices for the issuance of bicycle licenses have been announced by City Auditor R. P. Barthalow. Agents selling the 50-cent licenses, good for the entire calendar year of 1955, are authorized to collect a 10-cent service charge. Licenses at both the city hall office of the city auditor and the branch locations were slated to go on sale Wednesday, Dec. 22.

Hilltop locations include Reeves Brothers Sporting Goods, 630 Harrisburg-pk; Hilltop Business Association, 3183 W. Broad-st; Ray's Bike Shop, 2774 W. Broad-st; and Hilltop Hardware, 2904 Sullivant-av.

Barthalow has pointed out that the licenses are excellent theft insurance since recording of manufacturers' serial numbers at the time of issuance make it much easier for bicycles to be recovered in the event of theft.

During 1955, bicycles found without licenses will be tagged as a warning, to obtain a license within 48 hours and then, if found in operation without licenses they could be impounded until a license is obtained.

STOCKING STUFFERS

Members of Soroptimist International of Columbus are filling 100 Christmas stockings for the youngsters of Juvenile Center. All articles for the stockings have been contributed and Soroptimists wish to thank the donors.

KIWANIS PAPER AUCTION—Hilltop Kiwanis President Otto J. Best (left), Next to him is James White, representing the Vernon C. Neal Co., builders of Westgate Manor, who purchased the second paper for $250. Next is Charles Hill of Hill Distributing Co., purchaser of the third paper at $100, and alongside him Clarence Latham, auctioneer who conducted the very successful sale at the noon luncheon meeting of the Kiwanis last Thursday. The auction traditionally kicks off the annual sale of the Hilltop Christmas Kiwanis newspaper. (Hilltop Record photo)

400 Kids Feted At Annual K of C Yuletide Party

Sunday, Dec. 19, the Santa Maria Council held its annual children's Christmas party in the K of C Council rooms. An estimated 400 children attended.

Starting at 2 p.m., a 30 minute motion picture of Christmas pictures and cartoons was shown.

In keeping with a theme of putting Christ back in Christmas, a tableau of three scenes was presented. The first scene depicted the Annunciation, the second the Visitation and the third, a scene of the Nativity. The characters were portrayed as follows:

Joanne McAndrews as Mother Mary; George Snyder as St. Joseph; Rosemarie Gregory as St. Elizabeth; David Maxwell as Angel Gabriel; and the accompanying cast of Louis Genereux, Jeff Page, and Thomas Martin as angels and Michael O'Brien and John Veltagi as shepherds.

Rev. John Simon, Council chaplain, was the director and adviser.

Narration of the scenes was by William Brown and soloist was Donna Vogts. The program was under the supervision of Charles Page, youth chairman, and Patrick Martin, Catholic activity chairman.

Costuming and musical accompaniment was by Mr. and Mrs. John A. McAndrews.

Following the program, religious gifts and goodies were given the children. The originator of gift giving on Christmas, St. Nicholas, Bishop of Myra, was characterized by Thomas O'Brien and his two acolytes, Richard Martin and George Puttick.

The entire program, although somewhat radical change from the conventional parties of the past, is the initial endeavor in presenting Christ in Christmas and will be continued each year.

(Hilltop Record photo)

Hilltop YMCA Will Give Space To YW In New Facilities

Offices of the Young Women's Christian Association will be established on the Hilltop soon after the first of the year.

An agreement has been entered into between the Hilltop YMCA and the YWCA whereby the YW will have office space and will share the new facilities of the YMCA at the corner of S. Harris and Broad-st. as soon as possible after Jan. 1.

Miss Jane Owen, program assistant of the Teen Age Department, will represent the YWCA, working with the teen age and adult groups. Miss Owen has recently been named recording secretary of the Hilltop Community Council.

The YWCA has been active on the Hilltop for many years. As far back as 1924 records show that a Girl Reserve Club was organized at West High School led by Miss Blanche Kern, 1178 Westwood-av, then vice-principal of girls. The movement for organized, democratic clubs for teen agers has evolved through the years and West High School now has a Senior Y-Teen Club and recently established three new ones in the Junior High School. Advisers for the senior high group are Mrs. William Murphey, Mrs. Ruth Baxter and Mrs. R. K. Warren. Mrs. Fred Kasdorf and Mrs. Earl James are advising the new Junior Y-Teen Clubs.

Members of the Senior Y-Teen Cabinet are Diane Patton, president, 3009 Sullivant-av; Judy Swartz, vice-president, 2029 Olive-st; Rosalie Soon, secretary, 188 Midland-av; Jill Ogden, treasurer, 2005 Olive-st; Janeene Davis, member at-large, 327 S. Customs Of Christmas Traced In Other Lands

By Mildred Phaler, Librarian
Hilltop Branch Library

Christmas is celebrated in all Christian countries as the birthday of Christ. The name comes from the early English term "Christes Masse," which means Christ's Mass. It is used only in English-speaking countries. In most of Europe, the day is known as "Christ's birthday." Scandinavian countries still use the pagan name "Yule Day," and Germany and Switzerland observe "Holy Night." The date for Christmas in most lands is Dec. 25. It is marked by religious services, by the exchange of gifts and by merry-making.

The Christmas tree began in early Rome. It appears in Germany in literature in 1604. One legend tells how the first Christmas tree was miraculously revealed on a Christmas eve, 1200 years ago. Winfred, an Englishman who had gone to Germany to spread the teachings of Jesus found a group of worshipers gathered at the Oak of Geismar about to sacrifice little Prince Asulf to the god Thor. Winfred stopped the sacrifice and cut down the "blood" oak. As it fell, a young fir tree appeared. The missionary declared that the fir tree was the tree of life or Christ and he then told the people of Jesus' birth.

All over the world the Christmas season is marked by tasty things to eat. Plum pudding is made of raisins, citrus-fruit peels, figs, beef suet, spices and other things, and covered with rich sauce. Sometimes Yule dough is made into flat cakes in the shape of a manger, and thus associated with Christmas.

In France people are fond of turkey, black pudding, Strasbourg pie, and spiced gingerbread at the time of Noel.

In Germany, marzipan, a macaroon candy, is made into all sorts of shapes and colors to look like fowl, hams, fruits and vegetables.

Italy celebrates with Magi cakes, fried eels, melons, wine chicken, and pork with mustard sauce. In Spain there is much fowl, fruit and wine, and in Poland chopped meat with vegetables, fish cakes and doughnuts are served.

Singing as an expression of joy, hope, love and almost every other good human feeling has been part

Rural Zoning Sets Hearings On Three Franklin Township Cases

Three Franklin Township requests for changes in zoning will be considered in a public hearing at 9 p. m. Thursday, Jan. 20, it was disclosed Friday by Thomas R. Hickey, head of the rural zoning commission. At the same time, he disclosed that a solution of problems relating to final settlement of a petition on the part of 500 area residents to change the zoning of certain Marble Cliff Quarries and from heavy industry to residential and agricultural could definitely not be settled until late in January of next year.

In one of the hearings scheduled, Mrs. Margaret Shrum, 3007 Avalon-st, seeks to change the residential classification of a tract on the southeast corner of Trabue-rd and Hague-av to commercial classification for the purpose of erecting a filling station.

Capitol Machine Co., 815 Grandview-av, seeks to have a tract abutting on its plant on Grandview-av, immediately north of Dublin, rezoned from commercial to light manufacturing. The firm desires to build an addition to its present plant.

A second hearing will be that on the request of Mary I. Youmkin, 585 Greenlawn, to rezone for a trailer park classification a tract on the southeast corner of Jackson-pk and Greenlawn-av. Originally approved by the rural zoning board on Nov. 18, it was disapproved by the regional zoning board, thus requiring a rehearing. The area is currently zoned for apartments.

Hickey said that clarification of the exact time and how the Marble Cliff lands in question were rezoned to heavy industry classification would now probably have to await clearing of the "troubled air" in the county prosecutor's office caused by the recent resignation and its subsequent retraction by County Prosecutor Frank H. Kearns. Paul Martin of the prosecutor's staff is working with the rural zoning commission on the matter.

Mystery surrounds the rezoning in that zoning maps show the area zoned for heavy industry but no exact record of the actual rezoning process can be located.

Mrs. Stella Leach Dies Of Heart Attack Monday

Mrs. Stella Leach, 65 N. Brinker-av, suffered a fatal heart attack while shopping downtown Monday afternoon at 2:30. She was rushed to St. Francis Hospital, where she was pronounced dead on arrival.

Funeral arrangements are pending the arrival of her nephew, Ralph Fairfield of Chicago. Jerry Spears funeral home will conduct final services.

"FIRST CHRISTMAS LIVES AGAIN" ON THE HILLTOP—One of the most outstanding efforts of "put Christ back into Christmas" in all of central Ohio has been the live tableau put on by members of the Hilltop Church of God beside the church at 635 Whitethorne-av this Christmas week. Presented nightly through Thursday, Dec. 23, by 85 members of the congregation plus live animals, the dramatization of the birth of Christ on the first Christmas is truly a spectacle that will remain with its viewers over the years. In the above, attention of the spectators is focused on the manger [illegible] left foreground while the choir in the background provides the music of the Heavenly Chorus. Rev. O. G. McClure is pastor of the church. Mrs Isabel Bell, 232 N. Oakley-av, has served as montage director of the Christmas production. (Hilltop Record photo)

CHRISTMAS CRAFTSMEN—Busily at work on their projects which will be gifts to their parents or others for Christmas are three West High students pictured above. Left to right are Everett Sanders, working on a book case; Allen Doulton, admiring his completed cedar chest; and Jerry Keys, putting the finishing touches on a coffee table. These are just a few of the surprises in store for the parents of boys in the wood classes at West High. (Hilltop Record photo)

Julie Fiechter and Sue Veregge led the victors with six points each, while Dee Elliott was high for the Scorpions with five points.

Jailhouse 5 Tramples West Side Quintet, 63-9

The Jailhouse 5, behind the deadeye shooting of Don Barnes and Bill Ingle, romped over the West Side 5, 63-9, Wednesday, Dec. 15, in a junior league tilt at Glenwood Recreation Center.

The game was a complete rout from beginning to end. The Jailhouse 5 led 27-3 at the half. The three points were contributed by Denny Belcher on three charity tosses.

Barnes and Ingle split the nets for 19 and 16 points for the Jailhouse 5 to lead them to their fifth straight victory.

The Jets got by the Hawkeyes 20-7 in the other junior league contest. The Jets' scoring was evenly distributed, Tidwell collecting six, Jeff Cheek 4, Thurman Edmonds 4, and Shepard 4. Dave Roberts, Ronnie Ogden and Jimmy Walsh were the only Hawkeyes to hit the scoring column.

The league standings, with one game remaining are as follows:

Hilltop Woman Is Important Cog In Annual Seal Sale

Mrs. Floyd Hill, 69 N. Brinker-av, is one of many important cogs in the wheels of the machinery that drop your Christmas seal dollars into aid for the tubercular cases in Franklin County.

Mrs. Hill has been busy at her job as suburban seal sale supervisor for the past three years, and loves it, for she just naturally likes people and enjoys meeting the helping hands who come from all walks of life to work on her committees.

In her job, it is necessary for Mrs. Hill to be out of town a week or 10 days, several times a year, when she is busy organizing a committee for the sale of Christmas seals in her area, which includes Groveport, Grove City, Gahanna-Blacklick, Westerville, Worthington, and Canal Winchester.

After organizing a committee of volunteers, Mrs. Hill and her helpers have the herculean task of compiling a complete mailing list and getting the Christmas seal letters out to the correct addresses.

The same committee members act as hostesses to the people of the community when the Christmas seal mobile X-ray unit visits their area after the drive.

Mrs. Hill, a lifelong Hilltopper, and a member of the Loraine Chapter of Eastern Star and Columbia Heights Methodist Church, has sent out 12,000 appeals in her area this year for support of the Christmas Seal campaign. However, she urges more "Buy Christmas seals, help once more "Buy Christmas seals, help all you can!"

ONE-SIDED

"I understand you have a very economical wife."

"Oh, yes. We have to go without practically everything I need."

Rites Arranged For Thomas J. Brannigan

A 68-year-old Hilltop salesman was found Monday on the concrete floor of a garage attached to a home at 414 Garden Heights-av.

Dead on arrival at University Hospital was Thomas J. Brannigan of 48 N. Roys-av. He had been visiting friends at the Garden Heights address.

Dr. Robert A. Evans, coroner, withheld a verdict in the case pending results of an autopsy. Dr. Evans said Brannigan suffered scalp wounds and nose scratches as the result of a fall. He had suffered heart attacks previously.

Born at Mt. Vernon, Mr. Brannigan had been a Hilltop resident most of his life. He was a member of St. Aloysius Church.

Surviving are two sons, David T. of Columbus, and Robert of Milwaukee; a daughter, Mrs. James Brown, Detroit; a brother, William, of Columbus; three sisters, Mrs. Edward Buck of Plain City, and Mrs. Tom Adams and Mrs. Mayme Herriff, both of Bowling Green.

Requiem High Mass will be sung at 9 a. m. Thursday in Christ the King Church. Burial will be in St. Joseph Cemetery.

Buckaroos Ride To Season's 1st Win

Ken Clapsaddle's fine shooting and brilliant all around performance sparked West Junior High Schools' Buckaroos to their first win of the season last Thursday afternoon on the home hardwood as the, handed Roosevelt, Jr., High a 39-26 lacing.

The first half was closely contested as Don Ward, six foot three inch center of the visitors, accounted for 16 of his team's points with the home five holding a slim 19-17 lead at halftime.

The Buckaroos completely shackled Ward in the final two periods as he failed to score and the local lads broke the contest wide open to win as they pleased.

of Christmas celebrations everywhere.

Many fine stories have been written about the Christmas spirit and Christmas merry-making. Dickens' Christmas Carol is widely known and loved.

American customs include almost all or any of the European customs, depending upon the descent or interests of each particular community.

Churches Plan Christmas Eve Devotions

Typical of the many Christmas Eve services planned by the Hilltop Churches is the one planned by Hope Memorial Presbyterian Church. The interior of the new church is pictured above. (J. Curtis Allen Photo)

A candlelight carol service will be held at Hope Memorial Presbyterian Church on Christmas Eve at 11.

Presented by the Chancel Choir and the Youth Choir, the service will emphasize the meaning of light as traditionally observed and celebrated by the Anglo-Saxons of northern Europe, and later adapted to the story of the Nativity by the early Christian missionaries.

Such traditions as using greenery and candles, singing carols, giving gifts, feasting happily together amid general rejoicing . . . all these have become integral parts of our yuletide festivities. Our modern Christmas, in which varied elements are successfully combined, is indeed "the feast of all mankind." Thus the service will depict the gradual dawning of light in song and story as the events foretold by the Hebrew prophets unfold.

The Hope choirs hope to build this into a traditional Christmas Eve service for the Hilltop Community. A general invitation is extended to the public.

Echoing through the land . . . joyous chants of hope and cheer. May we join the ringing chorus in wishing you and your loved ones all the warmth and merriment the season offers!

In Passing

By Esther Weakley

For unto you is born this day in the city of David a Saviour, Which is Christ the Lord.—Luke 2-11.

May the meaning of Christmas be deeper.
Its friendships stronger
And its hopes brighter.
As it comes to you this year.
—Reprinted.

The humble shepherds gazed in awe
As angels filled the sky
And sang their song of glory
And of praise to God on high.
And then the shepherds heard a voice
That calmed the fear in them:
"Behold! A King is born to you
This day in Bethlehem."
And as the miracle took place
According to that voice,
So may your Christmas prayers be heard,
And may your heart rejoice.

PRAYER AT CURTAIN TIME
Please, God, You know me. I'm Bill.
I've got two teeth that's out in front
So I can't say "Christmas" like I should,
And "angels" don't come out so good.

If You can spare the time for me
(I know You're awful busy now
With what the minister calls Sin
And fearful-state-the-world-is-in,)

Please don't let them laugh at me
And don't let me forget my piece.
Please will You kinda see me through?
And Merry Christmas, God, to You.

ONCE AGAIN FOR CHRISTMAS
Going home for Christmas, going home at last!
All the day repeated like a sweet refrain,
Wrapping ribboned parcels, dreaming of the past
And of merry greetings we'll exchange again—
Going home for Christmas!

Coming home for Christmas, they are coming home!
Bake the festive cakes by treasured recipes,
Candle-light the windows for the folks who roam,
Wreathe the doorway, trim the loveliest of trees—
Coming home for Christmas!
Once again for Christmas, loved ones all together,
Read the ancient story, sing the hallowed songs,
Sunlight on our faces, though adverse the weather,
In the old household where everyone belongs—
Once again for Christmas!
Mary B. Wall.

THE CHRISTMAS SPELL
Let Christmas come as a holy hush into
My heart, descending as the dear day nears,
With the soundless, measured music of the snow—
Its angel-light footfalls encircling thoughts
Within a hallowed trance, melting sad outlines
And muting every harsh and hurried tread.
Let the heavenly spell deepen as snow deepens,
Until my heart is deeply white—as white
And pure as the miracle of God in man!
Oh, still enough for the supersonic beauty
Of winging songs; responsive to the newly
Fallen snowflakes, that flash for wearied eyes
The prismed radiance of His star and warm
As indoor fireglow on Mary's face.
Esther Lloyd Haag.

CHRISTMAS THOUGHT
I shall keep an open heart
Within my lonely breast
And then the other Homeless One
May enter and find rest.
Wilma Adams Busch.

• • •

POSSESSION
I shall not seek my Christmas joy
In gift shops of renown
Where neon signs are beckoning
While masses search the town.

The quest of Yule remembrance,
Forgetting humbleness . . .
Oh, I shall find my Christmas joy
In faith that I possess.
Nell Twining.

'Small Fry'

By J. Curtis Allen

"Just between you and me, —I feel fine—but that new doctor is so-o-o cute!"

Those might very well be the words of seven-month-old Mary Lou, daughter of Mr. and Mrs. Paul Packard. Formerly Hilltoppers, living at 191 Whitethorne-av, the Packards moved recently to Worthington. They're justly proud of their little glamor girl with the flirty eyes.

Mother Says Honesty Of Son In Returning Lost Purse 'Nothing Unusual'

"He did only what his father and I have taught him. There's nothing unusual in what he did."

These were the words of Mrs. Donald E. Stemm, 56 N. Oakley-av, when queried Friday by the Record about her son having found and returned a woman's purse on the Saturday before.

But neighbors apparently thought more of the act and one of them called the Record to report what she termed "an example of goodness in the face of these things we read nowadays about juvenile delinquency."

Fourteen-year-old Gilbert Stemm found the purse of Mrs. Harry Hopwood, 28 Amity-rd, in the alley behind West Hill Furniture, 2364 W. Broad-st, where it had been dropped by her as she got out of her car to go shopping.

Gilbert took the purse home and his mother called Mr. Hopwood at his home to report the purse [illegible], even before Mrs. Hopwood noticed its absence. When Mrs. Hopwood went to the Stemm home to recover her lost purse, which contained Christmas money, in addition to numerous personal papers, she was able only with difficulty to make [illegible] lad accept a reward.

A member of the West Broad Street Church of Christ, Gilbert is a student at West Junior High School, where he is very active in the Junior Orchestra.

PUBLIC COMMENT

Most Hilltoppers Quizzed Believe More Religion In '54 Christmas

What is the true meaning of Christmas? Of course, when we stop and think, we know it is the celebration of the birth of our Lo:'. However, it seems that too few of us ever stop to make this consideration, so we put the question up to Hilltoppers this week: "Do you think that enough attention is paid to the religious aspect of Christmas?"

Mrs. E. W. Sayre, 118 N. Harris-av: "I don't think they pay as much attention as they should, but people are getting back to the original purpose of Christmas. The churches have done a great deal by sponsoring religious programs on television at Christmas and educating people to the fact that helping others less fortunate than themselves at Christmas is the best gift anyone can give or receive."

Mrs. Myrtle Davis and cousin, Mrs. Ada Leach, 607 Townsend-av: "Christmas isn't what it should be . . . We don't have as much religion in the Christmas program as we used to . . . Perhaps if people would give more of their own time and love to those about them who need it rather than material gifts, it would bring the true meaning of Christmas back to us."

Mrs. Louis C. Wagner, 3113 Parkside-av: "I think that if people would give more of their time and efforts to the missions and charities at Christmas it would be a wonderful way to celebrate the birthday of our Lord."

Mrs. Ada Nichols, 167 S. Ogden-av: "I really do think that it would be a fine thing if we could get Christmas back to the place where it is actually a religious celebration. However, I think there has been a trend in recent years to get back to the religious aspect of Christmas. There is more emphasis on church services, charity, and religious Christmas cards."

Eugene R. Kenney, 764 Haldy-av: "I don't. But I think people are beginning to realize that they've gotten a long way from the true meaning of Christmas and are beginning to bring it back bit by bit. The emphasis is made on television, in newspapers, and civic organizations and business as well as in the churches, in a way that is affecting old and young alike."

New Year's Eve Color Film Showing Planned At Hilltop Church Of God

The Drive-In Christian Film Association has announced a free public showing of two films in a special New Year's Eve all-color program on Friday, Dec. 31, in the Hilltop Church of God, 887 Whitethorne-av.

The movies are entitled "Benderlilo" and "The Stones Cry Out." Starting at 7:30 p. m., they will be shown continously until 11:40 p. m., at which time the host church will hold its special New Year's Eve worship service. After midnight another showing will commence, ending at 2:10 a. m.

The Christian Film Association is interdenominational and non-profit. Jimmie Rea, operator of the association invites the public to the New Year's Eve showing. He declares the films will inspire all who see them.

NEWS OF HILLIARDS

Mothers, Members of Girl Scout Troop 301 Enjoy Christmas Fete

Mrs. John Russell was hostess to members and their mothers of Girl Scout Troop 301 on Thursday evening. In a beautifully decorated play room of the Russell home, complete with Christmas tree and seasonal decorations, the girls entertained their mothers and each other with carols and a puppet show.

Constructed and performed by the girls, Sandy Gard, Rebecca Russell, Betty Spear, Lois Penfield, Virginia Cornell, Carol Grace and Sharon Mathers put on the puppet shows, "Story of Rudolf and Santa Claus," "The Princess and the Pea," and the "Mighty Mouse Story."

Sandy Gard and Betty Spear, accompanied by Patty Hartley, sang "Spelling of Christmas."

The girls received merit badges for performance of their respective projects during the year. An exchange of gifts was another feature of the party.

At the close of their program, their retiring leader, Mrs. Frances Burbridge was presented a gift for her expected new baby. New leaders were introduced.

Santa Claus will be sponsored by the Red Men of Hilliards, Hilliards Fire Department and the Hilliards Business Men's Association. He will arrive at the Christmas tree at Main and Norwich streets at 6:30 p. m. on Friday, Dec. 24, to treat all children of the community.

The Christmas program of the Hilliards school system was held at the High School auditorium Sunday afternoon with all grades participating. Robert White and Mary G. Duncan were in charge of the presentation.

Memorial Post 614 American Legion and Auxiliary held their Christmas party at the Legion home on Franklin-st, Sunday evening. The dinner was the usual pot-luck. A program of carol singing preceded the euchre party that concluded the festivities.

In their drive for funds to furnish the hall, the auxiliary so far has bought 12 tables and 36 chairs. They hope to obtain eight more tables and a full quota of 4 chairs per table.

The long-delayed furnace installation was to be completed during the week, enabling legionnaires to use their own premises for future activities.

Stillwater Tribe of Red Men has elected Ed Shellhaas, Sachem; Charles Kline, Senior Sagamore; Clement McAfee, Junior Sagamore; Herb Riebel, Prophet; Ed Fox, Chief of Records; Henry Okert, Collector of Wampum; Jim Sparks, Keeper of Wampum and Howard Crager, Trustee. These officers will be installed by M. A. Hoffman, Past Great Sachem on Jan. 5.

Donald Bynner will be presented with his Past Sachem pin for serving five years as Keeper of Wampum. Herb Riebel will also be presented with a past Sachem's pin for serving as the chief officer of the lodge. H. O. Riebel and Mary Weber were elected to three year terms of Stillwater Tribe 195 Company.

M. A. Hoffman, Mart Weber and C. R. Hamilton attended a Great Council Entertainment Committee meeting at the Southern Hotel in Columbus on Sunday, Dec. 12. This meeting was held to plan for the Red Men Great Council to be held next August in Columbus. M. A. Hoffman of the Hilliards lodge is chairman of this committee.

The Great Council is sponsored by Stillwater Tribe 195 of Hilliards, Sioux 128 of Columbus, Elk 112 of Hyatts, Chippeau 30 of Marion, Algonquin 3 of Columbus and Deerfoot 113 of Columbus. The next meeting will be held Mar. 6 at the Southern Hotel when a program to raise funds for the Great Council session will be presented.

Bethel 45, Job's Daughters met in regular session at the Masonic Hall on Monday evening.

Hilliards village council held two meetings last week with developers of the new real estate additions in the area. Discussions are continuing looking toward a method of sharing the expense of expanding water and sewer lines to serve the widely separated sections. Mayor Patterson has stressed the inequity of the entire cost being borne by the village and said that the respective parties are willing to go along with a plan to finance the facilities which are a prime requisite to securing FHA approval.

Wib Walker underwent an operation at Mt. Carmel Hospital last Thursday to correct a condition resulting from the injuries to his mouth and face in the automobile accident in which he was involved last spring.

Aida Skinner remains at Mt Carmel Hospital following her fall down stairs a week ago. She began taking food late last week but still suffers extreme pain in her chest where she apparently struck against a stair tread. Later examination has determined that she sustained a fractured hand in her accident.

JOHN REINHARD (above) 12-year-old son of Mr. and Mrs. John Reinhard, Sr., 1195 Georgesville-rd, was featured soloist, singing "Oh Holy Night" in the Christmas musical, "Why the Chimes Ring," presented Tuesday night by members of the sixth, seventh and eighth grade choirs at Prairie Township School. Miss Mary Fitzgerald directed the production. John is a voice pupil of Arthur Withrow, director of the Franklin School of Music.

Allen G. Karns, a native of the Hilliards community, is confined to his home at 194 S. Hawkes-av, following a dislocated shoulder sustained in a fall on a trip to return books to the library, a week ago. His friends out here could give him much pleasure by sending a card or calling to see him.

Checking over recent issues of the Record — in the issue of Dec. 2, the Record had a picture of Hilliards Red Men engaged in serving their annual Thanksgiving dinner. Of the seven men shown, only six were identified. The column apologizes to Elam Carter. The whole job was done by "remote control" — neither the columnist nor the identifying officer of the lodge had a copy of the photo to check by and they were at opposite ends of a telephone line, to boot. No direct slight was intended by or to any one.

In the issue of Dec. 9 our social briefs noted the visit of Mr. and Mrs. Owen Van Schoyck with Mr. and Mrs. Milton Van Schoik. The columnist spelled the second Van Schoik correctly but it came out Van Schoyck. Sorry — it's confusing to any but a Hilliardson — we have both Van Schoycks and Van Schoiks out here!

The column wishes all its readers and all associates a Holy and Merry Christmas Season.

Christmas On Hilltop Will Be Vastly Different For Children Of Former Missionary To Africa

Holiday Observed As Religious Day In Dark Continent

By Betty Daft

A traditional Christmas tree, a stocking, knobby with mysterious treasures, the exchange of gifts and all the other Christmas customs so dear to children, are happily anticipated this year by Leland Wines, nine-year-old son of Rev. and Mrs. Leonard Wines, 106 Elden-av. Rev. Wines recently accepted the pastorate of the Highland Avenue Friends Church.

His older sisters and brother will also enjoy the celebration of these Christmas customs so different from the ones they knew during their six-year stay in Africa. They are, Elwin, 19; Evelyn, 16, and Elaine, 15.

Christmas in Africa was solely a religious holiday with all-day services under the trees and school choirs singing Christmas carols. The day before Christmas was a day of merriment with programs of competitive games and the roads were crowded with thousands of people travelling to the different sporting events.

Elwin is enrolled in William Penn College where he is studying for the ministry. Evelyn, a student in West High School and a member of the school band, last year attended a boarding school in Africa, 200 miles from her home. Fifteen-year-old Elaine finds that approximately 2,500 schoolmates quite a contrast to the nine enrolled in the school she attended last year.

Mrs. Wines commented, "Leland likes his teacher, and so he likes his school." She credits Mrs. Waymer of West Broad Street School for his easy adjustment to the routine of a large school.

In considering the local pastorate, the family was amazed by the loyalty and pride in this community displayed by Hilltoppers. In the short time they have lived here, they have discovered the Hilltop to be a friendly and hospitable community, Rev. Wines said.

Rev. and Mrs. Wines were among 19 missionaries, under the direction of the American Friends Board of Missions, who were responsible for all phases of an extensive medical and educational program. Included in the 1,000-acre compound was an education division serving 400 native students with boarding schools, instructions in teacher training, assistant nursing, woodcraft, printing and tailoring. There was also a three-year Bible Training Institute which was the special responsibility of Rev. Wines. The industrial division included a hydro-electric power plant, sawmill and a grinding mill manned by natives under missionaries' direction.

Many Christmas Activities Take Place At Prairie Township School

By Mrs. James W. Whalen
FR. 8-5113

Christmas festivities began at the Prairie Township School on Dec. 10 with the seventh graders' Christmas party. Then Santa visited our school on Dec. 15 with an additional visit slated for Prairie Lincoln School on Dec. 20 or 21. On Friday, Dec. 17, the eighth grade Christmas party was held and the party for the class of 1954 was held on Saturday, Dec. 18.

On Tuesday, Dec. 21, Christmas at Prairie Township Schools approached a climax with the presentation of the play, "Why the Chimes Rang," in the school auditorium at 8 p.m. Children of the fifth, sixth, seventh and eighth grades participated. Featured were the Prairie Choir and the Consonatta organ. Supervising this production were Miss Mary E. Fitzgerald, music instructor for Prairie School, and Paul S. Noblitt, principal. This production was well and greatly enjoyed by parents and members of the community.

Lastly, on Wednesday, Dec. 22, the students of Prairie Lincoln School were transported to Prairie Local, arriving at 10 a.m., where they joined the students at Prairie Township in the annual Christmas assembly. Immediately following the assembly, all the children from both schools were served a free dinner in the school cafeteria. Prairie-Lincoln children were then transported back to their own school where they held their own parties as did members of the various classrooms at Prairie.

The candy treat on Wednesday was provided by the Prairie Township PTA.

Mike Ison, son of Mr. and Mrs. Waldo Ison, 5272 Gregg-av, is home for the holiday season from the Virginia Military Academy at Staunton, Va. Welcome home, Mike!

Sincere sympathy of the community is extended to Mr. and Mrs. Walter Stauch and family, 5383 W. Broad-st, over the recent death of his brother, Ed Stauch.

On Thursday, Dec. 16, Brownie Scout Troop 424 met at the Columbia Heights Methodist Church after school for its Christmas party, under the direction of its leaders, Mrs. Homer Nichols, Mrs. Jack Kidwell and Mrs. Frank Bowman. During the meeting the girls sang Christmas carols and Scout songs, which were followed by ice cream and cookies. The recent fund-raising project of this troop, the candy sale, was a great success. Its current project has been to collect foodstuffs for a Christmas basket for a needy family. At the conclusion of the meeting each member was presented with an attractive Brownie Scout ball point pen. At the beginning of the year, program plans include learning the tenderfoot requirements and general preparation for the "Fly-Up" ceremony which will be scheduled in May.

In the Ladies' Wednesday Matinee Bowling League, high single individual game was awarded to Mary Lou Hunter, a member of the Adam & Phillian team, with a score of 169. Individual score for high three-game total went to Marjorie Butin, a member of the Meyer Sales and Service team, with a total of 449. The team having the highest single game was Meyer Sales & Service with a score of 862; this team also received the highest score for three games with a total of 1949.

Team standings in the league are: first—Gregg & Hay, won 27 and lost 18 games; second — Meyer Sales & Service, won 26 and lost 19; third — Adam & Phillian and George's Drive-In tied with 24 wins and 21 losses; fourth—Fleming's Pure Oil and Lamb's Sohio with 23 games won and 22 lost; fifth—Harrison's Super Market with 30 games won and 25 lost; and sixth—Rings Floral with 14 games won and 31 lost.

The Ralph E. King Chapter of Blue Star Mothers of New Rome held its rummage sale on Tuesday and Wednesday on S. Fourth-st.

Sincere sympathy of the community is extended to Mr. and Mrs. W. J. Stormont and family, 121 Pasadena-av, over the death of C. E. Griffith of Richwood on Saturday afternoon. Mr. Griffith was the father of Mrs. Stormont.

The Ruth Class of the Columbia Heights Methodist Church met at the home of Mrs. Joseph Coulter, 185 Pasadena-av, for its December meeting on Friday evening. Mrs. L. E. Kidwell of Norton-rd returned to her home after a two week visit with Mr. and Mrs. Grover Miller of Xenia and a week's visit with Mr. and Mrs. Fred Kidwell and family of Zanesville.

On Sunday evening the youngsters of Columbia Heights Methodist Church enjoyed a Christmas party at Prairie Township School. Everyone enjoyed the excellent Christmas program presented under the direction of the Sunday School teachers by the members of the nursery up through the senior youth group. Music was under the direction of Mrs. J. C. Jarvis. A visit from Santa climaxed the evening's festivities.

Airman and Mrs. Carl Cole (Carole Burns) and daughter, Sherri, of Alexandria, La., will be enjoying the holiday season with Mr. and Mrs. Allen F. Burns, 167 Pasadena-av. Airman Cole will have a 17-day leave from the air force at Alexandria and recently returned from service in Germany. Also home for the holidays will be Cpl. Robert A. Burns, of the Marine Corps, Cherry Point, N.C., who will enjoy a 10-day leave beginning the 28th. Welcome home, folks!

Boys' Clubbers Take Second Place In Guild House Pre-Season League

The Boys' Club senior basketball team recently captured second place in the pre-season Godman Guild Class B League by downing the Hawks 49-35.

It was the fifth win of the young season for the Boys' Clubbers and brought their overall record in pre-season ball to a five won six lost count. None of the Boys' Club losses were by more than three points however.

It was Jerry Marvin and Bob McCall showing the way for the Boys' Club five with each popping in 17 markers to waltz away with scoring honors for the evening. Earl Gates and Harry Burris hit for four apiece, while Jack Hartwell, Harry Townsend and Kenny Humphrey each found the way for two pointers.

The Boys' Club had an amazing day at the free throw lane, hitting 10 times on 10 attempts for a 100 percent average. From the field they popped in 19 fielders and had only nine personal fouls called against them.

The club got off to a slow start, trailing 10-2 at one time, but after shifting their defense to a zone they managed to pull up to a 13-15 deficit at the end of the first stanza. By intermission time it was 25-24 in favor of the club and 31-31 at the end of the third stanza. In the last quarter, however, the Boys' Clubbers broke loose for 17 counters while holding the Hawks to a meager four, to annex the contest and second place.

This was the last game in the pre-season league and the final standings read as follows: Caldwell Temple, 6-0; Boys' Club, 3-2; Hawks, 3-3; Second Baptist, 2-3; Neighborhood House, 1-4 and Minute Men, 0-5.

The regular season league of two rounds will start the first week in January. The Boys' Clubbers are now making plans to avenge their two setbacks to Caldwell Tempe, 58-55, and Second Baptist, 33-31.

West High Wins Its First City League Match

By Woody Owen

West High Schools' cage five captured their first City League win of the season last Saturday night at the fairgorunds by handing winless Aquinas High School a 46-41 setback, thus pushing the Irish into sole possession of last place.

Neither quintet was able to connect successfully with any consistency in the first period, with the Cowboys holding a slim 10-9 advantage.

The Cowboys' scoring picked up in the second quarter. with Dave Randall's three swishers from the corner of the court leading the Hilltoppers to a 25-19 advantage at halftime.

The ultimate winners continued to lead through the third stanza and, with only two minutes remaining, were holding a 36-34 margin, but three fielders and two free-throws by Goble and another goal by D. Sabato whittled the margin to 36-34 as the period ended.

The Cowboys played control ball in the final quarter and outscored the Irish by a 10-7 margin to wrap up the contest.

Tom Goble of the losers was the game's top scorer with 20 points, and also played a fine defensive game by holding Dick Furry, Cowboy center, to only two points. Both of these came in the final five seconds of the contest.

Dave Randall was the Cowboys' top man with 16 points. Those came on eight field goals in 12 attempts, all from the corner against the Irish zone defense.

Paul Longmeier and Jim Pruden also chipped in with 11 and 10 points respectively, with the latter playing his usual fine floor game.

The Cowboys will now be idle until Dec. 28 and 29 when they will participate in the holiday carnival at St. Charles. which the locals have won the past two seasons.

On the first night's play, West and Grove City will play at 7:30. Bexley and St. Charles will clash in the second contest.

The second night the two losers and two winners will play.

A Living Christmas Gift

Each year, do you worry and wonder what to give for Christmas?

Other years you have given clothing, candy, jewelry; now you are looking for something that will be different. There is nothing that will add more gracefulness and charm to a home than an aquarium of tropical fish.

Tropical fish, living their lives and swimming about as they have in nature for thousands of years, will provide a fascination which will be enjoyed by everyone, whether young or old.

Trabert's Aquarium, 2241 W. Broad St., carries a complete line of aquariums and a large variety of tropical fish. Mr. Trabert will be glad to advise you about an aquarium for a Christmas gift. Stop in from 12 noon to 8 p. m. daily or Sunday.—Adv.

Looking Backward Through Record Files

FIFTEEN YEARS AGO

Dec. 22, 1939 . . .—Many festivities are being planned by Hilltop groups for the holiday season. Among the larger parties are those being given by the Masons, Eagles and Legionnaires.

West cagers increased their winning streak to three by beating Springfield 22-16. Earlier in the week they beat the alumni 30-2. First game after the holidays will be against South.

TEN YEARS AGO

Dec. 22, 1944 . . . Holders of "B" and "C" gas ration books are advised to have their tires retreaded as soon as they begin to wear out, since the chance of getting new tires in the near future is "about one in 50." Optimism over the tire situation disappeared when the army reported the bad effect of battle-churned mud of France, Belgium and Germany on truck tires. The OPA reports that shoe dealers will soon be given a group of obsolete and single shoes that can be sold ration free. Top price on obsolete shoes is one dollar and on singles is 50 cents.

Harry C. Weimer has been elected president of West Gate Hi-12 Craftsmen Club. Other officers are Harry Crossen and Howard Hartranft.

For the fourth year, Westgate Methodist Church will hold Christmas services at West High School. Children from the Youth Choir will collect white gifts for the children's home in Worthington.

A Christmas party for veterans of World Wars I and II is being given in the ballroom of the Columbus State Hospital. The party is being sponsored by the Camp Chase Auxiliary.

FIVE YEARS AGO

Dec. 22, 1949 . . . John Esbelman of Esbelman Grain Inc., announced today that construction will begin in "about 60 days" on a 25,000,000-bushel grain elevator on Georgesville-rd between the New York Central railroad and Sullivant-av.

Franklin Sparks, co-owner of the Sparks-Kent Super Market, 2976 W. Broad-st, was elected president of the Columbus Retail Grocers Association at its last meeting.

A large measure of credit for the outstanding success of HRCA's first annual Christmas party, held especially for the children of High Ridge on Dec. 16, can be placed upon the shoulders of Mrs. H. P. VanNess, the publicity chairman of the association who contacted business firms and individuals and secured a most hearty co-operation from them.

Newell Yaple, 208 S. Brinker, and Gerald Witherspoon, 2986 Wicklow-rd, have been chosen to represent West High School as junior speakers for the March of Dimes polio fund campaign to begin Jan. 9. Other junior speakers include Diane Bowen, 697 S. Hague-av, and Sally Deshetler, 266 Algonquin-av, of St. Joseph's Academy.

Mrs. Mary Porter and daughter, Cheryl Lynn, two, recently joined her husband, Kenneth R. Porter, in Athens, Greece, where he has been assigned in the office of the naval attache of the U.S. embassy. A former Hilltopper, Mrs. Porter is the daughter of Mrs. Bessie Graves, 2900 Crescent-dr. She graduated from West High School in 1939 and from Ohio State University in 1943.

Costume Gifts For Kids Should Be Flame-Proof Fire Chief Tells Parents

If you have any children in the "Let's Pretend" ages, part of your Christmas shopping will be easy. The choice of gifts will probably be made for you, in the form of demands for the latest in space suits, cowboy outfits, or whatever other costumes their current make-believe calls for.

But the most important detail, Columbus Fire Chief W. G. Strickfaden emphasizes, is something the youngsters won't even notice. Make sure those costumes are flame resistant, he cautions. When buying a costume of flimsy material, see if it is labelled "Flame Resistive."

If it isn't, you can do the job yourself.

Just dip the cloth (assuming it is washable) in a solution of one and one-fourth pounds of boric acid and one and one-half pounds of borax mixed in three gallons of water. Wring by hand and hang to dry. The flame proofing is not affected by ironing, but the treatment must be repeated after each laundering. Use this treatment on filmy party dresses and doll clothes, too . . . and it's equally good for grown-up's clothing and for washable draperies and other household furnishings.

Chief Strickfaden adds a final note of warning . . . Don't expect too much of the term "Flame Resistive." If you hold a match to a flame resistant fabric, it will burn. But it will not continue to burn when you take the match away. Your children will be safe from a deadly or disfiguring flash fire.

HUNTING ACCIDENTS DOWN

Ohio Wildlife officials were encouraged by the decline in number of hunting accidents during the 1954 hunting season. Figures compiled by the information section of the Division of Wildlife show a total of nine persons killed (including the squirrel hunting season when six were killed) and about 65 non-fatal accidents (including 41 during the squirrel hunting season.

YOUR YOUTH

By Dick Wilson and Bob Schmidt

Mothers, would you like a vacation during the Christmas holidays? If you would, just send your children down to the Hilltop YMCA. The Y has scheduled a Christmas Fun Club for the boys and girls of the Hilltop and there are mystery trips, boys' and girls' craft classes, scavenger and treasure hunts, and many other exciting events planned.

Friday morning at 10 o'clock the boys and girls will meet at the Y for a Santa Claus hunt. Monday, Dec. 27, there will be free movies for all age boys and girls and these movies will be held at the Hilltop Y office beginning at 1:30 p.m. Tuesday, Dec. 28, a special Splash Party has been scheduled for boys only and they will meet at the Y office at 9 a.m., bringing bus fare and 10 cents to cover the cost of their swim. Also, Tuesday there will be boys' craft at 1:30 p.m. On Wednesday, Dec. 29, there will be a gold rush—so all you boys and girls want to bring along your picks and shovels and go prospecting for gold. The gold rush is scheduled to begin at the Hilltop Y at 10 a.m. At 3:15 p.m. the Indian Guides will hold a dance practice. On Thursday, Dec. 30, there will be a scavenger hunt and all boys and girls are to meet at the Y at 10 a.m. Girls' craft class will be held at 2 p.m. at the Y office.

Progress on the remodeling of our new headquarters is moving along at a rapid pace but we still need several week ends to finish many odds and ends. If any of you parents have a few hours to spend after the holidays, please contact Dick or Bob at the Y office and we will be happy to assign you a responsibility.

A special note of thanks should be given Mrs. Virgil Furry, president of the Mothers' Council, for serving as hostess for the Hilltop Y Mothers' Council annual Christmas party held at the American Legion Camp Chase Post.

The Hilltop Square Dance Club, co-sponsored by the Hilltop Y and Welcome Wagon Club, has planned a New Year's Eve party for club members. This dance will be held at the DeMolay Hall and an evening of square dancing and fun has been planned by the committee composed of Mrs. Stan Ruoff, Mrs. Wayne Chappelear, Mrs. Judson Boley and Mrs. Elden Koehler. If you are a member of this club you will want to turn in your reservation immediately either to Mrs. Ruoff or to the Y office.

In closing this column, the Hilltop YMCA board and management and staff wish you a Very Merry Christmas and a Happy and Prosperous New Year.

PENNEY STORE GOING UP—Don M. Casto, Jr., vice-president of the Casto organization points out the steel which will soon be part of the new J. C. First Stork Derby Winner Is Making Plans For College

Frederick Cunningham

The first baby ever to win the annual Stork Derby sponsored by The Hilltop Record is Frederick Eugene Cunningham, now the 17-year-old son of Rev. and Mrs. O. W. Cunningham, Alliance, O.

Frederick became the Hilltop's baby of the New Year when he was born on Jan. 1, 1938, at the White Cross Hospital. Both his parents then were serving as ministers of the Hilltop Church of God. The family moved to Miami, Fla., in 1943 and, after several years there, lived for awhile in New Philadelphia, O., before making the move to Alliance, O.

Both Rev. and Mrs. Cunningham recall with fondness the generosity of the cooperating Hilltop merchants in that first Stork Derby event. That generosity has increased through the years.

The Hilltop winner of 1938 will graduate from high school in Alliance next June and then plans a period of Army or Navy service. Following the completion of his tour of duty in the service, Frederick hopes to enter Anderson College at Anderson, Ind., where his brother, Roger, is attending.

COLUMBUS TOWN MEETING TO AIR FREE VERSUS TOLL ROADS

The cost of modern road-building is so high that the states have been unable to provide adequate highways through normal financing. Some states have tried a pay-as-you-drive plan with toll roads.

But there is some question whether toll roads or freeways are what the public wants and the people will have an opportunity to express themselves on Columbus Town Meeting at 1 p. m. Sunday, Jan. 2.

Speakers on the forum simulcast over WBNS and WBNS-TV will be Allison C. Neff, vice-president of Armco Drainage and Metal Products Inc., Middletown; and Jack Marsh of the Ohio Petroleum Marketers Assn., Youngstown. Neff will argue in favor of toll roads, Marsh against.

Moderator of the toll roads forum will be Earl Morris, Columbus attorney. Director, Grace Hare Frye, has invited the public to attend the program at the studio at 495 Olentangy River-rd or to telephone questions to speakers through CA. 8-2881.

Funeral Rites Today For Victim Of Traffic At Broad, Oakley-Av

Funeral rites were to be held at 10:30 a.m. today in the Jerry Spears Funeral Home for Howard Olin Grooms, 293 N. Harris-av, who was injured fatally at Oakley-av and W. Broad-st Monday night after visiting his wife and newborn daughter at White Cross Hospital. Additional rites for the veteran of South Pacific infantry action during World War II will be held at 10:30 a.m. Friday in the Ellis Funeral Home at West Union, O. Burial will follow in West Union.

The funeral sermon today at the Spears Funeral Home was to be delivered by Rev. Harold Dutt, pastor of the Westgate Evangelical United Brethren Church, where Mr. Grooms had only recently decided to transfer his membership.

Mr. Grooms had been to visit his wife and their daughter, Deborah Ann, who was born at about 11 p.m. Sunday and had said goodbye to them at about 8:30 p.m. Monday.

Then, apparently Mr. Grooms stopped at the Owl Market at Oakley-av and W. Broad-st, as he was carrying a dozen eggs as he started walking south across Broad-st. In the middle of the intersection he stepped backward to avoid a westbound truck driven by Samuel George, 27, of 708 Westphal-av, according to Patrolman Dan Birtcher.

As he did this, Birtcher said, a car driven east by Robert Wolfe, 24, of 1505 Warren-av, hit him on the left foot and threw him beneath the wheels of the tractor-trailer truck. He died almost instantly. He was 35.

Surviving in addition to the new daughter and the wife are two sons, Jerry, 7, and Dennis, 3; his mother, Mrs. W. O. Grooms of West Union, O.; five brothers, Fred P. Grooms, 1815 Jackson-rd; James F. Grooms, 1628 Barrisburg-pk; Albert O. Grooms of Richwood, O.; Carl Grooms of West Union; and Luther Grooms of Mowrytown, O.; and two sisters, Miss Ethyl Grooms of West Union and Mrs. Ruth Dickson of Toledo, O.

A native of West Union, O., the victim had lived in Columbus since 1945.

Mrs. Sheets, Former Teacher At John Burroughs, Succumbs

Mrs. Daisy McNinch Sheets, 76, of 34 S. Westgate-av, a retired school teacher, died Thursday in Riverview Hospital, Noblesville, Ind. She had been in Noblesville at the home of her niece, Mrs. Paul Randall.

Mrs. Sheets was the widow of O. T. Sheets, formerly associated with the Ohio Soldiers and Sailors Orphanage at Xenia.

She graduated from the old Columbus Normal School, had taught 25 years in Columbus and Franklin County schools, last teaching at John Burroughs School.

She was a member of Robert Morris Chapter of Eastern Star, Glenwood Methodist Church and Children's Hospital Twig 18.

A nephew, Col. J. E. McNinch, of the Army Chemical Center in Maryland, also survives.

Services was at 2 p.m. Monday at Schoedinger Funeral Home. Burial was in Wesley Chapel Cemetery.

COMPLETION IN SPRING—Only the sturdy-looking vault of the new West Broad office of the City National Bank & Trust Co. at 3100 W. Broad-st is apparent to motorists now as they traverse the Hilltop's main thoroughfare. The photo above, taken earlier this week, shows the impregnable aspect of the concrete and metal vault. Officials of the Columbus bank said Tuesday that completion of the West Broad office is expected sometime in the spring. Of red brick and cut stone exterior the bank building will feature three drive-in booths and a community room available to groups on a reservation basis. (Hilltop Record photo)

OFFICE TO CLOSE

The offices of this newspaper will be closed on Friday and Saturday, Dec. 31 and Jan. 1 in celebration of the arrival of the New Year.

Deadline for acceptance of classified advertisements will revert this week to its customary schedule of 5:30 p.m. Tuesday.

Teen-Agers Invited To New Year Party

All teen-agers in the community are invited to attend the New Year's Eve party at Hope Memorial Church, 2930 W. Broad-st, from 9 p. m. until 12:30.

The affair is sponsored by the senior youth Fellowship of the church and there will be no admission charge. There will be dancing to records, entertainment and refreshments.

Special Religious Film Showing Slated Three Times For New Year's Eve

The premie showing in Columbus of the international famous full length feature film "Bandera-lla" in color, hailed by many critics as the greatest Christian film since "Martin Luther," will be shown by the Interdenominational Drive-in Christian Film Assn. in their annual New Year's Eve film program. This year the showing will be held in the Church of God, 633 Whitethorne-av, one block north of 2100 W. Mound-st.

James Rea, director of the Free Drive-in, stated that he has been trying to book this film for the past two years and was very fortunate to secure it for this showing on New Year's Eve. So that the greatest number of people can see this famous film that was made in Spain, it has been arranged that it will be shown three times.

First showing will start at 7:20 p.m. and end at 9:10 p.m.; second showing starts at 9:30 p.m. and ends at 11:40 p.m. From 11:40 p. m. until 12:05 a.m. a special watch night service will be held. The third showing starts at 12:30 a.m. and ends at 2:10 a.m. Admission is free. Churches and groups wanting special recognition should call CA. 1-5884.

Westgate School Will Assume New Disaster Plan Role

Westgate Elementary School will figure as one of the strong points in the Columbus Academy of Medicine's Disaster Plan for Columbus and Franklin County, according to an announcement made Saturday by Dr. David E. Hershiser, chairman.

The school, located at 2080 Wicklow-rd, will be known as a Disaster Hospital for this locality, which is a so-called fringe area, and will be used only in the event of a disaster.

If the disaster, such as a flood, storm or fire, such hospitals would function with and under the command of the Red Cross if the disaster should be military, Civil Defense would take charge.

James Henery, principal of the school, will act as chief administration officer of the local hospital which will be staffed by Dr. Albertus C. Wyker and Dr. Elmer M. Groff, physicians; and Marilyn Davis, Lorraine Koppenhaver, and Elsie Papia, nurses.

Camp Chase Legion Post, Auxiliary, To Stage New Year's Eve Celebration

The Ladies Auxiliary will join members of Camp Chase Post 98, American Legion, in a New Year's Eve celebration Friday evening at the post home, 3211 W. Broad-st.

The party will include round and square dancing, games, and TV-viewing. All members and their friends are invited.

Commander Ray McVay and Auxiliary President Mrs. William Boothe will be host and hostess.

HAPPY WITH RESULTS

Mrs. W. Dow Hutchison, 254 S. Princeton-av, wrote us the following note after inserting a classified advertisement in this newspaper to sell a toy train:

"Just a note to tell you I sold the train for $50 on the second phone call before noon last Thursday. I had over 30 calls. I was more than pleased with the response!"

For similarly gratifying results with your problems of turning outgrown toys or other articles into ready cash, merely call JO. 9444 or HI. 4-9262 for swift, courteous assistance in the best wording of your little "super-salesman." You will be amazed at the results!

Burgess Ave. EUB Is Scene Of Chaffin-Carpenter Rites

MR. AND MRS. HERBERT O. CARPENTER

The Burgess Avenue EUB Church was decorated with baskets of gladioli and palms for the wedding ceremony of Miss Virginia M. Chaffin and Mr. Herbert O. Carpenter on Oct. 30. Rev. C. F. Lutz, pastor of Fifth Avenue Evangelical United Brethren Church, and Rev. I. H. Lane, pastor of Burgess Avenue Church, officiated at the ceremony.

The daughter of Mrs. Virginia Chaffin, 1398 N. Fourth-st, the bride was escorted to the altar by her brother, Mr. James R. Chaffin. The bridegroom is the son of Mr. and Mrs. O. B. Carpenter, 595 S. Terrace-av.

Chantilly lace fashioned her waltz-length gown, styled with long sleeves extending into points over her hands and a scalloped neck and hemline. Her veil of French illusion fell from a crown of seed pearls and iridescents and she carried white roses and stephanotis. She wore a strand of pearls, a gift from the bridegroom.

Mrs. John Erlenbach served as matron of honor for her sister. Her waltz-length gown was of gold taffeta with a bouffant skirt worn over hoops and she wore matching shoes and headpiece. Her flowers were yellow chrysanthemums.

The bridesmaids were Miss Lois Miller; Miss Monnette Violet and Miss Catherine Orecchio. Their emerald green frocks were styled identically with the one worn by the honor attendant and they carried white chrysanthemums.

The little flower girl was Susie Hartung, niece of the bride. She wore a waltz-length frock in green with matching shoes and headpiece and carried a basket of assorted flowers.

Mr. Kenneth Carpenter, brother of the bridegroom, served as best man and seating the wedding guests were Mr. David Dern, Mr. Robert Parker and Mr. Edward Thomas.

Mrs. Chaffin chose a gown in Dior blue for her daughter's wedding. Her accessories were black and she wore a single orchid. Mrs. Carpenter wore a navy blue frock with mauve accessories and an orchid.

Hostesses for the reception were Mrs. Frank Kauffeld, Mrs. Ralph Montenaro, Miss Alice Weiler and Mrs. Harry Brown.

A graduate of Central High School, the new Mrs. Carpenter is associated with the Ohio Bell Telephone Co. Her husband was graduated from West High School and is employed as an accountant with Armstrong Furnace Pipe Co.

Seen at Seiller's

Here we are in the middle of the holiday whirl with the days slipping away toward a New Year.

Our important news, then, is that Seiller's has just received a wide variety of formal rowns with a color range of frosty ice cream pastels as well as striking creations in holiday red, white, or a sophisticated black. Fashioned from such luxury fabrics as satin or taffeta, centered in a cloudy swirl of nylon net, irridescent or brocaded silks, many are sparkled with tiny snowflakes of pearls, sequins or rhinestones.

If an evening bag is needed to complete your ensemble, Seiller's offers many stunning designs created from silver or black sequined satin, white and gold satin brocades, pearl, lame, and velvet, priced from $1.99 to $5. Remember the feather-light rhinestone pieces at Seiller's, too, priced from $2.99 to $13.50, they'll lend just the right sparkling allure.

The fellows come in for a handsome transformation when they don the formal attire from Seiller's, too. For instance, the tropical weight, midnight blue tuxedo, priced at just $45, and a permanent feature at Seiller's, never fails to come in for plenty of male admiration. Accessories to complete the picture, include tuxedo shirts at $5.95, cummerbundy in plaids or solids at $3.99, and handsome sets of men's formal jewelry at $5. Seiller's hopes to make it an enchanting New Year's eve for you. —Adv.

Lightning 5 Come From Behind To Defeat Thrice-Beaten Milo

The first major upset of Glenwood Recreation Center's pre-season league seemed likely as the undefeated Lightning 5 went against thrice beaten Milo on Tuesday, Dec. 21.

Milo Jumped into an early 19-10 lead in the first quarter, with Kenny Metzler paving the way with 11 markers. Both teams held their own in the second quarter, with Milo leading 33-24.

The Lightning 5 caught fire at the start of the third period and poured in 22 points, while their defense held Milo to five. The Lightning 5 maintained its lead through the final period and emerged with its fifth victory in as many starts.

Bob Brownlee of the Lightning 5 and Kenny Metzler of Milo tied for scoring honors, each with 20 points.

The West Side Pirates also had to come from behind to win their game from the Atomic 5 by 42-35. The score at the half read 23-18 in favor of the Atomic 5, but the Pirates, led by Ernie Mawhirter, came back strong in the last two stanzas to score 24 points, while the best their opponents could do was 13.

Mawhirter copper scoring honors with 16 points.

The Hilltoppers had no trouble in downing the Clowns 54-41 in the final game of the evening. The victors led at all three quarter posts 14-8, 28-22 and 39-22.

Gerald Marvin of the Clowns caged 19 points for the game's scoring honors, while Ron Reeb of the Hilltoppers split the nets for 18.

The Whiz Kids lost their game to the Mints by forfeiture because of an ineligible player.

The Cubs handed the Stars their first defeat of the season to take over the league lead Wednesday, Dec. 15. The Cubs defeated the Stars 22-7 in Glenwood Recreation Center's senior girls basketball league.

History And Customs Of New Year's Day Traced In Volumes On Library's Shelves

By Mildred Phalor, Librarian

For that New Year's party or open house there will probably be canapes. In Alga Leigh's "801 Easy Cocktail Canapes," corned-beef spread sounds delicious and easy to prepare.

New Year's Day is the first day of the calendar year. It is celebrated as a holiday in almost every country. Generally, church services are held, with parties before or after them. New Year's is a time of gaiety in the Orient. Homes are decorated, and friends give each other gifts. In Europe, the day is celebrated by family parties, the giving of gifts, and visiting with friends.

In the United States, people attend church, go to the theater, or to various places of entertainment. Parties are held on New Year's Eve to "watch the old year out." At one time formal calls were made on New Year's Day, but this is no longer a general custom. Many persons hold "open house" on the afternoon or evening of New Year's Day. Their friends come to call and refreshments are sometimes served. This custom is an informal way of continuing the formal calls which persons once made.

Jan. 1 became generally recognized as New Year's Day in the 1600's when the Gregorian Calendar was introduced. The Julian Calendar places the first day of the year 13 days later, on Jan. 14. The Jewish New Year, a feast day, is celebrated about the time of the autumnal equinox, in late September. The Chinese used the lunar calendar for about 4,000 years. This is based on the waxing and waning of the moon. Today the Chinese use the Gregorian Calendar. Both the Chinese and Japanese people now celebrate New Year's Day on Jan. 1.

Jan. 2 also has significance as a part of the New Year in Macedonia as Good Luck Day. This interesting observance of Jan. 2 is noted in Ruth Hutchison's book "Every Day's a Holiday." For the New Year to begin auspiciously in Macedonia, someone in the house must draw water from the fountain without speaking on the morning of January 2 and splash the courtyard and steps so that the New Year will flow smoothly as water. It is well for those who know they are unlucky to stay home on this day, for the first visitor in any house brings either good or bad luck with him. Before he comes in the door, he picks up some earth —symbol of strength of health—a stone or a green twig—brings it into the house and lays it on the fire. Then he throws grains of salt into the flames and recites a lucky chant. Then the new year is off to a lucky start.

The staff of the Hilltop Branch Library, 2936 W. Broad-st, wishes you all happiness and prosperity in the New Year, and hopes to be of service to each family in the community.

Jailhouse 5 Wrap Up Jr. League Title By Eking Out 20-14 Win Over The Jets

The Jailhouse 5 made it six in a row Wednesday, Dec. 22 by sneaking by the Jets 20-14. This game wrapped up the Junior league title for the Jailhouse 5.

The game was fairly close throughout, capable of going either way right up until the last few minutes. As close as the game was, the winners managed to be in the lead at the end of all three periods. The scores were 4-1, 8-4 and 12-8. Don Barnes of the Jailhouse 5 captured scoring honors with 12 points.

The Hawkeyes managed to bag their first win of the season by smearing the West Side 5, 23-17. The Hawkeyes, who have improved tremendously with each game, combined sharpshooting and smart passing to clinch their first, and probably not the last win.

Dave Roberts led the Hawkeyes with 10 points, but Jerry Strickler of the West Side 5 copped scoring honors with 11.

The final junior league standings are as follows:

	W	L
Jailhouse 5	5	0
Jets	3	3
West Side 5	2	4
Hawkeyes	1	3

'54 Good And '55 Better, Glimpse At Records In Community Reveals

By Louise Pohlmann
RA. 6418A

Looking back over 1954 and forward into 1955 presents a view of the Hilliards community in a booming situation as indicated by statements obtained from a few of the local business and municipal executives.

Louise Pohlmann

C. H. O'Brien, cashier of the Merchants' and Farmers Bank, said that the year just ending was above the average of many in the past years. Deposits were heavier, new accounts far overbalanced the withdrawals, by nearly three to one, he said, and all indications point to a continuing increase throughout 1955.

Automobile sales were "fair," Arch Alder said, but nothing to be discouraged about and his business is picking up and he anticipates a much better year just ahead.

At the Conklin Furniture Co., Kelly Conklin said that though his business was "just average," he had nothing to complain about for '54 and, with so many new homes being established in the community, the New Year should have many possibilities for improvement in his line of merchandising.

Leo Shade, manager of the Hilliards Lumber Co., said that the 1954 sales were 28 per cent above 1953, and provided they get "their share" of the new construction being projected in and about Hilliards, he expects the volume to be the greatest ever in 1955.

Village Clerk Jeanne Feidenauch said that the population increase within the village limits amounted to about 200 in round numbers. Already built and occupied residence units still to be annexed would bring the figure up to about 300. The growth in 1955 may be measured in terms of new developements and annexations now being considered which if completed would practically double the 1954 increase.

Chet Rife who began operating his hardware and appliance store in the late summer felt he had a very satisfactory beginning in his new business and like everyone else expects the village's growth to boost his volume substantially.

As Russell Grain Co., John Russell said it will be hard to match the year 1954 for many years to come. The largest grain crop since 1925 was handled by the firm this year. Russell says no radical change in farm prices is looked for in 1955. He expects the corn acreage to be as large as last year and that farmers in the area will plant more spring barley than ever before. The spring barley increase will offset the wheat allotments and also provide cover for new grass seedings.

Speaking for the hardware and appliance division, Russell said this branch also experienced its largest year, attributable entirely to the increase in population in the area.

Postmaster Florence Wilcox stated that overcrowded conditions at the Hilliards post office did not prevent the complete distribution of all the Christmas mail. Commenting on the limitations under which she and her staff continue to struggle, she said she has on file at present 39 applications for box service which she is unable to supply. Asked about the chance of enlarging the post office space, she said that the Post Office Department made a survey last summer, prior to opening of new real estate developments and at that time decided there was insufficient need for expansion. Now that new additions have been and are being annexed, she plans to renew her application and hopes to gain a more favorable response from Washington.

Hilliards Methodist Church will hold the traditional watch night service this Friday (New Year's Eve) at 11:00 p. m.

Holy Communion will be celebrated on Sunday, January 2.

WSCS will meet next Tuesday, January 4 with Mrs. Dorothy Knowles. The business meeting will be held at 10:45 a. m. Noon luncheon will be served by the luncheon committee, followed by a program in the afternoon.

THE NEW YEAR

A flower unblown; a book unread;
A tree with fruit unharvested;
A path untrod; a house whose rooms
Lack yet the heart's divine perfumes;
A landscape whose wide border lies
In silent shade 'neath silent skies;
A wondrous fountain yet unsealed—
This is the year that for you waits
Beyond tomorrow's mystic gates.

Horatio Nelson Powers
(1826-1890)
From Bartlett's
"Familiar Quotations."

It is that time again—so I'll wish everyone a very happy New Year. As my favorite shut-in says, "I wish you good health and happiness. Who cares about prosperity if you have them?"

• • •

YESTERDAY

"Turn back the page," I cried,
"I must write another word."
But my voice was lost on the wind outside—
Nobody heard.
"Turn back the page," I pled,
"There's a blot I must erase."
But the wind blew over the field of the dead
And flung the words back in my face.

Mail—From Columbus: "May you have a pin-up New Year. Your pleasures as sharp as a pin point; your way as straight as a pin; your troubles only what could be placed end to end on the pin head" . . . From Shelby: "I just discovered an awful thing! It is that people I care least about hearing from or writing to are the ones who get the most letters from me. I just whip up a light idea and fling them the froth, telling myself I'll get the easy letters out of the way quick and give myself the time to season the others for the Epicurean palate—result: the others just don't get writ. Gotta do something about that" . . . From Columbus: "My mother-in-law gave me a whole new wardrobe for Christmas. They just don't hardly make mothers-in-law like that no more" . . . from Detroit: "You can be glad Columbus is so far from Detroit. We are entering a house-remodeling period and we'd be camping out with you, otherwise. And I'd be crying all over your shoulder because the carpenters and I don't see eye to eye on so many things. If the wolf isn't panting at the door when we finish the job we may get a new bathroom, then I'll go round and round with the plumbers, I suppose."

This touching verse was on a birthday card:

Birthdays come and birthdays go
In this world of weal and woe,
You yell and kick when you arrive
And if you're lucky, you survive.
You have no teeth and little hair;
Can't talk, can't walk!; need lots of care.
Some folks are happy that you came
And when you're gone, some are the same.
Teeth come through, but seldom bit;
Later, those you buy don't fit.
Hair grows out, but later on
It's all thin or gray or gone;
Though you worry, work and slave
And dig yourself an early grave,
A living's all you get at best—
The government takes all the rest.
Toil and trouble never cease
Till at last you rest in peace.
But as this started out to say—
Sure hope you have a happy day.

Since everyone else is quoting George Goble I might as well say "And there you are and here I am," all full of birthday wishes; Christmas cheer and candy. (Only it wasn't my birthday—must have me confused with somebody else.)

End of the year jokes (terribly tired)—"I suppose, like a lot of other people, you would rather have clean money," said the statesman, looking through his bill fold for a new dollar bill. "That's all right, Senator," said the cabman, "I don't care how you made it" . . . An employer severely reprimanded a meek employee, "I understand you've been going over my head. You've been praying for a raise" . . . "Tell me," the psychiatrist asked the mountain boy, "do the voices you hear at night bother you much? What does the voice say?" "It's my old man, yelling for me to get out of bed and build a fire" . . . I listen sometimes when the moments drag and there is nobody here to chat, to a guy on the radio telling a gag, and I know why they call 'em that.

Looking Backward Through Record Files

TEN YEARS AGO

Dec. 29, 1944 — Defective wiring is believed to have been responsible for a fire that forced three Hilltop families to flee their apartment Tuesday noon. Flames originating in the apartment of Mr. and Mrs. Richard H. Smith, 16 S. Burgess-av, threatened to spread to adjoining apartments in the three-family row, 14-16-18 S. Burgess-av.

Young people from all over the city will gather at the Club Coed New Year's celebration at the YMCA Saturday night, Dec. 30, to dance to the music of Chuck Selby's orchestra from 9 to 12:15.

Dick Slager will represent West High as candidate for king.

Hilltop scouting activities were again in prominence this week as Life Scout Jack Bohanan of Troop 45 (West High School) presented Mayor James Rhodes with the first official 1945 Boy Scout calendar, last Friday.

Robert Charles Wynn, Chief Fire Controlman, 27, son of Police Captain and Mrs. Robert Wynn, 148 N. Warren-av, recently spent a furlough in the city and returned to the West Coast and further fleet duty. Chief Wynn has nine battle stars on his theatre ribbons and has served in practically every engagement since Pearl Harbor.

FIVE YEARS AGO

Dec. 29, 1949 — Mrs. Carl F. Lauer, Jr., 84 S. Westgate-av, winner of Fern Sharp's silver anniversary contest, for which she won a silver tea service, learned that her daughter, Joanne, was to be married to Paul W. Ricketts, Jr., son of Mr. and Mrs. P. W. Ricketts, 89 S. Brinker-av, on the "Bride and Groom" program Feb. 19.

Henry A. Koontz, Hilltop member of city council, seems virtually certain of being president of that group when council elects its new leader next week.

The Hilltop Cowboys overcame a seven-point deficit in the fourth period of the cage tilt last night to take a thrilling 55 to 50 verdict from a tough Bellefontaine five on the loser's court.

The appointment of Mrs. Virginia Benton, 65 S. Westgate-av, to the position of public relations director of the Columbus Tuberculosis Society and director of the Christmas seal sale was announced today by Mrs. W. Hynes Pitner, 306 Parkview-av, president.

Major Robert I. Ferguson, former Hilltoper, and graduate of West High School, was one of the stars in "Snowflake Follies," presented Dec 18 in Nagoya Hall, Nagoya, Japan, by headquarters squadron, Fifth Air Force. The audience of nearly 35,000 occupational personnel voted the show a smash hit.

Your Youth

By Dick Wilson and Bob Schmidt

Now that the hustle and bustle of the Christmas season is over, we can look forward to the New Year of 1955. The Hilltop YMCA staff and board of directors are only making one resolution for this new year and that is to offer the youth of the Hilltop a bigger and better program for 1955.

You will be interested in knowing that the regular winter program is back into full swing starting Monday, Jan. 3. Movies will be shown at the Y every Monday, Boys' Craft Class will be held every Tuesday, and Girls' Craft will be held every Friday immediately after school. The Gra-Y Basketball Leagues will resume with the Class A group meeting on Tuesday and the Class B group on Friday at Glenwood Church gym at 3:45 p. m. Men's volleyball will also be resumed at Glenwood Church gym on Friday at 7:15 p. m. The Intermediate Church Basketball League will meet on Monday at West High School at 7 p. m. The Junior Church Basketball League takes up again on Saturday at Glenwood Recreation Center at 12:30 p. m. Gray-Y Club meetings will resume their regular schedule starting Monday at West Mound and following with Highland on Tuesday, John Burroughs on Wednesday, West Broad on Thursday, and Westgate on Friday. For other club meetings and special events, you can check your program schedule. If you don't have your copy yet, you can stop in at the Y office and pick up a copy.

In closing this week's column, we believe that a poem entitled "Do It Right" by Samuel O. Butchner would be very appropriate to start off our thoughts for the New Year.

"If you have a thing to do,
Stick at it till you're through—
Do it right;

Give good and honest work,
It never pays to shirk—
Do it right;

Whether working fast or slow,
Don't do things just for show—
Do them right;

If things go wrong don't cry,
Just all the harder try—
Do it right."

Gentlemen:

I thought perhaps you would publish a little item in a column of neighbor interest. Mother feels pretty low these days and a few get-well cards would be greatly appreciated by her, I know.

She is Mrs. George C. Stewart, 90 S. Ogden-av. Her husband was buried Nov. 22, and three days later on Thanksgiving Day, she fell, breaking her hip and wrist. She was confined in Mt. Carmel hospital until a week ago when she was removed to Dayton for convalescence near her family. She has been a Hilltop resident for more than 40 years, and Dad will be remembered by his association with the Carlile Furniture Store for 56 years when he retired nearly four years ago because of ill health. They would have been married 60 years on Jan. 18.

If you could publish some little item about her, giving her Dayton address, so that anyone wishing to send cards could do so, she is at present located at

LET'S FACE IT . . .

We Are NOT Worried About Tomorrow

A year ago we were worried about lay-offs, about our income dropping, about not being able to meet payments. And we talked about it. That started a vicious circle for a while. Worry spread, fear spread and we started retrenching.

Then we got to thinking about the facts of the case.

Four years ago there were over a million more unemployed in this country than now. There was less money in circulation, less in savings banks. Yet folks weren't thinking or talking of recession. Business kept getting better, jobs kept paying more.

And so we said to ourselves, "Why go backward now?"

"Are we spreading the false gospel of bad times ahead simply because the Republicans succeeded the Democrats? Or are we echoing Communist suggestions? Will we let the Reds break us by steering our prosperity into poverty?"

We said, "It's time to get hold of ourselves and do some straight thinking."

And so we went ahead and bought the refrigerator we needed, the other things we needed for the house, took out some more insurance, made some repairs on the home, ate a little better, enjoyed life generally more than before.

And so on the brink of a new year we look forward to even better things because we have confidence. Only in America can all these things be made possible for so many people.

Here is a growing nation and we have the means of a better and more comfortable living for everyone if we will just keep our minds made up that we can achieve it. We go into the new year with the thought that if each of us keeps the other fellow working he'll keep us working.

Think it over. Then buy individually and save ourselves collectively. Let's make 1955 the best year yet.

By Myrtle Kidd
JO. 5181

Mr. and Mrs. S. K. Martin of Whitethorne-av were hosts at a Christmas party held Christmas Eve for their family and some of their friends.

Mrs. Kidd

In attendance were Mr. and Mrs. Robert Vantola and family, Mr. and Mrs. R. VanBuren, Mr. and Mrs. Charles Salvatore and Bill Morgan of Columbus.

Mr. and Mrs. Wayne Wolfe, Mr. and Mrs. Harry Vantola and family and Charles Cartwright of Rainbow were also among the guests.

Mrs. Hobart Kidd of Vadle-st spent Christmas week-end with her parents, Mr. and Mrs. Addison Moore of West Jefferson.

I want to thank the Hilltop Record staff for their kindness to me throughout the year and their remembrance at Christmas time. My best wishes to them for a blessed and prosperous New Year, also to my friends and neighbors.

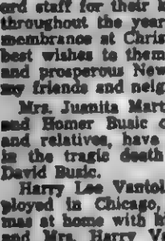
Mrs. Juanita Martin of Rainbow and Homer Busic of New Rome, and relatives, have our sympathy in the tragic death of their son, David Busic.

Harry Lee Vantola, who is employed in Chicago, spent Christmas at home with his parents, Mr. and Mrs. Harry Vantola, Sr., of Whitethorne-av.

Funeral Rites—

(Continued From Page 1)

Very active in the work of the Hilltop YMCA, Mr. Grooms recently contributed much Sunday work in the renovation of the new quarters of the YMCA, according to Robert Schmidt of the local Y staff. He was also active with his son, Jerry, in the YMCA Indian Guide movement and was one of the organizers of the Dakota Tribe of Indian Guides at West Broad Elementary School.



Mr. Grooms worked on refrigerator controls at Ranco, Inc., and also worked in a downtown hardware store Monday and Friday nights to earn extra money to assist in purchasing the home in which his family lived. Because of the hospital visit he had not gone to the hardware store Monday evening.

Visiting at the home of Mr. and Mrs. Ed Thompson, Dover-rd, on Christmas eve were Mr. and Mrs. James Smith of Grove City.

"I'm all out of sorts. The doctor said the only way to cure my constipation was to keep away from it."

"What's he know about that?"

"You don't know how silly it makes me look to sit in an empty tub and go through motions with a vacuum cleaner."

SANTA HUNT—Shown above are Doni Duby, eight, daughter of Mr. and Mrs. Thompson, 187 N. Harris-av, and Clint Hutchinson, eight, son of Mr. and Mrs. John Hutchinson, 134 S. Hilltoppers Quizzed On Making Resolutions For The New Year

This is the season that is traditionally the time for resolutions. We were curious to see just how many Hilltoppers take advantage of this old custom as a means of improving themselves and their daily deeds, so we asked this question at random this week, "Have you made your New Year's resolutions?"

Mrs. Frederick S. Hill, 81 S. Southampton-av, "I never make any. That way I don't have to worry about not keeping them."

Mrs. June Francies, a Chillicothean visiting her sister, Mrs. Harold D. Walker, 771 Derrer-rd, "I never make them because I know I'll never keep them."

C. F. Shall, 241 S. Richardson-av, "I've made mine. One is to try to do all I can to help others. I've made it and kept it as best I can for several years now."

Mrs. Cornelia Bell, 545 Belvidere-av, "No, I haven't. We're all in ill health and I guess our one and only resolution is to get better."

Margaret Baughman, 2734 Vidal, "As much as we're going to, I guess. We make them every year, but I guess everyone breaks them after so long a time."

50 Hilltop Youths Enjoy Santa Hunt Of Hilltop Y

More than 50 Hilltop boys and girls under the age of 12 took part in the third annual Santa Claus hunt sponsored by the Hilltop YMCA at Holton Park last Friday morning. The objects of their search were six dozen large Santa Claus suckers, of which two were marked for special prizes.

The special prizes, which were model craft kits, were won by Joe Dunn, also, of 24 S. Warren-av, in the boys' division, and by Margaret Jensen Shuter, 10, of 196 N. Burgner-av, in the girls' division.

Bob Schmidt and Dick Wilson of the Hilltop YMCA staff acted as adult supervisors of the hunt and Bill Ingle, John Graham, and Nate Alford, West High student assistants.

Craft Classes Trim Tree At Glenwood Recreation

Santa Clauses with white cotton beards, doves with sparkled wings, angels, and stars were made by the craft classes at Glenwood Recreation Center last week to be used in decorating the beautiful large tree in the game room of the center.

After group games and singing of Christmas carols, Santa Claus visited the group and brought refreshments and presents to each boy and girl.

Cooking Class Bakes Christmas Tree Cake

A beautifully decorated cake, in the shape of a Christmas tree, and trimmed in candy, was made at the Glenwood Recreation Center by the Cooking Club Wednesday, Dec. 22.

The cake was a gift for Zonta International House, the home of many foreign women students during their college years at Ohio State University.

Glenwood's theme for Christmas this year was "Christmas in Many Lands."

12th Night Rite Set For Tonight

Members of the Hilltop Lutheran Choir have invited the entire Hilltop community to join them at 7:30 p. m. today in celebration of Twelfth Night on the Albert Tinapple Farm at Fisher and Phillippirds, just north of the new Westinghouse plant.

In this traditional celebration 12 days after Christmas, celebrants bring trees to central location to burn them, thereby ushering out the Christmas season.

Members of the Ohio State University Marching Band will be on hand to assist in the singing of the carols for the last time during the purning of the trees.

Those arranging for this first Hilltop community celebration of Twelfth Night urge everyone to bring their trees to the Tinapple Farm on schedule. A spokesman said, "The more trees we have the bigger the fire, and we'll all have a better time at this, the Hilltop's first Twelfth Night."

THIEVES GET $150

Ed's Meats, 1038 Harrisburg-pk, owned and operated by Ed Gochenour, was robbed Monday night of $150 in cash by thieves who broke through the store's back door and entered the premises. Apparently no merchandise was disturbed.

The youngest McDaniel was born in White Cross Hospital at 12:54 a. m. on Jan. 1. Rush Robinson was the physician. 92 See West Franklin County Kiwanis Install New Officers

Ninety-two Kiwanians, Weekly wans and friends were present last Thursday night as Kiwanis District Lt. Gov. Oscar Fleckner presided at the installation of 1955 officers of the West Franklin County Kiwanis Club at the Colony Restaurant.

In charge of arrangements for the annual event were Bill Collier, O. O. Tope, Roe Moore, Sam Orr, Christian Brown, and their committees.

Past President William Coulthard read a congratulatory telegram from C. C Hartley, who aided in founding of the West Franklin County Kiwanis Club, from Daytona Beach, Fla.

It is believed that some sort of a record was set by having eight of the 10 president-elects of Kiwanis Division Eight present for the ceremonies along with their wives. These visiting, newly-elected Kiwanis Club heads included Evan Williams Eastern; Harold Clifton, Circleville; Ralph Smith, Linden; Merk Pemberton, Hilltop; Glenn German, Downtown; Ned Norman, Northwest; Lloyd Shields, Northern, and Harold Hart of the host West Franklin County Club.

Bill Collier presented new pins to Past President Coulthard, Past Vice-President Jim Ryan, new Vice-President Malcolm Pennell, new Second Vice-President Maurice Strauch, and to new President Hart.

A highlight of the evening was presentation of an onyx based double pen set for Past President Coulthard and a barbecue grill to Ned Wilhoite, who was renamed as club secretary.

Noah Teach gave the invocation and Harry Eberhard closed the evening with the benediction.

Other business included the increasing of annual dues to $16 following a motion by Jim Ryan, which was seconded by Clark Biddle. A motion was carried to assist Kiwanis International with the new building fund. It was announced that Past President Coulthard has been appointed chairman of the 40th anniversary committee which will arrange the celebration of the official Jan. 21st birthday on Jan. 20.

Within a very few hours after copies of this newspaper were delivered to homes, Mrs. Ritchie reported, every item had been sold.

A HILLTOP LEGEND

Election Of New Officers Throws Spotlight On 13 Club Philanthropy

Election of a new slate of officers in the December meeting brings the spotlight on the Hilltop's 13 Club.

Famous because of its work, the club is almost a legend because of the rapidity with which it can be counted on to lend a helping hand and because of the unwillingness of its members to seek credit or fanfare for its many charities.

As new president is G. E. "Red" Rauberts, 358 Pasadena-av. "Red" has been a Hilltopper 32 years and is affiliated with the engineering department of Jeffrey Manufacturing Co.

Other Club 13 officers elected on Dec. 12 to serve one-year terms are Donald Rumley of 2970 Wickloswd, vice-president; Attorney A. A. Clark of 2977 W. Broad-st, secretary; and Leroy S. Weigand of 3181 W. Broad-st, owner of Weigand's Health Foods, treasurer.

Serving as chairman of the trustees as immediate past president of the club is Chan Gibson, 2181 W. Broad-st, of the Ohio State Board of Education.

Other new trustees are Arthur Bishop, 2764 Andover-rd, a former Hilltopper, who is associated with Ohio Cartage Co.; Dewey Stout of 90 N. Wayne-av, a painting contractor; William Krause of 125 N. Terrace-av of Krause & Pagura, Inc., contractors; Jack Shank of 45 N. Westgate-av, of Shank & Saunders, Inc.; Harry Eaton of 418 S. Roys-av, a representative of the Elevators Union; and Homer Ragan, 309 19th-av, who is associated with the Franklin Lumber Co.

Now boasting a full membership of 75 men, the upper limit currently approved by the membership, the club can trace its history directly back to the summer of 1936 when a small group of men at the suggestion of the late Bill Gloeckner, took themselves one Sunday to the country for an outing. They had a fish fry, a ball game, and all the things that make fun at such an event.

The first outing proved so popular that several more were held during that and the succeeding summer. The late Bill Gloeckner and Sam Roberts are given credit by currentday members for keeping interest alive in the formation of a club.

G. E. "Red" Rauberts

In 1938, 13 men formed the nucleus of what is now the 13 Club and elected Carl Sherburn its first president. For some months the club met at 3402½ W. Broad-st with a limited membership of 13. Later the club met at 122 S. Terrace-av, raising its membership authorization successively to 30 and 50 members. After seven years meeting there, the club switched its meeting place back to the hall on W. Broad-st, where it still meets the second Sunday of each month at 2 p. m.

The 13 Club is dedicated to good fellowship, community betterment, and charitable work. Members' politics, religion, or business interests play no part in the functions of the club.

During past years, the 13 Club has raised and donated hundreds of dollars to the Charity Newsies. It has contributed to and supported countless civic endeavors.

At its meetings, which are noted for their brevity, food and refreshments are served and recreation provided. Attendance runs high, often better than 90 per cent of membership.

The greatest single money-raising venture is the yearly stag party at Beulah Park in the first part of June. Largely as a result of the great public support of this single venture, the 13 Club has been able to give away $8,000 to $7,000 in the past five years to deserving civic causes and charities. Working closely with the Charity Newsies, the 13 Club only recently contributed $900 to that agency. The 13 Club also recently donated $50 toward the shade tree memorial members of the Highland Garden Club are seeking to obtain at Hruntz Park in honor of the memory of the late Rev G. Hruntz, beloved groom and benefactor of youth.

Another recent unheralded act of the club was in completely outfitting a Mix Addition family of five small children and their mother following the sudden death of their father and assisting the family to get back on its feet. Groceries and coal were included in this case as in many others.

Findings actual statistics on what the 13 Club has done for whom is difficult since the club makes no effort to gain credit for its work. Yet, almost any died-in-the-wool Hilltopper can point out scores of charitable incidents.

Special events mark the year-round functions of the club. This year the annual December turkey dinner was very well attended by members and their wives at the Meemeechee Club. The yearly Valentine party is another highlight shared by members and wives.

Membership is not solicited and it is required that an applicant be vouched for by two members other than his sponsor. It is required also that an applicant be the club's guest at one meeting before he is eligible for membership.

With these stringent requirements, it is assured that the 13 Club will endure far into the

Patricia Ann Keffer Is Bride Of Richard Brooker, Oct. 30

Miss Patricia Ann Keffer and Mr. Richard M. Brooker repeated their marriage vows on Saturday, Oct. 30, before Rev. Ambrose Metzger in St. Aloysius Church. The altar was banked with baskets of white gladiola and white chrysanthemums for the occasion.

MRS. RICHARD M. BROOKER

Given in marriage by her father, the bride is the daughter of Mr. and Mrs. Edward Keffer, 260 N. Harris-av, and the bridegroom's parents are Mrs. Ruth Brooker, 332 E. Kossuth-st, and Mr. Murray Brooker, 1089 Piedmont-rd.

The former Miss Keffer chose a traditional-length gown of hand-clipped chantilly lace for the occasion. The bodice was outlined with hand cut lace flowers and the long sleeves tapered into points over her wrists. Her bouffant skirt was edged in scallops and worn over a hoop and nylon pleated tulle dust ruffle extending the length of the train.

Her matching headpiece of lace and tulle edged in seed pearls held her finger tip veil of illusion. She carried a prayerbook topped with a white orchid and streamers of ribbon entwined with ivy and white pompon chrysanthemums.

Miss Carolyn Mitchell, maid of honor, wore a cranberry red crystallet gown in ballerina length with formal bodice, tiny shrug jacket and bouffant skirt. The bridesmatrons, Mrs. Elwin Beavers and Mrs. Jack Williams, sisters of the bride and the bridesmaid, Miss Carolyn Held, wore identically styled gowns in turquoise blue. Their headpieces were bands of leaves worn with small veils.

TRIMS SON'S LONG HAIR

It was a sad day Thursday for Mrs. Robert Schulse, 2450 Valleyview-dr, when she decided that the time had come to cut the long curly locks of James Edward, her 21-month-old son. James, who already speaks a few words, could not be induced to comment on the shearing.

West Cowboys Capture Their Third Annual St. Charles Championship

By Woody Owen

West High School's cagers ran their victory string to three and improved their season's record to five wins and two losses by capturing their third consecutive championship of the third annual St. Charles Sports Carnival over the holidays.

The opening night, Tuesday, Dec. 28, saw Bexley defeat the hosts, St. Charles, 53-45 and West entscore Grove City 68-58. In the second and final night's play in the loser's bracket Grove City trounced St. Charles 57-39 and in the championship tilt the Cowboys booed out Bexley 50-46.

In the Cowboy-Greyhound contest, the locals led all the way and were never threatened as Furry, Longmeier, Vincent, and Pruden all scored in the double figures. Dick Hagedorn and Wayne Neibert were the heavy guns for the losers with 24 and 20 points respectively.

In the championship tilt, the outcome was in doubt until the final whistle with never more than five points separating the two teams. The Cowboys held a 27-22 margin at halftime and 38-35 at the three-quarter-mark, only to have the Lions snatch a short-lived 43-42 lead with but four minutes remaining in the contest. A charity toss by Longmeier, a goal by Vincent, and another free throw by Longmeier sent the Cowboys into a 46-43 lead with but two minutes remaining. Furry and Randall then added two charity tosses each for the locals, with Winebrenner adding a fielder and a free throw for Bexley to close out the contest.

The Cowboys continued their well-balanced attack with Randall and Longmeier scoring 14 and 10 points respectively. Wienbrenner and Kass led the Lion's offense with 17 and 14 points respectively.

This Friday night on the home court the Cowboys will clash with the surprising North High Polar Bears who are currently in second place in the City League with a two-win and one-loss record and a fine over-all seven win and two-loss record.

If the Cowboys are able to stop the high-scoring antics of forward Dick Wherry and 6 foot 6 inch center John Cedargren, they could upset the high-flying Polar Bears.

Milo Squeezes Through To 52-51 Thriller Victory Against Clowns

Milo and the clowns produced a real thriller in a senior league contest Tuesday, Dec. 28, at Glenwood Recreation Center. The Clowns entered the game as favorites, but Milo would have none of it as they played hard, fast ball to down the Clowns 52-51.

Milo started off with a bang by scoring 11 points in the first period, while holding the Clowns to six. The second quarter, however, saw the Clowns split the nets for 22, while Milo hit for 17 to tie the game 28-28 at halftime.

Each team held its own in the third period, the Clowns scoring eight and Milo six. The final period saw the lead change hands several times before the final gun sounded with Milo leading 52-51.

Kenny Mercier paced Milo with 28 points, while Roger Horch collected 16 for the Clowns.

The Hilltoppers made it six in a row by trouncing the West Side Pirates 60-36, in another senior league game. The Pirates started off strong by taking a 10-8 first quarter lead, but were unable to maintain the lead as the Hilltoppers swarmed all over them in the next three quarters.

Paul Lombard of the Hilltoppers copped game scoring honors with 21 points. The Pirates' scoring was evenly distributed.

The Atomic 5 ran roughshod over the Whiz Kids 63-48 in the third game of the evening. The victors took an early lead and were never headed. The scores at the quarter marks read 10-4, 21-16 and 39-30.

Dick Burke and Dick Berlo led the Atomic 5 with 20 points each. George Eichenberger was high for the Whiz Kids with 15.

The final game of the evening saw the Lightning 5 roll over the Mints 42-17, to stretch their winning streak to six.

The Lightning 5 started off slow, leading by only six points at halftime. The second half, however, was a different story as they popped in 26 markers, while holding the Mints to seven.

Larry James was high scorer for the game with 13 points.

The final pre-season league standings, with the play-off game between the Hilltoppers and Lightning 5 yet to be played, were as follows:

Going into the final period, the Hilltoppers led 30-27, and, although the Lightning 5 put up a stiff battle, they never went ahead. At times they were within one point, but the Hilltoppers managed to keep their lead.

The Hilltoppers collected their 41 points on 18 field goals and five foul shots, while the Lightning 5 combined 16 field goals and seven charity tosses for 39 points.

Dick Witter of the Lightning 5 copped scoring honors for the night with 15 points, while Ron Reeb and Pete Spurlock collected 12 apiece for the Hilltoppers.

Village Inclusion In County Sanitary Network Under Official Consideration

By Louise Pohlmann
FR. 8-4156

A possibility that the village may be included in a Franklin County sanitary sewer facility is being explored by Hilliards officials, Mayor Patterson announced last week.

Numerous council and planning commission sessions featuring ways and means of providing services to the expanding real estate subdivisions in the area have been held over the past several months. On Monday evening of this week another such meeting was held at which county officials were present. This last meeting was expected to be a decision on local plans either to go ahead and independently expand the municipal sewage treatment plant or to join the county setup.

In the latter event, all work would be done by the county and all service charges would be payable to the county instead of to the village clerk as at present.

Sworn in at council meeting Monday evening was the first man to fill the office of village clerk in several years.

Appointed by Mayor Patterson and confirmed by council, Gaymon Wright, 41, of 96 N. Norwich-st, will fill out the unexpired term of Mrs. Jeanne Feldspauch who resigned because of family responsibilities.

Wright is a graduate of Hilliards High School and was a farmer in the local community until 1952. He is a member of the local planning commission, Hilliards Grange, and Odd Fellows Lodge, and is presently serving as Master of Avery Lodge of Masons.

Mr. and Mrs. Wright have one son. They are members of Hilliards Methodist Church. Currently, the new village clerk is associated with his brother-in-law Henry Burbridge, in operating a general property maintenance service.

Bi-weekly card parties are being resumed by the Ladies Auxiliary of Memorial Post 614, American Legion.

The first of the 1955 series will be an event of Friday, Jan. 7, at 8 p. m. at the Legion Hall on S. Franklin-st.

The parties will be held every other Friday evening.

The Mothers Club of Hilliards Elementary School will meet Thursday, Jan. 13, at 1:30 p. m. in the school auditorium. After a short business meeting, Max Good will tell about his safari to Africa and will show some trophies from the trip. Refreshments will be served and guests are welcome.

New Year, 1955, was ushered in and escorted several hours on its journey by a group entertained at the home of Mr. and Mrs. John Russell. New Year's resolutions, stunts, and parlor games comprised the evening's entertainment. Present were Mr. and Mrs. Ralph Geese, Mr. and Mrs. Harold Lisk, Mr. and Mrs. Bill Dezer, Mr. and Mrs. Jack Headlee, Mr. and Mrs. Austin White, Mr. and Mrs. Robert Willien, and Mr. and Mrs. Nelson Russell. Austin White carried off the honors of the evening his host's report.

A recent issue of the "Marion Groundhog," house organ of the Marion Power Shovel Co., Marion, featured the career of William Van Houten, Hilliards native. Van Houten began his career at Marble Cliff Quarries at the age of 14, going to school in winters, and carrying the job of a man during the summer. At the age of 17 he was appointed a foreman at the quarries. He located in Marion, with the steam shovel firm at the age of 21 in 1912 and has advanced through various administrative positions to his present position as chief inspector and field inspector for the Marion Power Shovel Co.

Local relatives are two brothers, Andrew H., superintendent of Wesley Chapel Cemetery, and Gilbert, who recently retired from Marble Cliff Quarries. His sisters are Mrs. Walter Arndt, 280 Avery-rd; Mrs. John Kaiser, 212 S. Norwich-st; Miss Mary Van Houten and Miss Lida J. Notesman, Scioto Darby-rd; and Mrs. R. J. Fire, 202 S. Terrace-st.

Mr. and Mrs. Robert C. Kinney entertained members of the public speaking class of Franklin University in their home at 186 Hamilton-rd Thursday evening, Dec. 30. Mr. Kinney is the instructor of the class . . . Mr. and Mrs. Paul W. Kindinger and children, Martha, David and Peter, visited with Mr. Kindinger's parents in Crestline on Sunday . . . Mr. and Mrs. Ralph Woodin and daughter Jean were in Chardin, O., over the week end, where they visited with the parents of both Mr. and Mrs. Woodin.

Mr. and Mrs. Robert Beal and family entertained Mrs. Beal's parents from Winona, Miss., during the past week . . . Mr. and Mrs. Walter Arndt visited Carl McCann and family at Jerome, O., last Friday.

The annual celebration of all the children, grandchildren, and great-grandchildren of Mr. and Mrs. John Kaiser was held last Sunday at the Kaiser home, 212 S. Norwich-st. Among those attending were Mr. and Mrs. Paul Kaiser and family; Mr. and Mrs. Wilbur Walker and family; Mr. and Mrs. Howard Kaiser and family; Mr. and Mrs. Ray Kaiser; Mr. and Mrs. Ivan Kaiser and son; Mr. and Mrs. John Warner and family; Mr. and Mrs. Blaney and family. Also calling at the Kaiser home were Mr. and Mrs. Pletcher of Marion. Mrs. Pletcher and Mrs. Kaiser were room-mates at White Cross Hospital last fall when Mrs. Kaiser had a cataract removed from one eye.

Records of the Village Council were moved on Sunday afternoon from the home of Mrs. Jeanne Feldspauch, retiring clerk. Henceforth, the documents will be kept in the council chambers.

Mrs. Ray Van Schoyck, 130 S. Norwich-st, visited her sister, Mrs. Ada Skinner at her home in Upper Arlington. Mrs. Skinner is slowly recovering from the effects of a serious fall some two weeks previously . . . Mr. and Mrs. John Russell and children, Philip, Rebecca and Cindy, left by plane Wednesday morning for Miami, Fla. They will be gone two weeks and will visit his parents, Mr. and Mrs. Bliss F. Russell, at Fort Myers.

Our Public Enemy No. One For 1955

The prophets of doom are wearing even longer faces these days. Their dire predictions of a bursting economic bubble during the past 12 months have proven without foundation.

Fact is, we start the new year with a firmer base because of the elimination of certain marginal businesses and a de-emphasis on wartime economy. This new year is the first in some four decades in which the world has not found itself engaged on at least one major front in an all-out war.

You can bet your bottom dollar, however, that the voices of doom will not be stilled in the weeks and months ahead. If,you and I ignore economic indices which prove the substantially healthier aspect of today's ecoomy in comparison to that of a year ago, we will be playing into the hands of those forces which would see American economy wither.

One of the most interesting and optimistic reports to reach our desk in weeks came in the mail on the last day of 1954. It was the year-end statement by Harlow H. Curtice, president of General Motors, a man certainly in a position to read the economic indicators.

"I believe that 1955 will be an excellent year for American business," Curtice declared. "It will be substantially better than 1954, and it probably will exceed even the record level of 1953."

He continued in a similar vein, listing the facts supporting his convictions. They were many and varied. At the same time, he pointed out that a confidence in the American way of life and the soundness of our economy is most essential if that economy is to bear fruit as indications now seem.

"In other words," Curtice said, "conditions are highly favorable to continued prosperity in 1955 and the years ahead. It is up to us to take advantage of those conditions through hard work and faith. If we do that, there is no limit to our opportunities."

Everywhere the advice is the same:

Take no heed of the "scare boys." Shun them as you would a public enemy, for indeed the professional economic pessimist has it in his power to wreck the bright prospects for the coming year ONLY IF HE HAS AN AUDIENCE!

The truth of the famous statement of the late Franklin Delano Roosevelt was never greater than it is as we begin the new year:

"The only thing we have to fear is fear itself!"

In Passing

By Esther Weakley

EARLY MORNING FIR TREE

So quietly the snow has come
That every branch is towered with white,
And in the bluest shadows go
The tracks of creatures swift for flight.
Not a breath shall stir till sun
Meets the pure crystal quick to gleam;
And here a bird shall light to sing,
And here a child shall stand, and dream.

George Abbe, In The Lyric

In Passing — During the happy Christmas season many of us had moments of sadness and pity for the seven-year-old in Cleveland and for the wife and children of the Hilltop man who was a traffic victim . . . A friend and I were speaking of so many tragedies, which always seem worse at Christmas time; we decided that we were very lucky that nothing had happened to mar our holidays. She said when she starts feeling sorry for herself, she remembers that her son came back from the war, and so many mothers' sons didn't. Counting blessings instead of sheep is a fine idea . . . Another friend told of a niece who was spending the holidays with her. The niece is attending an eastern college; her home is on the west coast. Her parents sent her money for a plane ticket home. She spent the money for a formal and accessories, thinking her grandmother would send her the usual Christmas check and she could use that for the plane ticket. You guessed it — Grandma sent a formal instead.

• • •

Mail — From Columbus: "Did you ever try preparing a meal for 12 adults and four children under ten, in a postage stamp-size kitchen, with a four-year-old wanting to 'help' and two toddlers determined the only place they can play is under your feet? Then you'll know how I spent Christmas. It was happy, hectic and hilarious. The toddlers dove into the tree and now it resembles the plucked turkey I finally got roasted" . . . From New York City: "Everyone here is in a festive mood but the bus — and cab-drivers. Even large tips don't make them act human, at least not the ones I've had. They are rude and insulting. They can't all have liver or wife trouble!" . . . From my favorite shutin: "I've writ a poem. It isn't for publication — it's just for you." (It will still be just for me, for I have a feeling that nobody will read this colyum anyway. The poem lost a lot in editing for a family newspaper. Originally, it is a riot. Here it is:)

CHRISTMAS CARDS

On the front, the cards say
"Have a happy day;"
On the backs, some senders wrote
About the awful way
Aunt Matilda suffered
When she had a stepped-on toe;
Of Junior and his runny nose
And other tales of woe.
But I struggled bravely through
And managed in some way
To do like the front sides said,
And had "a happy day."

Looking Backward Through Record Files

FIFTEEN YEARS AGO
Jan. 5, 1940

Floyd Green was sworn in as mayor on New Year's day. Hilltoppers appointed to city positions by the new mayor were George M. Ward, Jack Crompton, Hults C. Bancroft, and Leo Phillips.

Donald Edward Frazier won the Hilltop stork derby. He was born at 11:15 p. m. on Jan. 1, and weighed in at seven pounds, 15 ounces.

A dazzling blanket of snow covered the Hilltop last week, bringing out scores of youngsters on sleds, skis, and ice skates to take part in the winter sports.

West High basketball players start the new year by plunging into city league play. South and Aquinas will be the first two opponents of the Hilltop team in city league play.

TEN YEARS AGO
Jan. 5, 1945

Susan Eleanor Fletcher is the winner of the 1945 Hilltop stork derby. She was born at 2:41 a. m. on New Year's day, and is the daughter of Capt. and Mrs. Edward A. Fletcher. Capt. Fletcher is a veteran of 30 missions in the African campaign and is presently stationed as a flying fortress instructor at Leckbourne Army Air Base.

One Hilltopper killed and two injured in the report from the fighting fronts during the past week.

The January graduating class at West High School will have 70 members. There will be 135 students advancing from West Junior to West Senior High. Graduation exercises are scheduled for Jan. 24.

FIVE YEARS AGO
Jan. 5, 1950

Three Hilltop members of the Ohio State University band are expected back in Columbus Thursday after playing in the Rose Bowl in California. They are Jimmy Hill, Johnny Glass, and Allen Williams.

Marcia Rae Deneau, born at 2:47 a. m. on Sunday, Jan. 1, is the winner of the 1950 Hilltop stork derby and recipient of $250 worth of prizes. The proud parents are Mr. and Mrs. Felix Deneau of 294 S. Sylvan-av.

Sonja Albery, 15, daughter of Mr. and Mrs. H. P. Albery, 2634 Elliott-av, and Ronald Grant, 14, son of Mr. and Mrs. Richard R. Grant, 478 S. Harris-av, have been announced as commencement speakers for the West Junior High January graduating class.

PUBLIC COMMENT

Hilltoppers Give Nod To Plan To Move Ohio Pen To Country Site

A recent proposal was made by the state Division of Correction to move the Ohio State Penitentiary from its present location in the 130-year-old buildings in the heart of Columbus to a new rural site. The estimated cost of construction called for in the new program is $22,000,000 to be paid over a period of 10 years. In order to see just what Hilltoppers think of such a tremendous project, we asked this question of readers at random this week: "Do you approve of the proposal to move the Ohio State Penitentiary to a rural location?"

John L. Carey, 2251 Martha-st, "I'm for the idea. They are so overcrowded they need the new facilities. I understand it will cost about $22 million altogether, but I think it's worth it."

Paul L. McCann, 474 Clarendon-av, "I think I would. I heard several years ago that they were considering moving the old Union Station to the pen site. Even if they don't, it would be a good site for the city to build on and we certainly could use some new municipal buildings."

Mrs. M. D. Sadler, 61 N. Wayne-av, "I do approve of it. I think it should be away from the city and if it's out in the country it would give the inmates more of a chance for rehabilitation."

Mrs. David M. Key, 785 Chestershire-rd, "I think it would be better. I think the inmates would be better able to adjust themselves in an open environment like that and perhaps there wouldn't be so many escapees as we've had lately from the over-crowded institution they have now."

Mrs. Clara Erwin, 2285 Union-av, "I think they should try to move it where they have more ground and more room for rehabilitation and recreational facilities. The building is so old and the population of Ohio has grown so much that I think it is really a necessary move."

YOUR HILLTOP BRANCH LIBRARY

Paintings Of William Blakesley Share Shelf Space With Several New Books

By Mildred Phelps

At the Hilltop Branch Library, 2965 W. Broad-st, is a delightful exhibit of painting by William Blakesley, head of the art department at Muskingum College, New Concord, O. Blakesley is a familiar figure in Columbus art circles. He was awarded his bachelor of science and master of arts degrees by Ohio State University where he has also taught drawing and painting. Blakesley is a member of the Columbus Art League, and at present is secretary and treasurer of the Ohio Watercolor Society.

New books recently received at the library cover a wide variety of interests. "Let's Eat Right to Keep Fit," by Adelle Davis, is not a cook book as one might believe from the title. Instead it is a discussion on vitamins, minerals and other nutrients making up normal nutrition. It is both an enlightening and surprising book. "Planning Your Home For Play," by Albert Ostrow, includes ideas—all types of ideas—from building games to building fireplaces.

Another instruction book of special interest to the ladies is "McCall's Needlework and Crafts Annual." It likewise has an abundance of ideas.

For sheer beauty and delight we recommend "The Flowering Cactus" by Raymond Carlson. The title page states that this book is "an informative guide, illustrated in full-color photography, to one of the miracles of America's Southwest."

A book the man of the house will enjoy is "Weapons: A Pictorial History," by Edwin Tunis.

"Understanding the American Past," by Edward Saveth, is an interpretation of American history. "The Next Fifty Years of Flight", by Bernt Balchen, is, of course, a book of predictions of things to come in the field of aviation and has the sanction of James H. Doolittle, chairman of the National Committee to Observe the Fiftieth Anniversary of Powered Flight. Robert St. John dedicates his new book, "Through Malan's Africa," to "those men and women of good will who are striving to make it a happy land, a laughing golden land for everyone." And for all those who enjoy English historical novels is a collection of stories by Margaret Irwin, "Bloodstock," all based on fact. Margaret Irwin is best known for the series of books on Queen Elizabeth beginning with "Young Bess."

Your Youth

By Dick Wilson and Bob Schmidt

Another year is behind us. Its record is made. It is too late to change any part of it.

The program of the Hilltop Y has met in part the needs and demands of the community during 1954. There is much to do in the coming year. Of basic importance to the community is the realization of adequate building facilities for the Hilltop YMCA. Plans are being projected and 1955 will show definite gains in bringing this closer to reality.

The Y will be moving in January to its own property at 2725 W. Broad-st and will occupy a large two-story dwelling. The second floor will be used for offices with the downstairs used for meeting rooms.

The Hilltop Y will share its facilities with the YWCA, which is again a step forward in a wide range plan to meet the needs of the community.

The January schedule is now available for all boys and girls. Please pick this schedule up the next time you are down to the Y enjoying one of the special events or programs.

One of the increasingly popular events seems to be the Saturday afternoon swims. This month's schedule calls for two swims, the first one Jan. 15, with participants meeting at the Y at 3:15. The second one is Jan. 29. At each of these swims, which is for boys only, you are required to furnish your own bus fare and towel. There is also a charge of 10 cents to swim.

All Y members will want to secure their tickets for the Annual Hilltop YMCA Meeting, which is to be held Jan. 25 at Glenwood Methodist Church, well in advance. We know that there will be a terrific demand for tickets as our guest speaker will be Howard "Hopalong" Cassady, Ohio State All-American halfback. You may call JO. 4641 for your reservation or contact the group president of any Y organization you may belong to.

AAA Club To Give Driving School On TV For 13 Weeks

In cooperation with the WLWC-TV, the AAA Club will offer 13 weekly, 30-minute television lessons in driver education each Saturday morning at 9 a. m. on channel 4.

Textbooks will be the same as used in all high schools and reference books may be secured from the school library or any of the public libraries.

Schools and safety people are cooperating in this effort and this will be the first time that a club has offered this course on TV.

Records prove that people with driver training experience have 50 per cent less accidents than the ones who do not have this training.

For Starving Souls
To build this church, that is our job." With Christ as foundation, this group of men have pledged to build... to make more pews available for neglected souls. These men are stewards of the Most High, armed with resolution to "build a church for His name," for *starving souls*. Every extra hour and every spare nickel goes into this responsibility entrusted to this company of Kingdom workers.
These men are our neighbors. They are ministering to hungry souls... souls of boys and girls who need God. Souls of men and women whose wrecked bodies and warped minds need the *healing, strengthening and comforting fellowship this church will give*. Jesus said, "Take heed to the ministry which thou hast received in the Lord, that thou fulfill it." God's invitation to attend His Temples of Worship is addressed to you and yours. *His invitation is eternal.*

Making Sure

A Scot taking part in a novices' boxing match, was hammering his opponent in fine style.

The bell rang, but the Scot paid no attention. The referee, tapping him on the shoulder, shouted, "Time."

"Out o' my way, mon," shouted the Scot, still punching his opponent. "Just when I'm winning you ask me the time. Ask somebody else!"

Historic Legal Documents Given To Columbus Bar

The Columbus Bar Association's public relations and education program today received from the City National Bank and Trust Co. a collection of reproductions of historic legal documents and engravings.

Entitled "A Tribute to The American Lawyer" the collection was assembled by the City National Bank and Trust Co. from materials authenticated by the American Bar Association, and has for the past month been on display in one after another of the City National Bank's offices.

Presentation of the display was made on behalf of the Bank by J. H. McCoy, president, and was received by Carl Nappi, chairman of the Columbus Bar Association's public relations committee. Plans are now being made by the Bar association to put the display on a tour of the junior and senior high schools throughout Franklin County.

Inter-Church Council To Hold 4th Youth Songfest

The fourth in a series of Youth-Singspiration rallies sponsored by the recently organized Hilltop Inter-Church Youth Council will be held this Sunday in Glenwood Methodist Church at 6:45 p.m.

In addition to the songfest, there will be the added attraction of Mr. Isaacs, a graduate student at Ohio State University and a native of Tranvencore, India, who will speak briefly on the effect Christianity has had on his native India.

Following this service, the young people of Glenwood will be hosts at a fellowship period where light refreshments will be served.

Final Details Set For New Rome March Of Dimes Fiddler Contest

Final details of the old-fashioned fiddlers' contest, which will spark the 1955 March of Dimes effort of the Prairie Township and New Rome area, were announced yesterday by New Rome Mayor D. J. Kunz, area chairman for the Polio Foundation.

Cowboy Mel Cox

Scheduled to start at 8 p.m. Wednesday, Jan. 19, in the auditorium of the Prairie Township School, the contest will be among fiddlers sponsored by eight local community mayors. The fiddlers range into the eighties.

Immediately before the contest, Sid R. Phillips, chairman of the Franklin County Chapter of the Polio Foundation, will deliver brief, appropriate remarks. A top prize of $25 will be awarded and other valuable prizes have been established by donors.

Orchestra leaders who will serve as judges are Al Bettinger, Al Longstreth and Paul McMurray. Following the judging, refreshments will be sold under the direction of the Blue Star Mothers, assisted by the Prairie Township PTA.

Starting at 9:30 p.m., there will be round and square dancing, with music furnished by the Stardusters. Another feature of the evening will be a "fancy fiddling" exhibition by Cowboy Mel Cox, recent returnee from Texas and veteran of many years service in a professional western touring show.

Admission will be 50 cents per person and tickets may be purchased either from members of the ticket committee or at the door. Mayor Kunz warns that no seats will be reserved and that everyone in central Ohio has been invited; therefore, it would be advisable to come early to obtain choice seats. The gala evening will be sponsored by the organizations of New Rome and Prairie Township.

AN EDITORIAL APPEAL

Public Is Invited To Aid This Neighbor In Distress

Never was the Hilltop's widely-known spirit of Christian neighborliness more exemplified than it is in the efforts of a consecrated body of citizens who have undertaken to cushion the financial blow to the bereaved widow and three young children of Howard Grooms.

Mr. Grooms, you may recall, died almost instantly beneath the wheels of a tractor-trailer on Broad-st at Oakley-av on Monday evening, Dec. 27, as he returned to his home at 293 N. Harris-av, and his two sons, Jerry, eight, and Dennis, three. Less than an hour before he had been visiting in White Cross Hospital with his wife and their daughter, Deborah Ann, who was born the day before.

Immediately in this hour of need, neighbors of the family and several church groups came forward with physical and financial aid. Hilltop fathers affiliated with the Indian Guide movement of the Hilltop YMCA were also quick to proffer assistance. They had observed first-hand the closeness between Mr. Grooms and his eldest son. They owed a debt of gratitude to Mr. Grooms for the active role he had played in formation of the Dakota Tribe of the Indian Guides at West Broad Elementary School.

Although a recent addition to the Hilltop community, Mr. Grooms had established his good citizenship and interest in the welfare of the entire community through his seemingly tireless efforts in assisting to renovate the new quarters of the Hilltop YMCA on week ends. His quick helping hand to those in need was almost legendary.

The veteran of South Pacific infantry action during World War II was also admired for the cheerful manner in which he worked extra evenings in a downtown store to assist in purchasing the new home for the family on Harris-av.

The greatest single financial burden hanging over the bereaved family has been established to be a mortgage amounting to several thousand dollars.

Brought to the attention of the Hilltop Kiwanis Club, the plight of the Grooms family received immediate sympathetic consideration from officers and directors of the club. President Mack Pemberton decided that launching an appeal to every member of the community would be the most rapid and equitable method of raising such a fund for the relief of the financial burden of the Grooms family.

Accordingly, he has assigned responsibility for such a collection to the Hilltop Kiwanis Club's Public Relations Committee. Checks or cash will be accepted at the office of the Hilltop YMCA, 2508 W Broad-st; Goodwin's Pharmacy, 2772 Sullivant-av; or The Hilltop Record, 2465 W. Broad-st. The checks may be made payable to the Hilltop Kiwanis Club or to Richard Nash, treasurer of the club, in care of the Jones Lumber Co., 57 N. Sylvan-av.

Already, the council of Westgate Evangelical United Brethren Church, has approved participation of the congregation in the drive, according to Rev. Harold Dutt, pastor. It was to this church that Mr. Grooms had considered transferring his membership shortly before his death.

It is the hope as well as profound belief of this newspaper that Hilltoppers will support this most worthy cause from the depths of their hearts as well as to the limit of their financial ability.

We are confident that the Hilltop will prove itself a good neighbor to the saddened family of one who tried so hard and succeeded at being an excellent neighbor.

Westgate Methodist Climbs Into Hilltop Y Cage Loop First Place

By Harry Grashel

After a holiday lay-off, the Hilltop YMCA Intermediate Basketball League returned to action at the West High School gym with a three-game program.

In the opener, Burgess Avenue EUB broke into the win column for the first time with a 51 to 39 victory over West Senior Hi-Y. Eddie Yahn was the spark-plug for Burgess with a 19-point scoring spree. Karl Davis pitched in 16 points and Dick Trott 11 for Burgess. Floyd Love hit for 19 points for Hi-Y in addition to playing a bang-up floor game.

Westgate Methodist climbed into first place with a 64 to 18 win over Hillcrest Baptist. Jerry Pollock and Bob Kern, the high-scoring Westgate pair, hit for 25 and 18 points respectively. Gary Erlenbach, with nine points, led the Hillcrest five, while Tom Coffman did a good job of rebounding.

In the most interesting game of the evening, Hilltop AC upset a strong Hoge Memorial Presbyterian team 33 to 23. The tough Hilltop AC defence held Hoge to a single basket in the fourth period — a jump shot by Dick Witter — to pull ahead to victory. Mike Posey turned in the outstanding individual performance of the evening to lead Hilltop AC to its second win against one loss. Posey, in addition to scoring 15 points, was a real ball-hawk, stealing the ball from Hoge time after time while his team-mate, Bob DeWitt, controlled both bank-boards. Dick Witter again led the Hoge attack with 12 tallies.

Everyday Facts You Should Learn About Tuberculosis And Its Known Treatment

EDITOR'S NOTE: The following is submitted as an entry in the National Tuberculosis Essay Contest.

By Dee Maxwell
Starling Junior High School

What causes tuberculosis?

A. A germ, the tubercule bacillus, causes tuberculosis. It may attack anywhere in the body, but it usually attacks the lungs. When you don't get enough sleep or enough food, you also may catch tuberculosis.

How gets tuberculosis?

A. Anyone can catch this disease. It is passed on from one person to another. The tuberculosis germ is spread in many ways, by sneezes or coughs, or by being on objects such as dishes or silverware.

What do chest X-rays do?

A. The chest X-rays can show if your lungs have been damaged by tuberculosis germs or by other illness.

What can tuberculin test do?

A. The tuberculin test can tell if tuberculosis germs were ever in your body, but not if they have done any harm.

What are some things to remember about tuberculosis?

A. Tuberculosis can be prevented; tuberculosis can be cured; tuberculosis can be cured most easily if found early; get a good night's sleep every night; eat wholesome, well-balanced meals; bathe often and wash your hands before eating; get a chest X-ray with your yearly medical checkup; some types of tuberculosis do not respond well to pneumotherax; pneumotherax does not take the place of bed rest; most pneumotherax patients become able to lead a fairly normal life, even while receiving pneumotherax.

What is pneumotherax?

A. Pneumotherax introduces air between the two layers of the pleura. One layer of pleura lines the chest wall, the other covers the lungs. Pneumotherax is the introduction of air into the abdominal cavity to push up the diaphragm.

There are many more things to know about tuberculosis that our doctors don't know. Every person should do his part to obtain more and stronger state and local health departments, so tuberculosis can be found and kept under control. Support your tuberculosis association through Christmas seals and other ways.

Clowns Clobber State School By 102-20 In Glenwood Loop Opener

The Clowns opened Glenwood's regular season basketball league with a bang, Tuesday, Jan. 4, as they walloped State School 102-20 in a senior league contest at Glenwood Recreation Center.

The Clowns completely ran away with the game from start to finish, leading at the quarters 32-2, 52-8, and 78-10. Gerald Marvin led the Clowns to the league's first hundred-plus mark by racking up 31 points.

The Hilltoppers, winners of the senior pre-season league, continued their winning way in regular season by scoring a 53-40 victory over the Hurricanes in the second game of the evening.

The third game of the evening saw the sharpshooting Lightning 5 rally to snow under the Whiz Kids 56-34. The last quarter saw the lead change hands several times before the Pirates went out in front to stay with three minutes remaining. Beautifully-Modern Explorer Restaurant Seats 126 Diners

TRAIL'S END—The beautiful new Explorer Restaurant (above) at the northeast corner of Dublin-rd and Grandview-av is proving to be the "end of the trail" for an ever-increasing number of hostelries who long have been searching for excellent cuisine at reasonable prices. (Hilltop Record photo)

Now in operation for about a month, The Explorer Restaurant at the northeast corner of Dublin-rd and Grandview-av, is gaining an ever-increasing clientele of happy guests, who, "having explored," consider the gleamingly beautiful establishment a "real discovery" in excellent eating.

Partners in the operation of The Explorer are Tom Zelkoff, well-known Columbus restaurateur and former Hilltopper, and Robert Williams, executive vice-president of the National Food Service Association, with offices in Columbus.

Managing for them the most modern family eating establishment in West Columbus is Jack Bischoff, a veteran of many years in the restaurant business and operator of the famous Goody-Goody Restaurant in Santa Monica Calif., for eight years.

The huge dining room, capable of seating 126 guests, features medium-priced meals and a menu purposely limited to preserve the excellence of the food. Adjoining is a beautiful counter service and coffee shop section, from which customers can look directly into the spotless kitchen, which features all-steam cooking and stainless steel equipment of the most modern design. There are 19 stools in the coffee shop.

An automatic steam heat and air conditioning system incorporates purified fresh air brought in from the outside. Continuous selected dinner music flows softly into the dining room area from the Muzak system.

A complete pastry department offers a wide selection of baked goods for carryout. All pastries served at The Explorer are made on the premises.

The 2.1 acre black top parking facilities available permit the drive-in portion of the establishment to service up to 300 cars. Drive-in service is speeded through the use of "walkie-talkie" devices which allow the waiters to give orders to the kitchen immediately from cars up to 300 feet away.

Special trays, which fasten on the interior of autos, make the drive-in popular in all sorts of weather. An unusually complete soda fountain offers the traditional line of delicacies, plus instant malts and automatic juice dispensers.

Named for internationally-famed eating clubs in London and New York City, The Explorer features beautiful, historic charts and other scenes from the romantic pages of the history of world exploration on its walls. The birch woodwork throughout in natural color.

The Explorer is open for luncheon, breakfast, and dinner.

The price of haircuts will go up to 50 cents as of Jan. 18.

Hilltop churches are planning a union meeting in regard to Chinese relief. Dr. Robert Ma from China will be the guest speaker. The Hilltop Ministerial Association recently adopted a constitution.

Margaret Stewart, missionary, recently returned from Europe, will speak at the Warren Avenue Church of the Nazarene.

Reports from the fighting fronts this week show three Hilltoppers killed, one missing, and one taken as a prisoner of war.

Plans to expand the plant on Georgesville-rd were revealed today by J. L. Conlon, General Manager of the Ternstedt Division of General Motors. In Passing

By

Esther Weakley

WHITE WISHES

Your words dissolve upon the air
even as you speak.
Like bubbles they float, and hover
there,
then quiver and break,
leaving only the crystal echo of the
sound
to rise and fall
or a rainbow splattered over the
ground
to show that you spoke at all.
Mae Winkler Goodman,
in The Lyric.

In Passing — Have you gotten the needles out of your hair yet, or didn't your Christmas tree shed? All along the back walk the discarded trees are waiting for the trash man. If I were a philosopher I'd probably say something about the brevity of glory. Being nothin' much, I'll just say what a teenager said when he saw the trees—"They've HAD it" . . . My granddaughter is worried about all the Christmas trees that were not sold. With her six-year-old wisdom she thinks they should have dug the trees up by the roots so they could re-plant all they didn't sell . . . She also said she thought it would be a grand idea for Christmas to come every day, till she saw the television show that portrayed the dream of a little girl who asked that Christmas come every day, and she saw how tired everyone became of turkey, the same dolls, wristwatches, ties, etc. So she and Grandma have agreed it is better to have Christmas once a year—although the spirit of Christmas would be a fine every-day thing.

Mail — From La Junta, Colo. (written December 18th) — Am at this writing, at the communications station at the airport, alone, with only an occasional call from an enroute aircarft — mostly jets —and my half-hourly weather broadcasts and the hourly taking of weather observations. We of the CAA are also certified weather observers and take the official observations at locations not large enough to warrant a weather bureau station. It is very gratifying work. I've been in communications work as an operator, radio, telegraph, teletype or combination of these, for about 12 years. For the last two days we've been having our seasonal dust storms but the dust is settling now. It really doesn't take much wind to start lifting the tan savannahs into the sky here. This condition — wind and dust—constitutes an obstruction to vision and adds to our work load. However, the weather is usually clear with excellent visibility. Then, from higher points above the town or along the highways, we can see Pike's Peak and more impressive Spanish peaks and the Sangre de Cristo range—about 80 miles away." Would like to quote this correspondent's entire letter, as it is most interesting. During the war he was stationed at Port Columbus.

GOD OF ALL NATIONS

God of all Nations:
We pray for all the people of Thy
earth;
For those who are consumed in
mutual hatred and bitterness;
For those who make bloody wars
upon their neighbors;
For those who tyrannously oppress;
For those who groan under cruelty
and subjection.
We pray for those who bear rule
and responsibility;
For child races and dying races;
For outcast tribes; the backward
and down-trodden;
For the ignorant; wretched and enslaved.
We beseech Thee, teach mankind
to live together in peace,
No man exploiting the weak; no
man hating the strong;
Each race working out its own
destiny,
Unfettered, self-respecting, fearless.
Teach us to be worthy of freedom;
Free from social wrong;
Free from individual oppression
and contempt;
Pure of heart and hand; despising
none; defrauding none;
Giving to all man in all the dealings of life
The honor we owe to those who are
Thy children—
Whatever their color, their race or
their caste.

From the College of Rangoon,
Burma, India.

The author's name of this poem is not given but it should be reprinted and memorized, and at the risk of seeming "preachy", it seems to me that each of us could help answer this prayer.

Some old jokes for the New Year — The usual two slightly inebriated gentlemen were sitting at the usual bar, talking of this and that. One said "I only weighed three pounds when I was born." The other said "Is that a fact—did you live?" The first: "Did I live! You ought to see me now" . . . Small boy, visiting his mother in the hospital: "For breakfast I had ice cream, a bottle of pop and a candy bar."

Trivia

From

THE EDITOR'S DESK

'Bout the only athletic and sports-minded folks you don't run into this week wearing a big smile are those small fry and slightly larger ones whom Santa Clause presented with sleds, ice skates, skis, toboggans, or the like. They're pretty justifiably bitter about the way the weatherman has limited their activities.

Most everyone else we know of who're interested in spectator or participant sports are tickled pink about the new International League franchise for Columbus and the purchase of Red Bird Stadium. A fan friend of ours who is approaching his three score and ten (but not too gracefully) and who has sorta worn a ridge in his own particular bleacher at the stadium, unmeaningly made a rhyme when he yelled his opinion of the kind of baseball we could expect:

"Even if for a while the new kids are punk,
we'll bet they show more guts and spunk."

AN OBSERVATION: It seems like quite a spell since we've received a real controversy-raising "letter to the editor." Surely, all the ire in evidence between certain factions prior to the election couldn't all be wiped out!

THERE'S GOOD NEWS: The latest indicator of good business in the year ahead to come over this desk came last week from the Appliance Division of Westinghouse at Mansfield, O. Firm economists predicted record-breaking sales in the year immediately ahead. And that should keep the Hilltop Westinghouse production line moving pretty fast, too.

Here is some of the general substance of a highly optimistic article in the Dec. 17 issue of U. S. News and World Report I've just had time to digest.

Early in the article is related that "in 1955, the standard of living — measured by 'real' income — will hit another all-time high." "Real" income is predicted upon the amount of goods and services one's earnings will buy, after taxes.

The most obvious measurement of living standards is found in our material possessions. And here, despite wars and inflation and everything else, we have been going ahead at a great rate. Where 79 per cent of the homes had electricity in 1940, practically all have it now. Only 40 per cent of the homes had mechanical refrigeration in 1940 — now the figure is 90 per cent. Seventy per cent of our families today have cars, as against 50 per cent in 1940. In the same period, the percentage with telephones has almost doubled. So it goes, down an almost endless list.

The same rising barometer is noted with regard to home ownership, red meat consumption, and consumption of milk and sales of poultry products.

Fewer new clothes are being bought. But, the magazine says, they are of better quality. The chemically-produced fabrics, such as rayon and nylon, are being bought at twice the 1940 rate.

As U. S. News sums it up, "The trend toward improved living standards, in fact, appears nearly everywhere, despite the big increase in the non-working population and the larger size of young American families."

YOUR HILLTOP BRANCH LIBRARY

Several New Magazines Added To Shelves For First Time

By Mildred Phaler

Magazines are playing an increasingly important role in present-day living. The Hilltop Branch Library, 2856 W. Broad-st., has added several new magazines to its list of subscriptions. "Colliers," "House and Home," "Look", "Science Digest", "Sports Illustrated", and the "Woman's Home Companion" are all on the library shelves for the first time.

In the new book department are two novels. "Reunion", by Merle Miller, is a gripping narrative taking place in a single day, a day of reunion, eight years after a desperate battle in World War II. Incident and suspense mount in this unusual novel. Hartzell Spence is probably best known for his autobiographical books — "One Foot In Heaven", "Get Thee Behind Me", and "Happily Ever After." "Bride of the Conqueror" is a distinct departure from the family saga. It is a well-documented, exciting historical novel of Peru and the Spanish conquistadors.

In the middle of the flying saucer controversy we have "Skyrocketing into the Unknown", by Charles Coombs. An interesting and timely book, this explains the progress man has so far made in his attempt to penetrate outer space. The "Aircraft of the World", by William Green, has a photograph, a black and white illustration, and descriptive notations of all the aircraft now in use in the various countries of the world. In the "Foreword" of the book, Aircraft Chief Marshal Sir Basil E. Embry, writes "Aircraft recognition is an absorbing and exciting hobby for the amateur and a vital and exciting training requirement for members of the Fighting Services, Observer Corps, and the Civil Defense Services. A book well worth looking over now days."

The Hilltop Branch Library is open from 1 to 9 p. m. Monday through Friday and on Saturday from 9 a. m. to 9 p. m.

Two New Churches Planned In This Area By Baptist Union

Initial worship services in the church extension program in this area, sponsored by the Columbus Baptist Union, American convention, were held Sunday, Jan. 9, at 3 p. m. in Franklin Twp. Hall, 3443 Sullivant-av, under the direction of Rev. J. W. Montgomery, director of the program.

Rev. J. W. Montgomery

The famed "Church on Wheels" will also be used at the site to accommodate extra Sunday School classes. The mobile chapel, built by the denomination at a cost of $20,000, was used in the Pike County Atomic energy area until a church was built. It has been released for use in the Columbus area and will be available here indefinitely, until the local church-building program is completed. Services will be held each Sunday with Sunday School at 9:45 a. m. and worship service at 10:45.

Hillcrest Baptist Church, with Rev. A. L. Roth, pastor, is one of the main sponsors of the project and Gus Perry of 647 Berrer-rd, will serve as superintendent of Sunday School. James Moore of the Farm Bureau and one of the developers of Lincoln Village, is president of the Baptist Union and one of the trustees is Frank Kent, 257 S. Roys-av.

The extension program, inspired by the fact that more that 1500 people are moving into the Columbus area each month, includes plans for two new churches in the community. In addition to the Sullivant-av site, negotiations are underway for the purchase of land in Lincoln Village. Regular services and Sunday School classes will begin approximately Feb. 1 in Lincoln Village School.

Rev. Montgomery came to Columbus two and a half years ago and, in that time, has helped to establish a church at 4295 E. Broad st, valued at $85,000. His background includes vice-presidency of a religious publication, seven years on a radio program and as lecturer on the staffs of the University of Minnesota and the University of Kansas. A world traveler, he has traveled 1,000,000 miles in the past 20 years.

Rev. Montgomery and his wife reside at 3462 Race-st and have three grown children, James William, Jr., Ft. Wayne; Mrs. Harry Schmidt, Chicago, and Mrs. Leslie Parrott of Flint, Mich. They also boast five grandchildren.

To Be Presented

"John Wesley", a 77 minute motion picture in color, produced by the Film Commission of the Methodist Church will be shown at Glenwood Methodist Church on Wednesday evening, Jan. 19 at 7:30 p. m.

Preceding the film a family night covered dish supper will be held in the social room at 6:30.

RUG-MAKING SHOWN

The Brown Township Home Demonstration meeting will be held Friday, Jan. 21 from 1 to 3 p. m. at the home of Mrs. William Baker. It will be the preliminary meeting on hooked rugs. Mrs. Bertha Everhart will give the topic. Anyone interested in rug making is welcome to attend.

He'll tell you it's wise to plan your family burial needs NOW!
Because people turn to him in time of sorrow, he knows so well that is no time for the bereaved to have to hurriedly select a cemetery lot.
He'll tell you, "The selection of a family burial estate is a family matter that should be agreed on by all after due consideration has been given the subject." The time to do it is now, when weather and other conditions are favorable.

CAST BREAD
"He shall be blessed that giveth his bread to the poor," Prov. 22:9. Have you ever tried this formula? It works! Compassion of American service men for little war orphans is bread that will come back to America some day. A mischievous college boy was given another chance. Years later, the wealthiest man in his state, he paid off his Alma Mater debt. Giving is not losing. To give is to gain. *Generosity expands the soul, gives one more capacity to receive.* Jesus said, "Give and it shall be given to you; good measure, pressed down and running over." Every moment is the right time to cast on the waters the needed piece of bread. Why not cast yours this very day.

Hilltop Branch Library Gains Place In Columbus Art Circles As An Art Gallery

ARTISTS BOTH—Harriett Dunn Campbell, left, Hilltopper, who is credited with transforming the Hilltop Library walls into an art gallery, assists as Edmund Kuehn, well-known Columbus artist and teacher, hangs some of his watercolors in the library.

By Mildred Phalor, Librarian

The Hilltop Branch Library, 2955 W. Broad-st has won a distinct place in Columbus and Central Ohio Art circles as an art gallery. Credit for this is due largely to the tireless efforts of Harriett Dunn Campbell, 3000 W. Broad-st.

Herself an artist of note, Mrs. Campbell had long dreamed of a place in the Hilltop Community where the best local art could be easily available to everyone. Establishment of the Art Gallery in the Hilltop Branch Library meant the fruition of that dream. Such names as Carolyn Bradley, Ralph Fanning, Robert Chadeayne, Emerson Burkhart have appeared on the long list of exhibitors.

Currently showing are the printings of Edmund Kuehn, 3234½ City Park-av. Kuehn is a teacher of drawing and painting at the Columbus Art School. After serving in World War II, Kuehn taught for a time at Ohio State University before resuming his association with the Columbus Gallery of Fine Arts and the Art School. Kuehn was graduated from Columbus Art School and pursued his studies at the Art Students League in New York where he studied under Vytlacil and Kuniyoshe.

Summer, when he is free from his teaching duties, Kuehn devotes his time to painting. He exhibits locally and is a member of the Columbus Art League and the Ohio Watercolor Society.

Beginning Jan. 6, and continuing until Feb. 18, 12 watercolor paintings are on exhibition at the library.

The monthly Hillcrest Fellowship event will open with a church family dinner, followed by the special program prepared for the evening.

Vendors' License Holders Must File Semi-Annual Tax Returns By Jan. 31

All persons having Ohio vendors' licenses will be required to file their next semi-annual sales tax returns by Jan. 31, 1955, for the period of July 1 to Dec. 31, 1954, according to announcement today by the Department of Taxation, Division of Sales and Highway Use Taxes.

Returns mailed to the Treasurer of State should be postmarked not later than Jan. 31, to avoid a $1.00 a day charge for delinquent filing.

Cowboys Enjoy Hottest Shooting This Season In Downing Polar Bears 80-65

By Woody Owen
JO. 5782

Last Friday night on their home court in a City League contest West High School's surprising cage squad enjoyed its hottest shooting of the season and combined this with a very effective zone defense to upset the defending league champions, North High School, by a score of 80-65.

Thus, the Cowboys stretched their winning streak to five straight and also broke an eight-game losing streak at the hands of the Polar Bears.

The contest started rather slowly with the visitors holding a slim 14-12 edge, but in the second period the scoring tempo picked up with Longmeier's field goal at the five-minute-mark, giving the home forces their first lead of the game, 20-18. Two fielders and two charity tosses by Furry ran the count to 26-18 before Lake hit successfully for the Polar Bears. The Cowboys left the floor at intermission with a 32-27 lead.

The Cowboys set a torrid pace in the third period and broke the contest wide open by scoring 27 points (10 by Furry) to take a 59-44 lead at the three-quarter mark.

The home forces continued to pour it on in the final period and, with four and one-half minutes remaining, held a 73-60 lead with Coach Heischman flooding the floor with substitutes as the contest neared its conclusion.

It was again a fine, well-balanced team effort that brought the win with four starters again hitting in the double figures. Furry tallied 27, Longmeier 16, Vincent 13 and Pruden 12. But the defense should come in for its share of honors, too, as it held the two high-scoring Polar Bear aces, Dick Wherry and John Cedergren, to a combined total of only 12 points.

The latter tallied only four points before fouling out early in the final period. Lake's 23 points led the visitors in a losing cause.

The rebound play of Longmeier and Furry was also a stand-out for the Cowboys.

This week the Cowboys met undefeated Marion Franklin on Tuesday, Jan. 11, and will clash with Linden McKinley on Friday, Jan. 14, at Linden.

Glenwood Methodist, Westgate EUB Lead Hilltop Y Cage Loop

By Dick Wilson

As the smoke cleared from league games of the Hilltop YMCA Junior Church League played last week at Glenwood Recreation Center, the league standing showed that Glenwood Methodist and Westgate EUB were still tied for the No. 1 spot.

The Donaldson-coached Methodists retained their spot with a very decisive 51-14 victory over the Curtis-coached Burgess EUB team. The game was never in doubt from the beginning as the Burgess five remained scoreless during the first quarter while the Methodist team scored nine. The Methodist big quarters were the second and fourth when they scored 18 points in each. High scorers for the victors were Huff and Kraig with 14 points each. Doersam led the losers with eight.

Westgate EUB kept its tie for top spot by edging a scrappy Hoge Memorial team to the tune of 30 to 28. The game was closer than the score indicates as it was not until the last few minutes that the Williams-coached team charged ahead.

Jeff Dumm was the big difference between the two teams as he scored 24 of the victor's 30 points. Spencer led the Hoge team both defensively and offensively, scoring 10 points and playing a terrific floor game.

By far the best game of the season was the Westgate Methodist-West Junior Hi-Y game which the Methodist won in an overtime 26-23. The Junior Hi-Y boys got off to a slow start and a scoreless first quarter, but came back to outscore the Methodists in the last three quarters to a game tie of 22-22 at the end of the regulation game. The Westgate five settled down in the overtime and scored four points on a basket by Lloyd and a free throw by McQueen and Ewing.

Costly to the losers was the fact that they missed 14 free throws from the charity stripe.

Outstanding offensively for the losers was five-foot Bill Ingle as he collected 11 points. Defensively the standout for the losers was John Herold, who rebounded ferociously and played a steady floor game. Dave Ewing led the victors scoring attack with nine. Roy McQueen was the outstanding playmaker and defensive star for the victors.

Hilltop AC finally broke into the win column as the Community Christian players forfeited their game to the AC boys when they failed to floor enough players by game time.

Commissioners Okay Annexation Of Conklin Subdivision To The Village

By Louise Pohlmann

Franklin County Commissioners approved the petition to annex the Mary K. Conklin Subdivision to the village of Hilliards at the hearing held last week. This area comprises nearly 40 acres of ground with an ultimate potential of 500 residential units.

The inclusion of the new addition to the village will add a substantial valuation to the tax duplicate of the municipality. Of the first 70 lots platted, most have been sold and new dwelling units have mushroomed in the subdivision in the approximately five months since the development was opened last August.

Hilliards Village Council in regular session enacted an anti-livestock ordinance, designed to do away with the maintenance of poultry, cows, horses, pigs and other so-called farming livestock within the village limits. The restriction applies to lots under five acres in extent, Village Clerk Gaymon Wright reported.

Principal Thomas of the high school announced Monday morning that semester examinations are in progress this week.

Hilliards Junior High basketball team played Dublin here last Friday, scoring 34 points to Dublin's 13.

Paul Pence was high scorer, with 10 points; Kenny Adkins and R. Pritchard had four points each, with Kidwell, Davis and Yore each scoring two points.

Others on the team included P. Ball, D. Johnson, J. Herschel, S. Siegfried, N. Durbon, T. Bowman, L. Murdock, J. Weaver, W. Cordial. Team manager was R. Humphries; Donald Shaw was coach and S. Fink presided as referee.

Before Christmas the elementary school conducted a rag collection campaign which netted the sum of $65.75.

A school of missions, opening next Sunday, Jan. 16, is to be held on four successive Sunday afternoons at Hilliards Methodist Church.

Sessions will begin at 3 p.m. and conclude with a fellowship supper at 5:30 p.m. each Sunday.

The study centers on India, Pakistan and Ceylon, each Sunday, will feature a special speaker. The first speaker will be Mr. Ram, of Mysore Province, a student in visual education at Ohio State University. He will talk on the geography and customs of his country.

Following the featured talks, the audience will separate into age groups. There will be classes "from age one to 93"—in other words provision is being made for entire families to attend the school.

For the younger members there will be games, craft groups and music, as well as discussions. All people in the area who are interested in missions are invited to attend the sessions.

The children's department of the Hilliards Methodist church school is collecting Christmas cards to be sent to leprosy sanitaria. If you have completed your listing of this year's receipts, Mrs. Swepston would be glad to have you donate them to this cause. They should be in by Sunday, Jan. 23. Give them to the children you know who are enrolled in the church school or bring them when you come to church.

All children in primary and junior departments are asked to bring in material to be used in making valentines. The material will be sent to the Ethel Harpst Children's Home at Cedartown, Ga., where the children will work it up. This material should be in by Jan. 16. The kindergarteners are making valentines to send to children in the home.

Members of the Hilliards church attended the Commission on Missions Monday evening at King Avenue Methodist Church in Columbus. Mrs. Genevieve Johnson and Mrs. Mae Swepston are representatives of the local church for the Franklin County Council of Church Women.

On Jan. 5 the District Church Preview Conference was held at the King Avenue Church. Mrs. Swepston said this was the most successful such meeting ever held in the area. The next conference will be held at King Avenue Church Monday evening, Mar. 7, at 7:30.

The pickup truck of Goodwill Industries will tour Hilliards on Monday, Jan. 24. Let Mrs. Swepston or Mrs. Knowles know what you have for them.

Goodwill Industries will hold open house from 4 to 9:30 on Friday afternoon, Jan. 21, at headquarters, 1331 Edgehill-rd. Mrs. Mae Swepston, representative from the Hilliards church, and her assistant, Mrs. Dorothy Knowles, invite all local members to attend the event.

Job's Daughters Bethel 45 will hold installation ceremonies this Saturday evening for new officers who will serve during the year 1955.

Level Social Club will meet Wednesday, Jan. 19, at the home of Olive Hixson, 3471 Hayden Run-rd. Lunch will be served at 12:30 and a business meeting will be held afterward.

The Men's Fellowship Club of the Hilliards Methodist Church will meet at the church for its regular midwinter dinner meeting on Wednesday, Jan. 19, at 6:30. Speaker will be Dr. Howard Elwood Mumma, pastor of Broad Street Methodist Church of Columbus. Tickets for the dinner may be secured from any one of the club's officers. Currently, they include: President Robert C. Kinney; Secretary Ralph Goose and Treasurer Charles W. Spring.

Holland Bulb Specialist To Give Free Program In Prairie School

"PRAIRIE PEACHES"—Shown above are members of the seventh grade at Prairie Township School who recently tried out for places in the Prairie Peaches, a chorus line which will be featured in gigantic PTA-sponsored musical-minstrel, "Alabamy-Bound", to be presented at 8 p. m. on Jan. 26 and 27, in the Prairie Township School auditorium, New Rome. All local talent will be featured. From left to right are Peg O'Hara, New Rome; Patty Kunz, Galloway; Susan Giehl, Fisher-rd; Judy Murray, Gordon Heights; and Sharon Streitenberger, New Rome.

By Mrs. James W. Whelen
FR. 8-7113

The public is invited to attend free the very interesting program to be presented by Ted Peek of Wanner & Co., of New York and Holland, who will speak on "How to Plant and Grow Bulbs" at 8 p.m. Friday, Jan. 14, in the Prairie Township School auditorium. Mr. Peek's lecture will be supplemented by colored slides depicting the bulb fields in Holland. He will cover all types of bulbs imported by his company, including the early spring bulbs, crocuses, tulips, narcissuses, jonquils, and on through such summer bulbs as gladioli. This meeting should be of very particular interest to all new home owners, garden club members, and those interested in beautifying their gardens. It should be an evening well spent. The address of the school is 117 Norton-rd, New Rome.

Last Thursday night 20 talent show acts were present at a talent show try-out hoping to be selected to participate in the annual "Alabamy Bound" musical-minstrel revue which is sponsored by the local PTA.

Individuals and acts selected included Rebecca Kaderly, Jim Kaderly, Linda Pushline, Betsy Titchenor, Caroline Kaderly, and Dixie LaRue, Johnny Reinhard, and Jim Miller and Bob Parsel. Also selected was the local orchestra, the Prairie Ramblers, composed of Morris Morgan, Lon (Shorty Hughes), Bob Malone, Bud Dougherty, and Harold Rings.

The production this year has as its general chairman, Mrs. Harold Distelhorst, PTA president, with Christian H. Brown serving as the director of the show and R. R. Christ a member of the Prairie Township teaching staff, serving as stage manager. Properties and costumes will be under the supervision of Mrs. Frederick Hunt and Mrs. Wilbur Riebel.

Don't forget the dates of this fine musical-minstrel revue! It will be held in the Prairie Township School auditorium, New Rome, on Wednesday and Thursday, Jan. 26 and 27, with curtain time at 8 p.m. both dates. Local business men are being cast as Tambo, Rastus, Amos, Willie, Hambone, Rosebud, Sassafras, Cinnamon, the Preacher, Andy, Bones, Mammy, Flo, Eb, Charlie, Duney Dumplin, and Miss Lovelight. Young ladies from Hilliards High School and Prairie Township School are being selected for the chorus line, which will consist of six Prairie Peaches, and six High Steppers. There will also be 18 Southern Belles, played by local young ladies.

Ed Stauch . . . Citizen We Will Remember

The Hilltop recently lost a fine citizen with the death of Ed Stauch. He did much in building this community and was ever a person capable of looking forward to the continued growth of the Hilltop.

The Hilltop will long remember Ed Stauch as a citizen who did not pass from this scene without recalling the needs of this community.

It has been revealed that Mr. Stauch had provided a bequest of $5000 in the name of the Hilltop YMCA.

This bequest comes at a time when it will do a great service in furthering the development of the building fund of the Hilltop Y. It is hoped that others who are able to do so will remember this institution and in so doing will, like Mr. Stauch, be helping to establish a fitting memorial that will fill perhaps the greatest need of the Hilltop today.

The memory of Ed Stauch, citizen who remembered . . . will long be honored by both youth and adults of this community.

This Is A Political Year . . . Let's Think Things Out

This issue of our paper carries a story of at least four local men who are seeking the job of mayor of Columbus. Maybe there will be others. It seems pretty certain there will be others from elsewhere in the city.

This is also the year in which four city councilmen are to be elected and soon announcements will be made by various candidates.

It is a good time to just listen and read. A lot of words will be spread about but take careful note if anything really important is said.

And more important . . . don't make up your mind too soon. Let's see just who will be available to fill these jobs.

One thing is certain . . . Columbus voters must have assurance that the next group to be elected to office will be working for the good of the city and stop this petty bickering that has been so noticeable in the past year.

We need more men in these positions who are capable of thinking for themselves and will dare to say "yes or no" depending on what is good for Columbus rather than what will serve to wreck their political opponents.

Briefly Told: Don Smith was renamed secretary of the County Child Welfare Board on Tuesday and former resident Tom Appledale was appointed to that board . . . Miss Marsha Wolfe, a former executive secretary in the Junior Chamber of Commerce office is a new law clerk in the office of Smith, Clark and Holzapfel . . . Former Hilltoppers Mr. and Mrs. Robert L. Raitz, now of Dunedin, Fla., have renewed their Record subscription with a note saying they enjoy this word from home folks more and more . . . Mrs. Loreene Edgar will open a new school of modeling and self improvement in the building now occupied by the Hilltop Y comes the early part of February . . . Kathryn Cramer is back on the job as secretary to the mayor . . . The city enjoyed the best safety record in 1954 with less deaths than there have been in any year since such statistics were kept . . . Harold L. Fox has passed the examination to become a licensed real estate broker and has opened offices at 3000 W. Broad-st. Clarence Story has joined the firm as a salesman.

The Gay Philosopher Says: "I know a feller who's gotten to be such a liar somebody else has to call his hogs home at feedin' time."

Want To Be Mayor? Four Hilltoppers Seek The Job

Only Mayor Sensenbrenner, Democratic incumbent and avowed candidate for re-election, of the candidates involved, saw much significance to the fact that three other Hilltoppers have announced plans to be candidates for mayor in the May municipal primary.

Mayor M. E. "Jack" Sensenbrenner, 336 Guernsey-av, thus far is the only announced Democratic candidate and has petitions in circulation in behalf of his candidacy.

On the Republican side, petitions already in circulation reveal that other Hilltop fedoras being sailed in the direction of the chief magistrate's ring belong to City Councilman Jerry Spears, Jr., 2999 Fremont-pl; County Commissioner Henry A. Koontz, 435 Hilltonia-av; and Ronald E. DeVore, 339 S. Terrace-av.

Mayor Sensenbrenner declared, "The Republican Party has come up with the idea that its candidates can cut into my Hilltop vote. But the people who believe in good government will continue to back me.

"I'll put my one year in office," he continued, "against any previous mayor in the city's history—and that in spite of all the opposition I've had, the people who believe in Sensenbrenner will continue to vote for me!"

"It's anyone's privilege to run for mayor," Mayor Sensenbrenner added. "If one of these fellows would be elected mayor, I would back him with all energy at my disposal. I hope they do the same for me in the building of good city government."

Spears, well-known Hilltop funeral director, said he saw little but coincidence in the fact that so many Hilltoppers are aiming for the job of mayor. A "regular" Republican, Spears said that friends had asked his permission several months ago to print and circulate petitions on his behalf and that he had consented.

"The campaign I shall follow," Spears declared, "will be one of positive thinking, sincere and impersonal. Any personal or social combat between candidates — especially when they are members of the same community—can only lead to burden of the whole community. And any candidate who is not capable of recognizing this fact does not even deserve respect from himself.

"There is no place in any program," Spears continued, "for vindictiveness, undue domination, and demagoguery. But there is always a place for cooperation, understanding, and a direct positive approach.

"The obligation that I have is to try to make this a better place in which to live for our children and their children, and even for ourselves. This I shall try to do, and regardless of my relationship with the City of Columbus, I must always be a good citizen."

Koontz, a former city councilman and now serving in his third year as a county commissioner, remarked that the fact of four candidates from the Hilltop was unusual "when you consider that some 10 years ago we seldom had an elected official from the Hilltop."

A graduate pharmacist and formerly a licensed pharmacist at Eureka and Sullivant-avs for several years, Koontz declared that he wanted to be a candidate for mayor for quite a few years.

"I've been working toward getting the convention endorsement for some time now and I think I

Hilltop Y To Move To Its Temporary Home Jan. 28

The Hilltop YMCA will move into its new temporary quarters at 2725 W. Broad-st on Friday, Jan. 28, Robert Schmidt, executive secretary, announced yesterday. The new quarters are on the site of permanent building on the southwest corner of S. Harris-av and W. Broad-st.

Schmidt disclosed that conversion of the former family dwelling had been accomplished wholly with volunteer labor with the exception of certain technical work such as wiring. The converted home has four offices upstairs, a lobby on the ground floor, two meeting rooms, restrooms, and a kitchen. In the basement are a shower room and lockers for the wrestling team.

NEW HILLTOP COMMUNITY COUNCIL OFFICERS—Shown above are new officers of the Hilltop Community Council, who will serve throughout 1955, as they accept the congratulations of Jerry Spears, Sr., far right, who played his traditional role of installing officer at the Hilltop YMCA on the evening of Thursday, Jan. 13. Spears was the first president of the HCC. From left, the new officers are Mrs. James Poole, treasurer, who is a delegate from the Highland Avenue PTA to the council; Mrs. Cecil Radcliffe, corresponding secretary, an associate council member and past Highland PTA member; Miss Jane Owen, recording secretary, from the YWCA; Charles Theobald, vice-president, from the West Mound PTA; and William Burns, president, from the St. Aloysius PTA. The other son, also a West graduate, is a Marine stationed in Japan.

An active member of the Hilltop Church of Christ, Timmons was recently elected a trustee of the church.

Both Timmons and Don Groves, assistant manager of the station which has been open on a limited

Greater Response Asked To Fund For Family Of Hilltop Traffic Victim

Support by Hilltoppers of the efforts of the Hilltop Kiwanis Club to raise funds to alleviate the financial burden of the family of Howard Grooms, 293 N. Harris-av, who was killed instantly in traffic on Dec. 27, has not been as great as was expected, club officials reported yesterday.

The need of the bereaved widow and her three small children, including a daughter, Deborah Ann, who was born the day before her father was killed as he crossed W. Broad-st at Oakley-av, has not diminished in the slightest, reports Mack Pemberton, president of the Hilltop Kiwanis Club.

Checks or cash will continue to be accepted at the office of the Hilltop YMCA; Goodwin's Pharmacy, 2772 Sullivant-av; or The Hilltop Record, 2465 W. Broad-st. Checks may be made payable to the Hilltop Kiwanis Club or to Richard Nash, treasurer of the club, in care of the Jones Lumber Co., 57 N. Sylvan-av.

Among the obligations hanging over the family is a mortgage amounting to several thousand dollars, it has been reported. The first appeal on behalf of the family was made on Thursday, Jan. 13.

OBSERVE KIWANIS BIRTHDAY

The West Franklin County Kiwanis Club will celebrate the 40th birthday of Kiwanis International at 6:30 p.m. Thursday, Jan. 20, in the Colony Restaurant. Schoedinger Will Construct Larger Chapel On Hilltop

Construction will start on a large, completely modern funeral establishment on the northeast corner of Westmoor-av and W. Broad-st before May 1 to replace the present Hilltop Schoedinger Chapel, it was disclosed Tuesday by Schoedinger and Company, which this year is marking the 100th year of continuous operation by members of the same family.

John F. Schoedinger, a fourth generation member of the family corporation, announced that architecture of the new structure would probably be of the colonial type. He declared that Jack Imler, recently-elected president of the Hilltop Business Association, would remain as manager of the Hilltop Chapel in its new location.

The Schoedinger Hilltop Chapel has been located at 2542 W. Broad-st since 1950. In the intervening four-year period, the firm has outgrown the chapel, John F. Schoedinger stated. He said that although the new establishment would be considerably larger, plans were not immediately in readiness to increase the size of its staff.

In describing the tentative plans for the new building, he said that it would contain complete casket inspection rooms, preparation rooms, and many other rooms needed for funeral services and for the convenience of bereaved families.

Included in the plans are a complete organ installation, air conditioning, and beautiful landscaping for the grounds. In addition, the huge site, which has a 215-foot frontage on Broad-st and is 150 feet deep, will provide ample parking space.

Family officers of Schoedinger & Co. currently are George E. Schoedinger, Sr., and his two sons, Robert S. and John F. Schoedinger. The sons comprise the fourth generation of the family active in the business. With Schoedinger & Co. having been in the family for 100 years, only F. E. Lazarus & Co. is a local firm with a longer continuous record of ownership and operation by the same family.

The other funeral parlor of Schoedinger & Co. in Columbus is State Street Chapel at 229 E. State-st.

West GAA Fetes Graduating Girls In Gala Banquet

By Jill Ogden

The Girls Athletic Association of West High School held its semi-annual banquet in honor of the graduating seniors recently at Pomerene Hall on the OSU campus.

The theme of "Winter Wonderland" was carried out on all the tables. The centerpiece on the senior table was a mirror surrounded by cotton, representing a frozen pond, and placed on it were pipe-cleaner skating figures each named after a senior. Pine branches and red candles completed the decorations on the remaining tables. The seniors were presented white carnations.

The guests included Mr. and Mrs. Darrow, Mr. Young, Miss Brown, Miss Bachmayer, Betsey Bousfield, Carol Elliot, and Helen Wheeler.

The menu consisted of steak, mashed potatoes, green beans, Jello-salad, hot rolls and butter, milk and coffee, and vanilla ice cream with chocolate sauce.

President Rosie Soon welcomed everybody and turned the floor over to Judy Matson, toastmistress. Ruth Topping said grace. After the meal, Miss Betsy Bousfield, OSU, physical education teacher presented an interesting speech en-

New $6,000 Broadcast System At West Boasts Speakers In All Rooms

While Charles Price (seated) operates control panel of the new $6,000 console broadcasting system at West High School, Mrs. Evelyn Hall, dramatics instructor, "sues him in," as radio students, Pete Ritter (left) and Lowell Stultz, look on. (J. Curtis Allen Photo)

• • •

When station WHS is on the air, each of nearly 3,000 students in the big building at West High School comes to attention.

The new broadcasting system, which, with all equipment, cost approximately $9,000, was purchased solely through the efforts of the students and faculty. For years past, proceeds from Tax Stamp Shows, plays, faculty shows, school benefits, and student organizations have gone into a fund toward the purchase of the fine broadcasting system, the console control being comparable in quality to any of the radio stations in the city.

However, not even the many students and teachers who joined forces in raising money for the purchase, could forsee the vast importance it would, and will, subsequently mean to the school and the many uses which would employ its versatility.

For instance, the broadcasting system, which includes speakers in every room in the school, is also an inter communication system with the flick of a dial on the big console in the radio control room. In this way, a two-way contact may be made with any room in the school. Likewise, a broadcast may be carried to only a few rooms or all of them, as the case may be.

A new $600 high fidelity tape recorder, is often used to record important radio programs which may then be filed to be broadcast to any given classroom at the time they are requested.

Charles Price, a 12B radio student, has constructed a unique echo device which may be attached to the recorder, giving an eerie echoing quality to words spoken normally into the microphone. This device is sure to receive use in future radio plays presented by the students.

A pair of 12B students at West High, Pete Ritter and Lowell Stultz, are busy with plans of their own disc jockey show to be broadcast from the West High School stage for the entertainment of students during their lunch and recreation period at noon. The program will utilize the new $150 turntable which was purchased with the radio equipment.

Several weeks ago, Bill Pepper of station WBNS radio and television made a surprise visit to the student studio. His visit was prompted by sheer curiosity from the reports he had received of the outstanding broadcasting system. He was so impressed, that he took some pictures of the students and their console in action and used them on his evening television show.

Station WHS has carried such productions as "The Christmas Story" which was a modern radio play completely written, directed, produced and presented by students from the radio class. This unique station also carries interviews, transcribed programs, disc jockey shows, assembly programs and announcements.

Students in the 12B radio classes do all the control and engineering work for all the broadcasts, which average at least one a week.

Senior dramatics instructor, Mrs. Evelyn Hall, explained, "The broadcasting and control room are operated on the same basis and with the same rules of operation as the downtown radio stations, thus giving the students the working knowledge and familiarity with the correct procedure, which will be invaluable to them should they decide to go into radio work."

Three Hilltop Sewer Projects Held Dependent On Annexation

In announcing on Saturday, Jan. 15, a $17,500,000 sewer expansion plan to get underway this year, Service Director Floyd C. Redick disclosed that an additional $23,906,000 worth of sewer enlargements could be undertaken, depending on annexation. Three of the projects in the latter "maybe" category would affect the Hilltop area.

Depending on annexation, Redick said, a Big Run-rd sewer, which would extend from the present sewage treatment plant to the vicinity of New Rome, would be constructed. The $2,515,000 sewer would also serve Urbancrest and Grove City.

Secondly, a grit collecter between the present sewage treatment plant and the Columbus State Hospital would be constructed at a cost of $2,644,000. The third Hilltop project in the event of favorable annexation action, Redick said, would be a Fisher and Wilson-rd trunk sewer serving El Paso-dr, Trabue-rd, Hilliards, and Cemetary and Dublin-rds. The cost of the third project would be $2,156,000, he said.

The addition of these three sewers, along with another Beulah-rd relief sewer extending between Oakland Park-av and Route 161 at a cost of $510,000, would provide enough additional revenue, Redick said, to finance an East Scioto main trunk sewer and an Olentangy trunk sewer costing a total of $8,081,000.

3 Hilltop And West Side Streets Slated For New Rush-Hour Parking Bans

The city traffic commission Tuesday considered proposals to ban rush-hour parking both morning and evening the entire lengths of Broad and Mound-sts and Sullivant-av on the Hilltop and the West Side.

Parking on the three streets westward to the city limits would be prohibited to coincide with the downtown parking bans from 7 to 9 a.m. and 4 to 6 p.m., City Traffic Engineer James V. Musick said. He said the measure was necessary to facilitate the flow of traffic at the two daily peak periods.

With automatic approval of the parking ban enabling ordinance apparently expected by City Council, Musick announced that he would begin placing the necessary signs while awaiting council action.

PUBLIC COMMENT

Most Hilltoppers Name Florida As The Ideal Gift Vacation Now

Believe it or not, it's vacation time again — for those lucky enough to get away. But the lament of so many folks is, "If I could only afford it." So we've done away with the financial problem and asked this question at random this week: "If someone told you they'd pick up the expenses if you were to spend the remainder of the winter wherever your heart desires, where would you choose?"

Mrs. Earl B. Hunter, 2275 Whitehead-rd, "I'd choose Florida. I've been to California and Maryland and I'm sure the next place I'd like to go would be Florida, especially this time of year."

Mrs. Biff Ansel, 661 W. Glenwood-av, "I think I'd go to Florida. I have a brother who lives near there and I'd like to visit him. Although we haven't had much cold weather yet, we're about due for it and I'd like to get out of it's way altogether."

F. E. Todd, 528 S. Highland-av, "I'd go to Florida. It's such a nice warm climate, and at my age I don't take to the cold weather so well."

Mrs. Alvie Seymour, 2383 Sullivant-av, "I'm not much for traveling. As far as I can say right now, I guess I'd just tell them no thanks and sit back and watch television for the winter."

Mrs. Frank Gursky, 374 S. Algonquin-av, "I think Florida. I'd just pack up the family and leave. It's so warm down there!"

Prizes, Gifts, Surprise Featured At Super Duper Market Grand Opening

Owner Promises Customers Real Economy And 'Restful' Shopping

The prizes, gifts, and surprises at the grand opening of the ultra-modern Super-Duper Market at the Westgate Manor Shopping Center, 3631 Sullivant-av, that are being enjoyed by Hilltop friends this week are "only the beginning," according to Owner-Operator Jim Stevens.

Stevens, a groceryman for nine years, has declared that the real dividends will come to customer-friends on two fronts — restful shopping because of the carefully-planned acoustics and piped in music, carefully selected for its soothing and enjoyable strains, plus the economy of buying the "finest possible merchandise at the lowest possible prices at all times."

Married and the father of three children, Stevens brings lots of modern grocery "know-how" to the new store. Formerly a store manager in Chicago, he was later co-manager of a Kroger Store in Columbus.

For the shopping convenience of customers, the new store will be open from 9 a. m. to 9 p. m. Mondays through Saturdays; 11 a. m. to 6 p. m. on Sundays. The layout of the manor shopping center promises that parking will never be a problem and carryout personnel are adequate to service all customers.

Among the first things the entering customer sees when he or she enters the pleasingly attractive store are the four check-out counters, each equipped with the new National Cash Register System which computes change automatically, speeding up service through the aisles and eliminating the possibility of human error in calculations.

Each "take home" receipt is a complete, dated statement of your purchase in the store. "This new system," owner Stevens says, is an added customer convenience that will make your shopping more pleasant because we will be able to serve you better and faster. The elimination of mental figuring assures you of 100 per cent accuracy in the handling of your purchases."

One of the big tests of a one-stop shopping center is its meat section and that is where Super-Duper shines, according to Stevens. Offering nothing but USDA Choice Beef and a good selection of all meats, the meat section is completely open to view, with nothing hidden. There are no blurred prices and even the highly-skilled meat cutters can be seen as they prepare meat to order and to fill the meat cases.

Paul Lambert, the meat department manager, is highly trained at his job and will personally service those having desires for special cuts of meat.

In all, the store is serviced by 22 competent personnel each wearing a white uniform.

The produce section is stocked with all the customary quality locally and southern-grown fruits and vegetables, with an effort made daily to obtain produce not customarily available in the city. For instance, last week, on several days, the store featured Florida strawberries and watermelon.

William F. Giles, 2187 Hamilton-av, produce department and frozen foods manger, reports that never in 14 years of experience in the twin line has he had such a well-equipped and stocked section as that of the Super-Duper.

With a daily receipt of fresh produce, an attempt is made to procure only choice produce and items that the average merchants would not stock. Floating air circulates over the produce display cases and the display is sprinkled with cold water every 30 or 40 minutes to keep it crisp.

Preserving the frozen foods is the most modern automatic defroster refrigeration system in central Ohio, featuring throughout the famous "Thatlite air."

The entire atmosphere of the store is aimed deliberately at creating a restful, non-commercial atmosphere, Stevens declares. Even the attractive green and white flooring is calculated to please the housewife. An ample supply of grocery carts in three sizes is provided for the convenience of the customers.

Considerable "traffic engineering" has gone into the layout of the store, with the result that customers will find aisles uncluttered and the layout of the entire 80 by 140-feet establishment convenient.

Each department apparently attempts to outdo the others in terms of variety of merchandise available. The drug department is especially outstanding, as are the sections devoted to sundries, women's hosiery, and household supplies.

Throughout the store the shopper will find merchandise be is well-acquainted with.

The Westgate Manor Super-Duper is the first market in Columbus of Super-Duper, Inc., a new national voluntary food chain with headquarters in Buffalo, N. Y. With a 15-year lease, the new Super-Duper becomes the first of a series of Super-Duper Markets to be located in 42 states, according to Douglas Ash, general manager of the Columbus division of S. M. Flickinger Co., sponsors of the new chain.

This Super-Duper Market will serve a large area comprising 80,000 population and is the largest unit in Westgate Manor Shopping Center.

The new Westgate Manor Super-Duper Market occupies 7200 square feet and permits parking of more than 400 cars. It features 50 feet of frosted food cases, 20 feet of dairy cases and a 62-foot meat case.

As an added incentive to the thrifty shopper, Super-Duper offers "America's Most Complete Premium Plan." Under the plan it is possible to obtain a huge variety of premiums, including utensils and kitchen needs, toys, furnishings, and even slip covers, plus a host of others fully described in a premium catalog available at the store.

Customers may buy premium coupons with each half dollar purchase of groceries. By saving premium coupons, they soon accumulate enough to get valuable premiums. Customers select the premium of their choice and pay for it in coupons plus any local sales tax. They get their premiums right at the Super-Duper without waiting months!

As an example of how you could save, supposing you were to buy $20 worth of groceries each week, thus being entitled to buy up to 40 premium coupons for $2 (one five-cent coupon for each half dollar's worth of groceries.) You would be able to obtain in less than three weeks — and for only 97 coupons — a famous make hair dryer retailing for $8.98. Since the premium coupons would only cost you $4.85, you would save $4.10.

FOR RESTFUL SHOPPING—That was one of the main purposes in the entire layout of the beautiful interior of the new Westgate Manor Super-Duper Market, according to Owner-Operator Jim Stevens. The panoramic view above shows the spacious, uncluttered aisles and demonstrates how every shelf has been designed and stocked for customer convenience. At left are the four check-out counters equipped with the ultra-modern National Cash Registers which compute change automatically, speeding up service and eliminating the possibility of human error. (Hilltop Record Photo)

AMPLE PARKING SPACE is assured at all times to customers of the new Super Duper Market at 3631 Sullivant-av in the Westgate Manor Shopping Center, according to Owner-Operator Jim Stevens. The new Hilltop store is the first Super Duper in the Columbus area and typical of some 200 to be established nationally within the year, according to Stevens. At right is the symbol of Super Duper, a large caricature cartoon of a circus elephant balancing a market basket on its trunk and mounted on a 40-foot pylon in front of the store. (Hilltop Record Photo)

MODERN MEAT SECTION—Offering nothing but USDA Choice Beef and a good selection of all meats, the meat section of the new Super Duper Market is unusual in that glass partitions permit the customers to observe every step in the preparation of cuts and meat specialties. Marking of all meat prices in plain and attendants stand waiting to fill special orders, according to Paul Lambert, meat department manager. (Hilltop Record Photo)

$2,000 Worth Of Practical Prizes

All the rest of this week, visitors to the new Super-Duper may register for $2,000 worth of practical, useful prizes. No purchase is necessary to register.

Grand prize is an RCA Compatible Color Television Set. The set has a built-in antenna for normal installation. Only the extra installation charges, if any are necessary, must be taken care of by the winner. A second grand prize is a Bendix Automatic Washer, with a full year's supply of ALL detergent, which provides controlled sudsing for all automatic washers.

In addition, a free grocery basket will be given away every half-hour all day Thursday, Jan. 20, Friday, and Saturday. Dozens of other big prizes are planned.

The grand awards will be made Saturday, Jan. 22, at 8:30 p.m.

Engaged in the wholesale bakery business in Gallipolis, O., for 30 years, Mr. Mootz had built a large plant there. He and his wife moved to Columbus specifically to establish the new bakery in Westgate Manor.

Currently the "production portion" of the bakery is staffed by three bakers, including Mr. Mootz, who is temporarily lending his "know-how" to the job. Mrs. Mootz, for the time-being, is serving as clerk in the store portion.

The drug counter is at left by the window. Managed by Registered Pharmacist William R. Snashall, the pharmacy also features a 12-seat fountain and grill. (Hilltop Record photo)

The Westgate Manor Pharmacy at 3675 Sullivant-av in the new Westgate Manor Shopping Center can boast of being the only druggists on the Hilltop where every step in the compounding of prescriptions is plainly visible to both customers in the store and passers-by outside.

Registered Pharmacist William R. Snashall, of 2070 Woodland-av, who has been manager since opening of the pharmacy on Aug. 2, 1954, reports that he has become accustomed to working under the stares of the curious at the huge prescription counter, which dominates the forward section of one wall.

Owned by William C. McKinley of Grandview, who also has several other drugstores and pharmacies in Columbus and central Ohio, Westgate Manor Pharmacy is a semi-self-service drugstore.

Open from 8:30 a. m. to 10:30 p. m. Mondays through Saturdays and on Sundays from 10 a. m. to 10 p. m., a pharmacist is on duty at all times. Sufficient drugs, medicines, anti-biotics, and other medicaments are stocked to provide prescription service for the approximately 3,200 residents expected in Westgate Manor, plus residents of Rosary and Georgian Heights Additions and other nearby built-up areas. Prescription delivery is offered to residents of Westgate Manor, Georgian Heights, and Rosary.

Manager Snashall has eight employes working in the pharmacy, including five girls on the unusually well-stocked 15-seat fountain and grille. The fountain section offers at least three complete noon meal specials each day in addition to short orders and food specialties.

"The choice available in ice cream flavors, syrups, phosphates, malts, sodas, and fresh fruit combinations are calculated to gratify the most demanding soda fountain gourmet," Snashall declared.

A native Hilltopper, Snashall was born on Harris-av, attended John Burroughs School, and was graduated from West High School class of 1943. After three years service in the Navy, he enrolled in the college of pharmacy at Ohio State University, graduating in 1948. After working for Gray's Drug Stores for three years, he joined the McKinley organization.

First with McKinley's Leonard's Pharmacy at Parsons and Living-ston-avs, he was later transferred to McKinley's Dingman Pharmacy at State and Fourth-sts. He was pharmacist and assistant manager at both of these stores. A member of the Columbus Academy of Pharmacy, Snashall has a brother who is also a Columbus pharmacist. Married since 1947, he and his wife have three children.

The Westgate Manor Pharmacy has a complete baby department, carries all popular brands of cigars and cigarettes and smokers' supplies, and stocks a large variety of reliable patent medicines. Also to be found in the store are all the latest magazines, shaving needs, a very complete stock of candies, perfumes, cosmetics, men's cosmetics, sundries, sickroom supplies, and a large selection of games and toys. Borden's ice cream is featured for carryout.

Mrs. Mary Walters was soloist and Mrs. Carrie Betz presided at the organ for a half hour of music preceding the ceremony.

The new Mrs. Harris is the daughter of Mr. and Mrs. Clare W. Ashton, Sr., 335 Emerson-av, and her husband's parents are Mr. and Mrs. Ben D. Harris, 463 Oakwood-av.

Given in marriage by her father, the bride wore a waltz-length gown of imported chantilly lace over satin fashioned with a fitted lace bodice and illusion neckline outlined with scalloped lace and a Peter Pan collar, and long fitted sleeves extending into points over her wrists. Her bouffant skirt featured a scalloped hem and was worn over net, satin and hoops.

A half-hat of lace trimmed with seed pearls held her fingertip veil of illusion and she carried a white kid Bible topped with white roses.
